The Crawford Journal takes great pain to contradict a report that C M Clay will not be here on the 12th . It seems to us this is making a great ado over a small matter, for of all the men we ever heard, with a reputation like Clay's, he is the "smallest potatoe" in the Republican hill

The Republicans at Meadville raised a pole last Saturday -- Curtin made a speech --Heo A Coffey performed tragedy and, cor der reigns in Warsaw " Wherefore let all the world rejoice.

Speaking of the Mock Naval battle, to ome off at Cleveland on the 10th, the Herald, of that city, says . Avery day adds to the certainty that the Mock Battle on the Lake will he a triumphant success. The engagement will probably be under the direction of Capt CHAMPLIN, U.S. N. who was engaged in the real Battle of Lake Erie Arrangements are being made for some novel and surprising of tects, that will assist in making the engagement a perfect fac simile of the real battle.

We learn, from one present that very spirited meeting was held on Tuesday evening at the United States Hotel, corner of 2d and French Streets, for the purpose of or ganizing a "S F A Club About a hundred and fifty names were given in as members, and the promise is that the number will be doubled before another meeting. The object of the on P 1/4 14, as we understand at, "" and idding. The political character of the S F 15 does not correspond with that of the Wide Awakes, consequently our Repub hean triends need expect but very little aid and comfort from that source. In a word, the os F A Club is composed of the political friends of Douglas, Breckenridge, Bell, and Henry D Foster, united in a common brotherhodd, for a common purpose, which is the defeat of Lincoln Some gentlemen may think the memhers of this organization have been "fast asleep." but well bet "our pile" they'll be wide awake on the second Tuesday of October | Iben first "somnambulic" parade will take place some time next week at the call of the Commander in chief! So look out for "Bulletin No 2"

The enthusiastic young republicans who are managing the mass meeting here on the 12th, are in a "sea of trouble" to raise the "needful 'to pay expenses. The office holders expectants, and republican business men not responding as liberally as expected, they have hit upon the novel plan of giving a concert to

hit upon the novel plan of giving a concert to raise the wind Dodworth's hand is engaged and the tickets put at half-a-dollar Come now' shell outgevery body—the Committee is hard up' See advertisement.

Between two periods and the tickets of the bosouch of Albion to meet at the hard up' See advertisement.

Between two periods and the tickets of the bosouch of Albion to meet at the house of the bosouch there to receive him, and when he spoke but few to bear him. In the solitude of his room we have no doubt be "cussed" his political firiends in this end of the State, both loud and deep And they deserve it!

One of our exchanges is of opinion that newspaper patronage is a curioud thing in the estimation of some people. A man lives near you -- never took your paper, it is too small-don't like the editor-don't like the politics -too Young Americanish -- too old fogyish -or too something else-yet goes regularly to his neighbor and reads it by a good fire ... hinds fault with its contents, disputes with its positions, and quarrels with its type. Decisionals ly sees an article that he like - save half a dime, and to . a number This is new-paper

353, After a summer which dol not certainly distinguish itself from its prodecessors by cool ness, we are gradually globus into that his of all him weather on the twee of the earth, as their windows, and there is much sound sleeping, and there are many remarks as to the change. Now promettaders come forth in groat variety on our moon-lit streets, and politicions become cloquent over the approaching election. Now the farmers gather in their stores frequent our market places, and calculate the gains of an abundant harvest. Now there is on better feeling, as the brokers say, mad mat ters and things in general appear pleasanter than of old. Now appetites become more exacting, and by a fortunate compilence peaches are just coming in But delightful as the exjust at this season when stepping from warm night- over to cool ones, that perons should be my corretal in the matter of clothes, and observe with unusual attention the inveteries of diet. New it behomes all who can to take exercise, and restore that strength which may have been drawn from the system by the enervating heats of summer. And now, be it observed is also an excellent time to keep out of other massmane localities. We commend due observance of all these points to every body --To gentlemen in business we would point out eason for advertising, and that the immense

and maded but whether of the late the fact that this i an uncommonly favorable diment of goods to be had in this city might be freshily rolled out of the city on highly advinrageons terms, it those holding them would only realize that the best' of all rollers for the purpose is a printer s. Use ink treely, and you will grow rich. So mote it be!

Brend is likely to be plenty this year the satisfictory to us as we know But its quality much depends upon the way i to be and both parties being satisfied, his made. Those who prefer bread perfectly was the matter own this any one light and sweet, must recollect that De Land & to a health would not permit his Co a Chemical Saleratus is indespensible in its minimise in the business and has manufacture. It can be procured from any regist more netive employment in the good greeer or storekeeper. It costs no more than an inferior article, and makes infinitely better bread, cake, pastry, &c , than the common Saleratus Sold at whole-ale by the principal grocers, and by the manufacturers, D. B.
