ECONOMY IS WEALTH!

CURE YOUR COUGH FOR 13 CENTS!

THE BEST AND CHEAPEST HOUSEHOLD REMEDY IN THE WORLD!

MADAME ZADOC PORTER'S

GREAT COUGH REMEDY!

Madame ZADOC PORTER'S Curative Balsam is compound with all the requisite ingredients, from a combination of the best remedies the vegetable kingdom affords. Its combined qualities are based on its power to assist the healthy and diseased organization of the blood through the lungs. It is not a violent remedy, but, unobtrusive, warming, searching and effectual; can be taken by the oldest person or youngest child.

Mad'e ZADOC PORTER'S Balsam has been used by the public for small [illegible] years, and has established a character for itself, which has induced all the remedies we could employ, but at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extinction could afford relief, but he advised the trial of your Sarsaparilla as the last resort before quitting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found it [illegible] truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were corroding his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in [illegible] months. Another was afflicted by me [illegible] Syphilis in the form [illegible] and the ulceration eaten away a considerable part of it, so that I believe the disorder would soon reach its brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcer [illegible] to be well again, and of course without [illegible] to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured [illegible] your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Yours, G. V. LAMMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1860.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and say that you made it was worth trying. By the blessing of God it has cured me, and has so purified my blood and [illegible] the man of me. I feel young again. The best that can be said of you is not half good enough."

Scirrhus, Cancer, Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of [illegible] have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Hæmalgia.

Many remarkable cures of these affections have been made by the alterative power of pips medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such [illegible] has long been required by the necessities of the people, and we are confident that this will be for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in Advanced Stages of the Disease.

This is a remedy so universally known to surpass any other in the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of the severer forms of disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the efficacy of the remedy, we need not do more than to assure them that it has now all the virtues that could have when making the cures which have won so strong upon the confidence of mankind.
