BELLAN CAUCUS -A Republican cauan held in the club-room of that party emes by evening, to consult in regard he nomination of candidates for city of-...u -ecsecy that hardly half-a-dozen persuisde of the "ring" knew anything it it is understood that the caucus stourned to Tuesday evening next, by a lane, we suppose, the politicians will saticke ready to put in the field. The ene undoubtedly is, lo obtain a mixture democrats and Republicans, and then call mon ticket, though none take part in its ation but Republicans. We do not believe sur honest Democrat can be found in my, who has so little regard for his ipies, as to accept of a nomination thus mi spess the regular candidates of

contrast to the secret nature of this Renem caucus, how proud should Democrats I the course of their own party On our everything was done openly and publicly he call for a city meeting was published the papers, the meeting itself was free to 's proceedings were printed, the places halling the caucuses were public, as also ony convention, and every opportunity given the people to express their choice, see that matters were confucted fairly. nocrats are never afraid to let their acts open to the scruting of the community.

MR. LOWRY DE FAVOR OF MORE NEGROES ONING INTO PREMETLYANIA. -In the State nate, on Friday last, Mr Lowry, " from the muntee en Federal Belations, to whom was ferred a number of petitions asking the sage of a law to prevent the emigration of grees and mulattons into this State, submitsigners. The report says that it was heetary for the government to suppress this edion, to gain the sympathy of the slaves proclaiming their freedom, and at the same ne depriving the rebels of their labor. "u the State, and the petitions for a national parention are part of a system to work the Maning purpose of treason by arousing the ejulices if the people. There was no cause fear the influx of negroes in this State ney would prefer remaining in the South if betwitherty is secured, and this State should "air" a) law to thwart' the policy of the govrament For these and other reasons the summittee reported against the prayer of the from the further consideration of the subject. Mr White offered Freschation to print 5,000 pies in English and 1,000 le German of the

'eport Agreed to-yeas 19; nays 13." If Mr Lowry, and the Republican majority in the State Senate, had deliberately resolved mike themselver as odious as possible to the people, they bould have taken no more certain course than the one above mentioned. In this section, where the negroes are few in humber, and generally well behaved, the effeets of this measure will not be so deeply hizel. by in the Southern portions of the

Master John E. Greer, of North Bast, son of Judge Greer, has been appointed to a cadetship at West Point. A similar appointment was offered to James I. Williams, of this city, but declined.

A brief session of Court was held this week, commencing on Monday afternoon, and ending on Tuesday. The business was of a nature not generally interesting to the public. The Court which was to have been held next week has been postponed.

Gainesville, has been detailed to recruit for the regular infantry service, and will shortly open an office for that purpose in this city .-

The Reed House is now under the joint control of Mr. Guild, and Mr. J. L Gook, of Waterford, two of the best hotel managers in the country. Mr. Guild occupies the flattering position of being the only man who has been able to make the Re.d House pay, for a number of years.

We regret to see that our lately deceased politically, we mean,) Member of Congress. Mr. Babbitt, was one of the majority in the House of Representatives, who voted in favor of the notorious "third Mileage." The mem - Col. Chas. Kleckner, ory of that outrageous act will stick to its supporters down to their dying day.

men. A good cap of coffee in the morning is a luxury that most can appreciate, and a trial of Mile's Sano, Java and other coffses, put ap in neat pound packages, will do much to overcome the fault often found in the flavor and quality of this delicious beverage.

We regret to learn that the Treasury of the Ladies' Aid Society of this city is "nearly empty." An entertainment for its benefit is proposed, and we heartily "second the motion." This Association, has done no much good since the opening of the war, that anything for its advantage.

The hotel kept by Robert Leelie, in Waterford, was destroyed by fire, early on Monday morning last, together with a portion of its contents. The fire is supposed to have caught from a stove tipe. The house of John Wood, close by, was for a while, in great danger, but, with considerable exertion, was saved. We sympathize with both of these gentlemes in their mistortanes.

Information has been received in regard to the heretofore uncertain fate of Lieut. Chas. II. Riblet, of the 146th regiment. He was wounded in the lungs, in the forenoon, at the battle of Fredericksburg, and taken to one of the hospitals, where he died in the afternoon. He was a son of Mr. George Riblet's, and a young man of good qualities, and considerable promise.

