believe it was there, until we saw

"It is the fashion in certain quarters to changes of, and additions to our food, there meer at what is called 'Union sentiment' is a decided increase of energy and activity in the Shave States. And yet in the dein reference to proficiency and discipline. relopment of such a sentiment lies our Advantage is taken of every short season of any logic of the triumph of the cause. No matter what the motives that bring good weather for company and battalion back the people to the shelter of the di drills, and careful inspections are myle once fag-no matter whether it is a conviction that the rebellion can't succeed or a gena week-the results of the changes are very marked. I was much pleased to notice the uine affection for the Government of their 111th P. V. on the honored list of those refathers-they must have the privilege of giments rewarded for passing good inspection; at least appearing to come back voluntarily. We may conquer their physical resistance by an increase of the ratio of leave of absence and furloughs.

but we can hardly conquer their disposi-tions. We may compel them back into Much has been said about the demoraliza the Union as into a limbo, but we cannot tion of this army and the low spiritedness of compel them to be our brethren against their will. If we would restors the old the men. However much might have prebrotherhood, as well as the old political vailed in times past, there is now quite a determined feeling to fight, and for victory too bonds, we must show ourselves merciful as well as strong. We must convince the and despite the wrangling of Washington Southern manes that we wage no vindicpoliticians and petty jealousies of political tive war against them that we have no generals, the men who really make the army intention to compel them into a degrading allegiance. We must convince them all seem to be tres to their country and her that they have only to return to the path cause. If Congress would adjourn, and the from which they strayed to have their of-

fences forgiven and forgotten. leave an honest Cabinet at Washington, and "We hope, therefore. to see every en Jee Hooker in the field, the great victory coursgement given to the Southern Uni would then be accomplished; but which one onists to send-not demagogues and sharpers-but earnest, honest men-to of them would join the army less than a represent them on the floor of Congress. Brigadier General's Commission : This will be a preches! step toward the restoration of the Union."

BENET CLAT.

esuses their love and admiration of him, Who can doubt that if HENRY CLAT teaches then to respect and obey their genwere living now, he would be standing eral; and Isfirmly believe, that when they side by side with Joan J. CRITTENDER, again face the unprincipled fee of our beloved Gro. D. PRENTICE, and others of his warmcountry, they will prove their valor and paest friends, in the ranks of the Demotriotism.

cracy! If there are any who believe The general impression is that the ferce of otherwise, let them read the following the enemy opposite us is small, but of this nothing certain is known ... I noticed on Friextract from his speech delivered at Frankfort, Ky., on the 15th of Novemday shermoon last, quite an extensive balleon ber, 1850 reconneisance on our side, and from its daration and the inteness of the hour, (lasting "I may be asked, as I have been aske when I would coment to a dissolution of until quite dark; | I concluded that something

the Union. I answer, NEVER! NEVER! important was going an on the other side. NETES 1 The roads are getting considerable better, " If the agitation in regard to the Fugitive Slave Law should continue and inand although each day brings its proportion crosse, and become alarming, it will lead of rain, they will soon be passable for the

to the formation of two new parties; one army. Wait patiently for nature, and then for the Union, and the other against the jock for something from the men of the Union. And the platform of that Union party "grand armee." In your paper, registered among those who

was recently arrested at Coldwater, Mich. A demand being made on the authorities for the culprit, he was sent forward-arriving at this plate on Thursday night, in charge of a U.S. Deputy Marshal, and lodged in jail.

> Correspondence of the Erie Observer The Test of Lovalty.

In the proceedings of the " Loyal Citizens sure! of Waterford Borough," he reported in the Gazette. appears the following resolution : what taken down when he took possession of ~

Resolved. That the test of "Unconditional the Episcopal Palace at Norwich, in 1791. Union Men," as understood by this meeting by all those who participated in it, is that we cordially support the war policy of the Admin-istration, including the Proclamation of the President of the United States as Commander n-Chief of the naval and land forces of the members stay at home, or enlist as privates, lation, issued Jan. 1st, 1863.

If this is not making the party swear by Abolition, what is it ? This is too narrow a alatform for a National Party. To cap the climax, all persons "without distinction of party" are invited to step up and take this General McCllellan is the idol-of the army test ;" although the Emancipation policy is of the Potomse, but the very discipline which the very issue on which party lines are draw. ing. Can assumption and impudence further 20

> in refreshing contrast to this we find in the Tribune of the same date (March 19) the following under the head "Draw the Lines." Atitizes of a free country has a perfect

flemen, I lose the bet ! I never tasted this right to differ with h's rulers, to criticise them and to vote to supercede them. All this is liquor before !" consistent with the most perfect, zealous loy-

alty. Nay ; loyalty may imperatively require it. • • • No one is less loyal because he thinks arbitrary arrests needless, or that there have been a great many more of them than there need have been, any more than for holding (as we do) that the mistake was not in arresting, but in not striking at higher game, and not merely arresting but: proceeding to indist, try, convict and panish. On this whole subject true patriots have differed, will differ, and have a perfect right to differ. "A loyal citizen has a perfect right to hold

the emancipation policy and the arming tof blacks nawise," &c.

Now, whose "jest" shall we adopt ! That of circumstances attending your burial ; are they the loyal citizens of Waterford, (and it is subhave offered up their lives a meriles to their country, I often see the names of school stantially the "test" adopted by all the Union mater, old acquaintances and friends. Noble Leagues throughout the county.) or that of just as you have described." The name was boys! what a great porrow it is, that such Mr. Greelev ! Waterfard holds that a cordial hereie hearts must be sacrificed to feed the support of the nor policy of the Administration (emancipation and arming the blacks; is the "test" of unconditional loyalty ; Mr. Greeley mys "A loyal citizen has a perfect right to hold

this same policy unwise." It may be well enough to remind those who
