seventeen years ago.

United States, to fill the place made vacant by majority or them, nevertheless, cherish an said ne, "Gentlemen, you are both of you ministers of the gospel, and I tell you that death of Judge Baldwin; but Cameron, atipathy for the Union is hatred which can-being in the Senate, produced his rejection, in and will cherish it as bong as this generation of the great portion of the and will cherish it as bong as this generation of the great source of danger to our country. If our religious men cannot like together in peace, what can be ex-pected of us politicians neutrino for the senate of the great many cannot like together in peace, what can be exin 1852 Governor Bigler appointed num to but it is very evident that "Secent proclivi-the Supreme bench of Pennsylvania, to fill a but it is very evident that "Secent proclivi-tacancy made by the death of Judge Coulter; and in the same or the next year he was nom-a very disatroun and heart-rending accident subject of slavery, there will be nothing insted and elected by the Democrutic party of occurred. A Massachuigts and a Rhode left to bind our people together but trade the State to the same place for the Constituinsted and elected by the the State to the same place for the Constitu-tional term of fifteen years, so that he has about four years to serve, and in December next would have been the Chief Justice of this State. When first called upon and urged to accept When first called upon and urged to accept the declined, on wished to see. We arrived at Hickman Bridge in the even ing and "spread blanked" for a night's rest. Here is where Burnides headquarters are located, the General having concluded to take the "tented field." They are situated on a high hill, and command a beautiful view of the In the line of his profession ; but after much solicitation he consented, for the reason that in the present abnormal condition of public affairs the people had a right to demand the services of any person they thought could best surrounding country. We started very early the following morn-ing, marching a distance of twenty-four miles that day through the most beautiful country I serve them. His nomination was the result, and his election is certain, if he lives, by at least from 80,000 to 50,000 majority. The nomination of a man like Woodward had ever seen, when we weached a small town seams like going back to the purer and better called Bryantsville. Here the inhabitants received us very kindly, the beautiful, volupdays of the Republic, and furnishes a wellgrounded hope that public Constitutional liberty and private rights may yet be preserved in this country. He was the intimate associate and friend of great men and patriots like

tuons (7) young Southern belles waiving their handkerchiefs, young the blowing tin whistles, clapping their hands and cheering the "Yan-James K. Polk and Francis R Shunk. The one thought him fit to be a United States Senstor, and the other tho't him fit to be a Judge of the Supreme Court of the United States, This sountry and Government have three enemies-bancombe, one-idesism and corruption. They have nearly, if not quite, disrupted the Federal Government, and the hast named, if not arrested, will yet destroy the Biate Governments, for no free government
