## A DESPOTISH TO BE ESTABLISHED.

"Another principle must certainly be embodied in our reorganized form of gov ernment. The men who shape the legislation of this country, when the war is past, must remember that what we want is power and strength. The problem will be to combine the forms of a Republican Govern-ment with the powers of a Monarchical Government." - Philadelphia Press.

Yet such is the fact,"and the drift of current events are tending toward the accomplishment of the objects here foreshadowed.

NEW HAMPSHIRE BLECTION.

We fully expect that the complete returns from New Hampshire will show a sweeping Democratic victory. Enough now is known to confirm the adage that revolutions never go backward. The vote of the >tate last year gave a Republican majority of 3,584. The latest dispatches give Eastman, Democrat, 4,000 to 5,000 plurality over Gilmore. About 3,000 to 4,000 Democratic votes have, undoubtedly, been cast for Harriman, Independent Democrat ; so that a tremendous gain is thus certain .--The same dispatches also elect Marcy, Democrat, to Congress in the first district, and leave the other two in doubt. The first news gave all three to the radicals. New Hampshire has done nobly. Look out for further glorious news.

THE STATE VOTE .- The votes cast at the late State election were officially counted in the presence of the Legislature, last week, and foot up as follows : ... Auditer General-Slenker, D.s' 219.066" --Cochran, R. 1 215,684 Slenker's majority, 8,882

If there are any in the names of the candidates, as printed at the head of this column, we shall be obliged if they or their friends will give us the correct names, so that there may be no mistakes in the tickets voted.
