GREAT REBELLION;

OR,

The Heroism of our Soldiers and Sailors.

ILLUSTRATED.

1 *vol., large* 12mo. *Price*, $1,25.

The critics and the public see alike in pronouncing that this will surpass, in graphic narrative, exciting interest, and an immense popularity, all other histories of the War for the Union. Its theme will be the heroic daring, persistent suffering, and hair-breadth escapes of our soldiers and sailors, and its incidents will form the theme of conversation for innumerable firesides for years to come. It will contain, in addition to its stirring details, the Philosophical Analysis of the Causes of the War, by Judge LOTHROP MOTLEY, L. L. D., Author of "The Rise of the Dutch Republic," etc., the dates of all the important events from the John Brown raid, and an accurate and revised account of the principal battles, with engravings.

One-third the proceeds of all Subscriptions sent direct to us will be given for the Relief of Disabled Soldiers, and all persons who wish a copy of the work, and also to benefit the soldiers, should send their name and address at once. Also, any officer, or private, or person in any section of the country, having knowledge of a heroic act or stirring incident, will oblige us by sending us an account of it.

BOOKSELLERS, POSTMASTERS, and CANVASSING AGENTS will be furnished with a Subscription Prospectus, on application to the publishers.

A liberal commission given to soldiers desiring to act as agents in taking subscriptions.

CURE YOUR COUGH FOR 12 CENTS!

The Best and Cheapest Household Remedy in the World!

MADAME ZADOC PORTER'S

Great Cough Remedy!!

Madame ZADOC PORTER'S Curative Balsam is warranted if used according to the directions, to cure in all cases, Coughs, Colds, Whooping Cough, Asthma, and all affections of the Throat and Lungs.

Mad'e ZADOC PORTER'S Balsam is prepared with all the requisite care and skill, from a combination of the best remedies the vegetable kingdom affords. Its remedial qualities are based on its power to assist the healthy and vigorous circulation of the blood thro' the lungs. It is not a violent remedy, but a tonic, warming, searching and effective; can be taken by the oldest person or youngest child.

Mad'e ZADOC PORTER'S Balsam has been used by the publisher for over 18 years, and has acquired its present sale simply by being recommended by those who have used it, to their afflicted friends and others.

MOST IMPORTANT.—Mad'e ZADOC PORTER'S Curative Balsam is sold at a price which brings it in the reach of every one to keep it convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—Save Your Money!—Do not be persuaded to purchase articles at 6 cts. to $1, which do not contain the virtues of a 13 cent bottle of Madame Porter's Curative Balsam, the cost of manufacturing which is as great as that of almost any other medicine; and the very low prices at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customers insist upon having Madame Porter's and none other. Ask for Madame Porter's Curative Balsam, price 13 cts., and in large bottles at 25 cts., and take no other. If you cannot get it at one store you can another.

Sold by all Druggists and Store keepers at 13 cts., and in larger bottles at 25 cts.

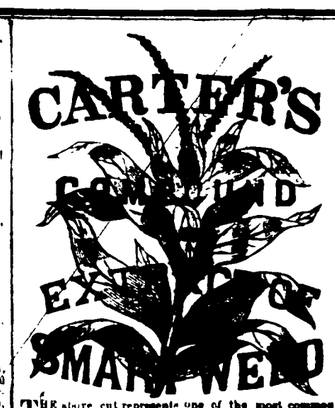
A FINE LOT OF PLAIN AND FANCY BIRDCAGES from 62 cents to $3.50 each. Very low to [sep6m3.] JOHN BANYARD'S



THE above cut represents one of the most common and abundant, and at the same time the most useful and valuable herbs with which our country abounds.—One that is endued with properties adapting it in a remarkable manner, to relieve and cure a very large proportion of the ills and injuries common to the family of man. And yet, strange as it may seem, this most valuable herb has hitherto been almost entirely overlooked, despised or regarded, at best, as but an *old woman's* medicine, and thousands of dollars yearly thrown away in useless Doctor's bills, or on foreign weeds, of which the people know little or nothing, and which, in the nature of things, cannot be so well adapted to their constitutions and necessities as those growing in their own clime and country; a striking evidence of ignorance and folly. For what purpose, we would ask, was this plant made to spring forth so abundantly along the path and around the dwellings alike of the rich and poor, if not that it might contribute to ward the comfort and welfare of them among whom it finds its home? for, observe, it is found only *when and where man erects his dwellings.* The design is clear, and the wise and prudent will heed and profit by these indications. The virtues of this weed are now placed before the public in the form of a *Compound Extract*, containing all its medicinal qualities in a contracted state. It is *pure, clean and neat*, and accompanied with particular directions for family use.

More than ten thousand bottles have been sold in the vicinity of its preparation, since its introduction, and the success attending it has been very remarkable. There is scarcely an ill that occurs in families, but what the timely use has either cured or relieved. Abundant evidence has been shown that it is very successful in curing all forms of

LINIMENT AND PAIN KILLER,

We are aware that representing a medicine as a cure for so many complaints, injures its reputation with many persons, but in the case of this *Extract* the representations have, in each instance, been made voluntarily by those using it. The fact is, when a bottle of it has once got into a house, its success in one case has led to a trial of it in others, and hence it has been used, and with success, in cases where the proprietor would not have tho't of recommending it.

The same result will doubtless still follow its use, and all that is asked for it is a fair trial of one small bottle.
