Utb and 14th of Sept., the Wattsburg can be lifted out of its present embarrassed a the 25th and 27th of the same month, and condition - whether the tonnage tax ought to a trie County on the 2d 4th and 5th of Oc be repealed or not-and a hundred other questions affecting the welfare of our tax-payers,

By the following statement, copied he would have proved himself much better fited to rule our destinies as the Chief Magisin the Lake Superior News, it will be seen trate of the Commonw, alth, than by his appeal and there has been more iron shipped to this to northern prepudice, and "wide swake" igpart than to all other points on the Lake norance of the relations existing between mas-Vermillion, Ohio 240 Long ter and slave in our sister States There is Cleveland, 48.84 one thing, however, the Colonel did do--he Battalo, N. Y. 1.400 5.445 This is from the 8th to the 14th of August his party peculiar love for protection. The

my The enthusiasm among the republicana t this city is tremendous ! Nothing like it has ests, and the Republican party was bound to been seen since the "days we went gipsying." It is, in fact, enough to do one's soul good to we their enthuisam bubble up, run over, and, Unfortunately for the Colonel there is a differst times spout into the air like oil from Hickaburgh + well Tuesday night was emblem-Republicans / There are Republicans, quite an sta of this. The two Wetock train that day high in the synagogue as he is, that utterly traight smong us Col. ANDY CURTIN, the Redeny the protective construction put upon the and dean candidate for Governor, and his body-Chicago platform. The other day the Repubjustil the wonderful tragic orator, Cossa: licans of New York held their State Convention. of they is the brick," and so is CERTIN, and with and one of the gentlemen they selected to repa couple of such "bricks' the enthusiasm could resent the principles of the party as Senatorial a thil to be tremendous! When the train arelector, is Mr. WN. C. BRYANT, of the N. Y. most the distinguished candidate for Govern-Evening Post Now, what does he say about a und his no less distinguished Coffey, were the protective position of the Republican party? ust at the deput by a committee of reception, Here it is . asisting of Brown's omnibus, Reed House and Charley Vosburg's carriage hand at the Circus was playing a lively air for the benefit of the "trained mules," when the fallen in the same mistake when it calls it a committee aforesaid arrived with the Governor expectant at Brown's. This was fortunate as a saved the necessity of procuring a hand --Arrived there, the distinguished visitors were sllowed to go to their room in a quiet unosten. buttons manner, and the committee of reception dispersed to their respective stables. After performing the necessary ablations, the Colouel strolled out upon the street to see the "enthusiasm. at the first corner he fell in with ste honest Democrat, who, seeing his dilemma, solunteered to hunt it up for him. And that be found it, is it not recorded in the minutes of the "Wide Awakes." Yea, verily, it is ! Perhaps few of our English readers show that we have an amateur German Opera-Troupe among us. Upon special invitation we attended one of their exhibitions on Wednes as evening, and was most agreeably enterained The piece selected for the evening was that of Stradilla, and the parts were all readered in a highly creditable manner under he direction of Mr. Chas. Diffenbaugh, a genteman whose musical taste and talent isof a both order The part of Stradilla, a celebrated Italian vocalist, was well sustained by Prof. Cler. that of Leonora, by Mrs. Willing: Basse, the father of Leonora, by Lutze, and the two i an assassing by Mesers. Miller and Urban. have two latter gentlemen, in their particular "considers, we have scarcely ever seer surpassed We hope to see it repeated again, to a large and appreciating audience. P. S. - Since the above was put in type, we carn that the ladies and gentlemen composing this company have, by request of several of out citizens, agreed to give an exhibition on Monday evening at Farrar Hall - We have no i uld they will have a grand audience.

nature, but the cool mornings make sleeping so exceedingly comfortable that nearly every tion" advertised to come off on the 12th, came person feels disposed to lose half an hour in a very near being a "fizzle" for the want of funds. comfortable snooze. Blessed be the man that The "finance committee" find it "hard sledding" invented sleep, says Sancho Panza, for it is a to raise the necessary "spondulicks." There glorious institution, and blessed be the man, is orators to be paid, and fire-works to be paid say we, who invented cool mornings, for they for, and a score of other items, to eat up monenable us to take a decoction of sleep that is ey-and hardly a man that will "bleed" a dime! enable us to take a decoction of sleep that is ey-and hardly a man that will "bleed" a dime! 5 worth nine hundred and ninety-nine times more The committee assessed our distinguished 0 than the dirty worm which the early bird is member of Congress the moderate sum (f\$100, but apply the "sorew" as they would, a bare \$20 was all the product. That, considering he We suppose we ought to devote some is in receipt of the emoluments of one term, and is in for another, amounting to some

space to the speeches of Col. CURTIN, and his traveling companion COFFEY, before the Wide Awakes on Tuesday evening-not so much because of the merits of those productions, but because of the position the Colonel hulds with his party. The Colonel is rather a flught speaker, without any great force, but sufficient to hold an audience, and perhaps warm one up to a "cheering point," under ordinary circumstances He utterly failed, however, on this

