EMOCRATIC COUNTY CONVENTION !

The people of Erie county who are in yor of the restoration of the Union of States and maintainance of the Contution and the Laws, are requested to set at the usual places in the several mahips and boroughs, on Friday, the th just, at 2 o'clock p. m., and in the veral precincts of the city of Eric at 8 lock p. m., of the same day, to elect legates to a County Convention, to be

d in Erie on BATURDAY, THE 18th INST. It o'cleck a. m. The purpose of said

unty Convention being to elect delees to attend the State Convention, to be d at Harrisburg, on the 17th of June. By order of County Committee,

WM. A. GALBRAITH. Chairman.

R. R. TO PRANELIE .-- On Saturday, says Meadville Democrat, the track on the A. B. W. Branch road was finished to Franklin. Monday an excursion train passed over read, and in a few days the cars will runclarly.

fur Conscription.—The proper officials shout to make the necessary arrangements the conscription to fill the ranks of the ies of the United States. The enrollers take an account of the physical and social dition of every male denisen, and his age, will be carefully noted. From this list se conscription returns will form valuable s to the statician, and it would add greatly heir interest if in each case a special note made as to whether the party named was he habit of procuring his groceries at the ap store of Jas. A. Bliss, at the corner of and 8th sts.

HORMARRES' STRIKE .- We learn that W incorrect in some of our statements last relative to the shoemakers' strike. The neymen have not gone to work at their old es, but, on the contrary, most of the emvers have acceded to the terms asked, and are expected before long to agree on them. journeymen shoemakers are one of the est worked, and least paid, of any of the ses in community, and are justly extitled n advance in their pay. We would not ingly make a statement in our columns ulated to do them wrong.

ISTINGUISEED . VISITOR .- J. Edgar Thomp Esq., President of the Penna. Central , accompanied by his wife, and several ds, reached this city on Saturday evenand stopped at Brown's Hotel. On Monmorning, Mr. Thompson, in company the Mayor, several citizens, and a few tlemen from abroad, took an excursion ut the harbor, on the tug S. G. Brooks, all strangers expressing themselves highly ghted with the Bay, and its advantages trade. On Tuesday morning an excursion a took Mr. Thompson to Warren and field, returning the same day. He left on iday evening, having received many kind ntions from our people, and making a d impression on them by his dignified and

Gov. Curtin met with a flattering rereption at the different towns along his reute to Meadville. At Waterford, Union and Corry he made speeches. We are teld that at the first named place he made the remark that North, he had never met say, and believed if they existed at all they were few in number.

Our readers must not fail to visits Goodwin & Wilder's gigantic Polyorama of the war, now open at Farrar Hall. It opened the "canal" or disnary. If from the for-in our city on Tuesday evening last, and was greeted with a full Hall. Every event of im-protected with a full Hall. Every event of importance connected with the present war is faithfully portrayed and a very interesting lecture is delivered by Mr. Bufus Somerby. A variety of pepular songs and ballads were given with fine effect by a lady vocalist, and the entire entertainment gave great satisfac-tion to the audience. To-morrow afternoon,

There will doubtless be a rush. The Girard Union says that since the paragraph republished by us, last week, from its columns, appeared, the N. Y. Tribuns has Herate with the proper execution of their been placed on file in the Republican reading ck. The General Manager, Mr. Potts, is room of this city. So it seems that the Tri- of the Disputch that we ppe to have no cocesident of the completion of the road by the base been desided to be a "loyal" paper sion for dispute with hints future; 'He and at last. We hope that H. G. will feel sucouraged by this decision. There are still a we were provoked into a controversy," we great many people in the community who will never treated him with light but courtesy: continue to hold doubts on the subject, but We are not in the habit of quarreling with we caution them to keep quiet. Hereafter is our neighbors, and participally our editorial

The enrolling officers in this city have been busily engaged at their duties for nearly we shall show that we are in ready to give two weeks, and expect to be through in a couple more. They meet with considerable opposition in some quarters, but have not yet gest weighing over 100 pounds. Fifteen been seconited. The workmen in the furnice refused to let the officer enroll them last week. and the assistance of one of the proprietors and he will never find any cases for semplaint. had to be secured before he could perform his duty. We hope that so far as any of our pelltical friends are concerned, as shelacle will be placed in the way of those who are taking the enrollment. These gratismen are per- Soleratus. This is the best article in existence

The Oil City Regular gives details of he destructive fire mentioned by us two weeks ago. The entire loss is estimated at \$125,000. The boats and oll foot up a loss of \$75,000, and the Franklin bridge was valued at \$35,-000. Between seventy-five and one hundred boats were burned, containing from eight to coive into the service not ten thousand ten thousand barrels of oil. The fire originated from a lantern left on the edge of an open bulk boat. The watchman in his hurry secure it stumbled over an oar and the war. He believed that the comma blasing lantern fell into the oil. Of course an explosion followed, burning the watchman severely and spreading the fire in all directions. Some of the blasing boots were sent adrift which ran under the Franklin Bridge

by which it was also destroyed .- Warren Mail. The expense of the reception given o Gov. Curtin was paid by the city, meet of the Democratic members voting with the Republican majority in Councils for the approprintion. We shall wait with curiosity to see whether the opposition will display as much liberality when a Democratic Governor visits

forty-five years of age, who would not adthing to do with it.

