Letter From Major Jack Downing.

WASHINGTON, Dec. 6, 1862. Wal, I am glad to see that Congress has got ogether, and the Message has been red and kommenced rubbin his hans an walkin about digested. The Kernel worked hard cauff on the room; an actin like a gal that is goin to t, I tell you. He wouldn't let Seward or Chase get married. I didn't say enything, an the have easy thing to de with it, but he just mauled | Kernel didn't say enything either, an it wasn't all out himself. The next day arter the a minit before Seward dodged out of the door Montige was cent in, Summars cam in and sed agin as quick as he cam in. After he had the Meerige warn's grammatikel in all its parts gone, ses I, "Kernel, how many times has tolled him that "I guessed if he had to work | eward had the rebellyun suppressed ?" "Oh," around short corners, as the Kernel did, with -] see he, "he goes to sloep every night with the out gattin tripped up, he would find it mighty | wartin beleef that the Union will be restored hard work to get every thing jest accordin to by daylight; that Jeff. Davis will be hanging grammer." I telled him "grammer warn't of on a sour apple tree by noon, and that he will say ackount, wile the rebellyun lasted-that, be elected next President by sundown." like the Constitushin, the grammer was sus deel like sparkin the galis-it's jest as a feller | take to chauge it."

brains there. There's more edicated fools now

in the wovid than there are fuels of eny other kind, and there's a great meany of 'em. Lord knows. And," ses I, "it's these edicated fools the make all the trubble." "Why, Majer," see he, "you uin't an enemy

n adication. I hope." ? "Wel, no. Mr. Senstor, 1-ain't us enemy to edicetton ; I only hate edicated fools." See he, "M jer, what do you moan by edioated fools ??

-PDI "Wal," ses I, "wen I was a boy there was a boy in my state who crite dest mo a speller is that state known to nations where the laws and readin, and in smoot gravitations i but are sliest. Your municipal regulations and year Constitution have no voice for sach at I could this and such a time."

much, for ses he, """, I think you are gettin kinder personel." See I, "No, Kernel, I don't m an to be, but you know stories will sometimes f: closer than you think for when you begin to tell them."

Jest here Seward cum in, with his churchyard smile. Ses he, "good mornin, Mr. President; I've got good news from England ----There won't be eny intervenshin now, an the mbellyun will be over in sixty days. My friend Weed thinks so, too."

"What's up. Boss ?" ses Linkin. That's the same he calls Seward by. "Oh," see he, rubbin his hans, "don't you see by the papers what a large amount of money the morchants. of York are subscribin for the poor, patient, starving English workman ? God bless 'em !" Here Seward drew a deep sigh, an ses ha, "It will produce such a good effect in England ! Intervenshin is dead. The rebellyun is crush-

ed, an all by this grand an noble idee of mine to feed the starving poor. What filanthrowpy will do when it is done rite !" An here Seward

"Wal, Kernal," ses I, "I think you've get a ended, or looked up where habus korpus quer Cabinet." "Yes, I hav," ses be. "Sewwulda's get at it. In fast," ses L "Mr dum. | ard thinks that his ritin lotters to Europe, is aure, I think may man who talks about it's goin to overthrow the rebeliyun Ohase thinks bein necessary to observe the laws of grammer. It can't be done except by his greenbacks and or eny other laws, wen the Bashin is in a doth freein niggers. Old grandfather Welles is struggle with trature, is a disloyal person, an | sure there is nothin that will restore the Union. orter be sent to Fart La Fieit."; Wan I sed except his gunboard, while Blair feels sure this, Sumsure turned all corts of colors, so j that he ken do it by stoppin Demycratic paees be, "Wal, Majer, perhaps you're rite about pers." Bus I, "Why don't you change 'em ?" rammer; but I think you orier spell the "Wal," see he, "what s the use of awappin President's name rite in your letter. It's a juckets? There and't nothin to be made by it. lisrespect to the Cleef Majerstrate not to do No, I wou't change my Cabynet unless I'm " "Wall," ses I. "Mr. Samnure, I've got i driv to it. It s bad enough now, but the Lord ny awa idees on spellin . Spellin is a good only knows what it might be if I only under-

takes a poshin. My idee is, if I spell a word | I was in her I sould induce Linkin to put so as to get its sound, I'm rite, an I don't keer | In some new men, and get out Seward, Chase, what you say, it's the only rule of shell n | Stanin and Biger. But his no use. So we that holds good in the long run. Now, see | suall jog along after the old fashion. Where I, "ef L i-n-k-i-n d on't spols Linkon, what on we shall be in the Spring, no one kin tell -sith does it spull ?" That seemed to stump Congris has gone to work in errest to fix up him. "But," ses he, "Mager, there's some the financie, and take cair that the Demyarats ginners! rules that order to observed-rules dyn' are Linkin for suspending the habus that the schools all use " "Wal," see I, of "korpus. The finathropists are hizzy, and they don't know tauch about schools, an I gess the are going to give all the niggers here a Chris-Kernel don't nuther. I went to school bix | usus dinner, which, I suppose, is expected to weeks, and the Kernel ses he went six months. Just cm the year round. Estin like a Turk School lernin is mity poor truck to put into a long day an starvin \$64. is, accordin to my feller's hed, onless he's got a good dee, of ideze, a poor way of livin. Yours till deth.
