We are happy to inform our fellow citizens that there is one place in our city where the physician, spothcary, and constry merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extendee business, although it will well repay any ofmanger or citizen to yisti Ubotrn'to Wotrr's exten-sive marchouse, Nos. 15, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could ont have been less than thirty thousand cases; the Brandy, some ten thousand cases of Madeirs, Sherry and Port Wines, Stock h and Irish Whisky, Jamaics and St. Croix Rum, some very old and equal to any in this country. He also had three large collars, filled with Brandy, Wine, &c., in casks, under Gustom House key, ready for bottling. Mr. Wotrr's miles of Schnapps hat year amounted to one hundred and eigh-ty thousand down, and we hope in less than two years he may be equally successful with his Brandles and Wines. His business merits the patronky of every lovers of his specks. Privats families who wish pure Wines and Liq-uors for medical use should send their orders direct to Mr. Woire, until every Apothecary in the land make up their misde to discard the polewous staf from their shelves, and replace it with Wotry, pure wy mass and Liquors. We understand Mis Wotry, tor the accommodation of maid isolarist in the former y port bus and chargers. We understand Kis Wotry, tor the assorted cases of Wines and Liquors.