A few days since, says an exchange, as Gen. Resecrans was dining with his staff at a hotel, he unfortunately tested the Tenn. sees butter, when he immediately arose and saluted the plate before him, remarking, "Gentlemen, that butter outranks me !"

The Republican County Committee vill meet on Tuesday, the 16th of June, at the office of Gunnison & McCreary, to elect two delegates to the Pittsburg Convention, The Gasette says that the route for the

shipment of goods from the South, by way of Matamoras, Texas, is "anaccountably left open." Isn't that "treason !" Thayer & Noyes' Circus was crowded at Pittsburg on the evening of May 26th that hundreds were turned away from

the door.

In Honduras, invalids afflicted with Surofula visit the streams that have drained from the wild lands where Sarsapariila grows. It is found that the waters become imprograted with the medicinal virtues of this drug, and the natives drink it, bathe in it, and live on it for weeks. Whatever its effects, these watering-places" have a reputation not inferior to our own Saratoga, and great numbers surely obtain relief at them from the eruptions ulcerations, and sores, which are so afficting always to a half civilized people. Yet I find all classes have more confidence in Dr. Ayer's 16 It is not generally known, perha Extract of Sarsaparilla, then in the impregnation that all the conscripts under the present de ed waters or any compound of the root that will be obliged to serve during the war, a it, do so, and it is in very general use here, not for nine months, as in the case of tsuring them surer and quicker than they can previous one. Persons enrolled at the present relief without it. Not a few of our staple time will be subject to draft for two years: products go thus to foreign lands are there manipulated by scientific or artisen skill.

A Word of Selemn, Conscientions Advice to these who will Reflect.

A class of maladies preatil to the faril extent in the community, dooming at least 100,000 youths of both surses annually, to a nextly grave. These diseases are very imperfectly understood. Their external mealingstation, or symptoms, are Mervous Debility, Relaxation was Machantion: Maramus or westing and consumption of the heart of the whole body; abstraces of breathing on assending a hill or fight of stairs; great papitation of the Heart; Asthma, Bronchitia and sore threathing on assending a hill or fight of stairs; great papitation of the Heart; Asthma, Bronchitia and sore threat; shaking of the Heads and Lishne; aversion to receive and to business of stady; dimness of eye eight in various parts of the body; Fains in the back or limbs, invarious parts of the body; Fains in the back or limbs, invarious parts of the body; Fains in the back or limbs, invarious parts of the body; Fains in the back or limbs, invarious parts of the body; Fains in the back or limbs, leavest parts of the body; Fains in the back or limbs, leavest parts of the body; Fains in the back or limbs, leaves a part of the consumption of the Kidneys and other boreins of the body, Invarious parts of every one hundred, all the above named disorders, and a host of others not all the above named disorders, and a host of others not named, as Consumption of the Janes and Tabes Memenaterics, have their east and vitin in diseases of the Pairie Visses. Hence the want of success on the part of old school gractice in treating symptons only.

The textiment adopted by the lastitation is asset it is based upon scientific principles, with new discovered or modern maladies with the most attonishing success. The institution is now as payed to treat at their house, in any just of the country, from accurate descriptions of their olse, by letter and hyse the medicine sent by until or expres

oppication. Consimption, Catarrh and diseases of the Throat cured

direct decreepondence.
Patients applying for interregatives or advice, must enclose return stamps to meet attention.
The attending physician will be found at the funtituition for consultation, from 9 a. m. to 9 p. m., each day. Sunday in the forenout.
Address,
DR ANDREW STONS,
Physician to the Troy Lung and Hygienic institute, and Physician for Diseases of the Heart, Throat and Lutage of Fifth Street, Truy, N. Y.

Aithough not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredi-cits and effects; I yet know of no sufficient reason who a man may not testify to the benefit he believes himself to have received from any simple preparation, in the home that he may time contribute to the braids of others.

From the Rev. JOSEPH H. KENNARD, Pustor of the Tenth Bayetist Church. Dr. Jackson-Dain Siz :- I have been frequently re

PHILAD'A, JUNE 23, 1861. J. NEWTON BROWN.

DE. JACKSON-DEAR SIE:—I have been frequently requested to connect my name with commendations of different kinds of Medicines, but, regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own simily, of the usefulness of Dr. Hoofand's German Bitters, I depart for once from my usual course, to express my full convitient than the forgeneral debility of the system, and essentially for Liver Complaint, it is a safe and valuables proposition. In some cases it may fail, but usually a usual not, it will be very beneficial to those who sufer from the above cases.

Yeurs very respectfully.

Kighth below Costes at Phil's Dec. 24th.

From the Wife of ALDERMAN WUNDER, German From the Wife of ALDERMAN WUNDER, German-teres.

DR. C. M. JACKROK-BIR:—It gave me great pleasure two years ago, to give you a certificate, textifying what the German Bitters had done for me. I am now perhet-ity cared of all those disease your medicine professes to care, vis.—Dyspepoia, Chrenio and Nervous Debility, dis-base of the Elimyn, he. The powerfal influence it arrets upon necessary production to surprising. I have committed frequently in substance to your Bitters, and without hea-ing the professes to the substance of the core complaint, and in avery instance it has effects ally cared. Your usedisine has a great reputation in Germantewn, and is now sold in every Drug store and in must of the Breezey stores here. It may one should question what I say, lot them come to Germantown, and will prove to their sat-isfaction, that the Bitters have cared in this kinity more than immit, case of the above disease.