The New York Central and Erie Railroads have agreed upon a further advance on eastward bound freight, which took effect last Saturday The rate for flour is now twenty cents per barrel above the lowest point of the summer, and fourth-class freight ten cents per 100 pounds

for On last Friday evening, a daughter of R Herrington, near the acqueduct, on the canal below Meadville, about 11 years old, was killed by her clothes getting caught around the shaft of a buzz-saw She was carried round and round, until her body was all crushed.

Many of the farmers of Harborcreek and North-East townships are complaining of very light crop of wheat-the yield, in many instances, not being a half, or even a fourth of what was expected early in the season. We have heard of no complaints from other quarence of opinion on this point, even among ters, and presume that in the aggregate the crop will be fully up to the standard, both for quantity and excellence.

> The Meadville Journal, in speaking of the ordinance in this city to prevent geese running at large, says it "should suppose that the Fathers of such an ordinance would be the first victims of the law." The Journal is mistaken -- the gosins who come here and spend their money on the 12th, will most likely be "the first victims."

the policy it recommends to the adoption of the "This is the interpretation we put upon the resolution adopted at Chicago, and it is as fair a construction as any other. If any other con-struction be a mirer or a truer one, then we do not belong to the party by which the remlution is adopted. If it was intended to pass a resolution which should mean nothing distinct or positive. but should bear two constructions, then the ('onvention has done what was unworthy of the party whom it professes to represent, and we are ashamed of M. It would have become it better to be silent on that topic altogether "The construction we have placed upon this resolution we shall hold to firmly. If the Republican party should elect its candidate he must act on that construction, or he will soon find himself encountered by an opposition by

which he will be overwhelined Now while here in Pennsylvania Mr. Curtin s holding up this same twelfth resolution as stitution so as to make this office elective .pledging the Republican party to a protective Before that day, no such scenes as have distariff, the head man of the New York electoral ticket fistly contradicts all his assumptions .--Who is cheating and who is to be cheated? Both can't be right. Let Mr. Curtin take courage and give us a little variety by expresand the people have no one to thank for it but sing his opinions on the fourteenth resolution, an overruling Providence. or "Dutch plank," and whether he still adheres to the opinion he expressed once, when he was the head of the Know Nothing order, that a On the 20th inst., in West Millcreek, CLABA

made to understand any thing till one was broke " In regard to the effort of Mr COFFLY, our advice to the Republicans is, they'd better keep him at home, or change his name to

Cuffee, and then there will be an elernal fitness between the subject matter of the orstor, and the orstor's name '

BOT A Mrs Manville, living in the edge of 'rawford county, just below Waterford, attempted to commit suicide on Friday last by cutting her throat She was alive at last accounts, and will probably recover No cause is assigned for the act

A heavy wind storm, secompanied withhail and rain, visited Venango Borough, on the on last Friday, tearing off the roof of the large brick store, on the corner, and the roof of the house of P. J. Kern Anumber of small Lard buildings were turned over and much other damage done. This storm and the one on the previous Monday, destroyed about \$,000 lights of glass in the windows.

Ber The Buffale Express, in speaking of the "great" Republican rally here on the 12th says if its wreaders wish to form an idea of the ex-- 68407² ported greatness of the occasion, let them hunt CUPPER

The Express evidently thinks a large sign over NYRCH. W Gal., MULASERS. N. O. Y G a little shop is indicative of the extent of the BAR.

road is to be opened for business, as far as Jamestown, N. Y., next week. When will it open to Meadville ? When that Spanish Duke, or Irish Lord, fuinishes a few more dimes, per

me. The Republican Conferens of Erie, Crawford, and Warren, met at Waterford on Thursday of last week to nominate a candidate for Judge : and after a lively session of two days, succeed in putting in nomination S. P. JOHNSON, Esq., of Warren. Of Mr. Johnson's qualifications for the place we have no doubtthat he is honest, and will make an upright, tieving decided to Sell for impartial and efficient administrator of the laws, we have every reason to believe; and were he presented to the people, as he ought hereby providing corm^{iv} to be presented, divested of political caucusing, we would be glad to see him elected by the united vote of the people. A Judgeship is not a political office ; it should never be mixed up in the "dirty pool" where partizans wash their soiled garments ; bence, we say, it was a dark day in l'ennsylvania's history when demagogues persuaded the people to change the congraced the contest over this nomination were ever witnessed. That a good selection, perhaps, has resulted from such a contest is the result of accident rather than actual choice,
