ORLAYS, Ind., 6th June, 1856

J. C. AYER & Co. Gents: I first it my duty to be knowledge what your Surapparilla has done for most flaving inheatest a firmfidure industion, I have enjoyed from it in various many for years. Sometimes it bunds out in Ulcays on my hands and arms; consectuate it turned inviers on distressed my at the situation. Due years ago it beaks out on my hand end, covered my study and our witch one pure, which was painful and loutheous beyond description. I tried many medicines and sworth physicians, but without much relief from any string. In act, the discrete reservement. At length it was rejoined beyond description. I titled many mentioner and several physicians, but without much relief from any sisten. In lact, the discrine grow worse. At length I was repliced to read in the Gospel Messenger that you had prepared an alternative (Sarsmparilla), for I knew from your repettation that any thing you made neat he good. I send to Cincinnati and get it, and used it till it quired see. I took it, as you advise, in small doses of a temporalful over a month, and used almost three bottles. Not stall healthy skin man began to firm under the such, which after a while fell. By skin, is now clear, and I knew by my feelings that the disease has gross from my system. You can well believe that I feel what I san saying when I tell you, that I hold you to be one of the sposition of the mys, and remain ever gratefully.

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Totter and Salt Rheum, Scald Head, Ringworm, Sero Eyes, Dropey. @ Br. Robert M. Proble writer from Salem, N. Y., lith Sopi., 1826, that he has cured an invetorate case of Dropey, which threatened to terminate fatally, by the presenting use of our Sarasparille, and also a dangerous Engineers Bryaneles by large done of the inner; they he care the common Bryaneles by large done of the inner; they he care the common Bryaneles by it constantly. anchosele, Gottre or Swelled Hock. Schulen Stens of Prospect, Texas, upites: "Three betters of your Sussepectile cured me from a Cottre—'a hide-som swelling on the neck, which I had sufficed from over two years."

com swelling on the neck, which I had suffered from sever two pasts."

Lettereritors or Whitton, Svannale Diseases.
Dt. J. B. Chambing, of Raw York City, writes; "I most cheerfully camply with the request of your agent in asying I have found your flavagenths a most excellent electrics in the messever complessive for which we employ such a remedy, but especially in Remele Disease of the Scrothieus disthants. I have cured many involvate came of Leucerthets by it, and some where the complaint was caused by absorbing of the scroth, the whole also many of Leucerthets by it, and some where the complaint was caused by absorbing of the stream. The ulneration fleely was soon cared. Nationg within my knowledge equals it for those founds derangements."

Edward S. Marrow, of Newberry, Ain, writen, "A dangeron courbus returns on one of the feaness in my family, which had defind all the remedies to evold employ, had all incompletely oured by your Extract of Surveyageithe. Our physician thought nothing but artispection could afford relief, but he advised the trial of your Samparille on the last retort before exiting, and it proved effectual. After taking your remedy eight weeks no symphons of the disease reasons.

Syphilis and Moreurial Disease. Da. J. C. Area: Mrsv Canana, Sith August, 1850.
Da. J. C. Area: Sir, I cheerfully comply with the re-quest of your agent, and resort to you some of the effects I have realized with your flaraquarilla.

I have corrol with it, in my practice, seed of the som-plaints for which it is recommended, and have found its I have cured with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the cure of Fractori and Mer-cured Disease. One of my patients had Syphilitic ulcar-in his throat, which were consuming his palate and this top of kin mouth. Your Surespection, steadily taken, cured him in five weeks. Apacher was estancted by sec-endary symptoms in his mose, and the alceration had estan away a considerable part of it, so that I helieve the diseaser would soon reach his beam and till him. But it yielded to my administration of your Surespection; the ulcors healed, and he is well assin, not of sourse without

desceder would soon reach his brain and Liff him. But it yielded to my administration of your flammaprillin; the viders healed, and he is well again, not of source without some disfiguration to his face. A well-in who had been treated for the same disorder by mercury was suffering from this peison in her bonne. They had become so sencitive to the weather that on a same dispide suffered encruciating soin in her joints and house. She, son was cured entirely by your Raresparille in a few weeks. I know from 160 framma, which year agont gave me, that this Preparation from your laboratory must be a grain the first personally yours, on the present the present of the property of the present the present of the Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1868.
Dn. J. C. Avez: Sir, I have been assisted with a paleful chronic Elementum for a long time, which bassied the
shift of physicians, and sinch to me in spite of all the
remedies I could find, until I tried your flavoupacille. One
bottle cared me in two weeks, and restored my general
health so much that I can he better than habes I was
attacked. I think it a wonderful medicine. J. FREAM.

attacked. I think it a wonderful modicine. J. FRRAM.

Jules Y. Getchell, of St. Louis, writer: "I have been
afflicted for years with an affection of the Liver, which
destroyed my health. I tried every thing, and every thing
failed to relieve me; and I have been a broken-down mans
for some years from no other cause than elevengement of
the Lew. My heloved pastor, the Rev. Mr. Engo, advised
me to try your farmparille, because he mid he knew you,
and any thing you made was weeth spring. By the blessing of God it has cured me, and has so purified my blood
as to make a new man of me. I find young again. The
best that can be said of you is not half good enough."

Schingwas, Cameor Tunnears. Embargement. chirrus,Cancer Tumors, Enlargement, Ulceration, Carles and Exfeliation of the Bones.

A great variety of cases have been assented to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not wilmly them. Some of them may be found in our American America, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Kelancholy, Reuralgia. by, Mclamchely, Neuralgia.

Many remarkable curse of these affections have been made by the alterative-general this medicine. It stimulates the vital functions into vicerous action, and thus overtones disorders which would be building in the property of the process of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF "

Coughs, Colds, Influence, Hearsoness, Croup, Brenchitis, Incipient Con-sumption, and for the Ballet of Consumptive Patients in advanced Stages of the Disease. This is a reasedy so universally known to surpass any other for the cure of throst and long complaints, that is is useless here to publish the oridence of its viscous. Its universalled excellence for coughs and colds, and its brally wonderful cures of pulmonary literans, know made & known throughout the drillied nations of the earth. Few are the some paramed experience of lit effects who have not some paramed experience of lit effects woone living trophy in their midst of its victory over the subtle and dangerose disorders of the threat and lungs. As all know the dreadful fatality of these disorders, and at thry know, so, the effects of this remedy, we need not do more than to secure them that it has now with howe won so strongly upon the condenses of maskind.
