J. C. Arm & Co. Gents: I Sel it my duty to acknowledge what your Saraparilla has done for me. Having inherited a Scrothous infection, I have suffered tout in various ways for year. Sometimes it burned inward and distressed, me at the stomest. Two years kgo it broke out on my head and covered my scalp and ears with one sors, which was painful and logitheems beyond description. I tried many and the stomest had several physicians, but mishest with relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the though Messenger that you had prepared an historier grew worse. At length I was rejoiced to read in the though Messenger that you had prepared an historier (Samparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnated and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonfiel over a moth, and used almost three bottles. New and healthy skin soon began to form under the scale, which after a while fall off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feet what I am saying when I tell you that I hold you to be one of the spectles of the aga, and remain ever gratefully.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Reed, Ringwerm, Sore Eyes, Dropsy. Dr. Robert M. Přeble writes from Salem, N. Y., 12th Spt., 1839, that he has cured an inveterate case of Dryng, which threatened to terminate fatally, by the persevering use of our Euraparille, and also a dangwous Mallymant Eryspelas by large doses of the same; mys he cures the common Erspicus by it constantly. Bronchocele, Geitre or Swelled Neck, Zebulen Slean of Prespect, Texas, writes: "Three bes-ties of your Sursaperilla cured me from a Golfre—a hid-cous swalling on the neck, which I had suffered from ovar two years." Lencorrhea or Whites, Ovarian Tumor Uterine Ulceration, Female Diseases.

Uterime Ulderation, Female Disease.
Dr. J. B. S. Channing, of New York City, wither; "I most cheerfully comply with the request of your agent in saying I have found your Sarasparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Francis Diseases of the Scrothjous disthesis. I have cured many inveterate cases of Lencorrhora by it, and some where the complaint was caused by siceration of the steras. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala, writes, "A dangerous couries frame on one of the Samales in my family, which had defied all the remedies we could amploy, has at length been completely cured by your Extract of Sarasparilla. Our physician thought bothing but extipation could afford relief, but he advised the trial of your Sarasparilla as the last recort before cutting, and it perved effectast. After taking your remedy eight weeks no symptom of the disease remains." Syphilis and Mercurial Disease.

DR. J. C. ATER: Sir, I cheerfully comply with the re-quest of your sgent, and report to you some of the effects I have realized with your Barssparilla. I have cured with it, in my practice, most of the com-plaints for which is is recommended, and have Sound its I have realized with your Sursuparille.

I have cured with it, in my spactice, most of the somplaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Marawal Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his, mouth. Your Sarsaparilla, steadily taken, dured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had esten away a considerable part of it, so that I believe the disorder would soon reach his brain and all him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the westher that on a damp day the suffered excursed entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Proparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surplessed me.

INDEPENDENC, Prestor Co., Va., 6th July, 1859.

Dr. J. C. Ather. Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remodies I could find, until I tried your Saraparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, ef St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried overy thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than decungement of the Liver. My beloved pastor, the Rev. Mr. Enpy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feet young again. The best that can be said of you is not half god enough."