We take pleasure in announcing slight improvement in the Gazette's manners. For a while past it has been as fierce as a fish woman, in calling the friends of the Constitution and Union "copperheads," "butters tar Hall, on Friday evening. The perform-nuts," "traiters," sympathizers," &c., but this week it actually speaks of our party vinced county and fully con-friends several times as Democrats. If it will of the "first water." A subscription, obonly persevere now, we shall begin to havehopes that it may ultimately regain its cace

enviable reputation for respectability. The Gazette publishes an extract from letter which it says, was written by a private is an Illinois regiment, speakings in terms of severe reproach of the course of the Northern Demograts. It also says it has another letter. from a member of the 68d regiment, expressof the origin of these documents, but we will be obtained, for the purposes for which it is ing the same sentiments. We know nothing venture to assert that we can produce helf-e-

The Country of the to the party pretences, lesses no apportunity to arge its Conser contains a long communication from E know it ?" "Well, Sammia, present your bill." | supporters to elect none tut Republicans to T. Foote, giving the history of many of the office. In each of its issues, for several weeks | Post offices in Western New York, and North. back, it has contained articles grossly insulting to Democrats, by classifying them with have a local interest; the enemies of the country, and arging its party friends to vote against them on that account for local offices. The last of these is contained in the number published this week.

"We would again urge the friends of the Government in Rele County to bestir themselves with a view to the approaching Spring elections, and not let those who sim only at partisan success steal a march upon them -should they, by neglect, fail to meet a majority of the officers to be chosen, it will be heralded as a triumph of the compromising, peace party, and a rebuke to the Administration and he means adopted to put down the rebellion and preserve and perpetuate the Union. This is the plain issue, even in these local elections, and we trust our friends will all realize it and act accordingly."

We are requested to state for the benefit of those who may desire to visit the Union Reading Room in this city, that all loval men are cordially invited to do so-ea inconditional support of the Government on the part of visitors being the only requisite esary to obtain admission .- Gasette.

We presume, then, that the large class o Republicans who were only for the continuation of the war, on condition that the slaves would be declared free, and who announce that they will never agree to the "resteration of the Union as it was," will not be admitted.

A friend in Clearfield writes us :-What a pity that our Congressional election does not come this fall, instead of having taken place. We could elect our candidate as clean as a whistle." Yes, indeed. Our Republican friends may make up their minds that they have had the last Congressman they will ever get from the 19th district.

An exchange says the Demecrats are called copperheads on account of their good

REASONS FOR SUPPORTING A DEMOCRA-TIC CITY TIOKET.

Mr. EDITOR :-- I am glad, for one, that the Democrate have resolved to put a party ticket in the field in this city, and shall give it my vote, and I will tell you the reason why. First, because I think the Democratic principles are the only ones that can save the Nation from ruin. But I have another cause. During the without respect to politics. I, in common with many other Democrats, have voted for Republicans. And I have found that some of support for their offices, have been amongst the most noisy, in our stores and around our The Harrisburg Telegraph does not like street corners, in calling Democrats treators

Then, again, these men who claim to be "no- | congregation last Sabbath. party," when they run for office, forget it after Sent Rev Mr. Blackburn will-deliver an they are once in Will any one tell me how out of some half-dozen or more, there is only one Democrat. This doesn't look much like "ne-party." I may be mistaken—if so, 1 | ing paper should therefore be exercised.

shall take pleasure in being corrected. I hope the Democrats will put a good ticket in the field, and stand by it to a man. It may be that some favorite candidate will not be aclected, but don't let us let personal feelings stand in the way. We can gain success if we only stand together, -and I don't believe that after all the abuse that Democrats have had to stand from Republicans, they will turn round an i " lick the hand that smote them." My Lieut W. W. Lyon, of the United motto is, "the ticket the whele ticket and noth-States Regulars, wounded at the battle of ing but the ticket." ANTE-KINKTHRAD.

THE ATLANTIC MONTHLY.

BEGINNING OF A MEW VOLUME.
The number for January, 1863, begins the ELEVENTH VOLUME OF THE ATLANTIC MONTHLY ELEVENTH VOLUME OF THE ATLANTIC MONTHLY

From the commencement, in 1857, the Minute has rapidly increased in circulation, and it now has the largest class of readers since its beginning, five years ago. In prosperity steadily augments, and it continues, smid all the fluctuations and dangers incident to our national files, to gain ground in the estimations of the public. At a time so pregnant with events which touch the future destinues of America in every vital particular, the Publishess and Edutors do not describe the state of the pages will never sware from the honest paths of layed patriotism and universal freedom. Its opinions have always been on the ideo of Liberty, Progress and Right, and the course it first adepted in its early career, will ever be faithfully maintained.

THE STAFF OF WRITERS, regularly contributing to the Minute Monthly, embraces many of the best known the Atlantic Menthly, embraces many of the best known authors in American literature, and warrants the publish-ers in promising to its readers the best Essays, the best Stories, the best Poems which American talent can furn-
