## DR. P. HALL'S
CELEBRATED
## COUGH REMEDY!

CONTINUES to gain public favor and demand in all sections, and after the thorough experience of sixteen years, its reputation for safety in curing Throat and Lung diseases is fully sustained.—Wherever this medicine is most known its merits have established the greatest popularity and demand. It has become a standard remedy with many people for curing Pulmonary complaints and is kept in their houses for ready use when a cough or cold is first contracted. It is speedy and reliable—a dose or two relieving, rarely more than one bottle to cure a Cough of many weeks standing. For curing Croup it is unrivalled, and as a remedy for Asthma its efficiency cannot be doubted, having restored many persons to health after suffering a long term of years with this miserable disease. For Bronchitis and Hoarseness it is safe and reliable, quickly relieving irritation from the air passages. In Whooping Cough this Remedy is of great value—it promptly lessens the frequency and violence of the cough, and shortens the disease one half from its ordinary tedious course.

All diseases of the lungs and air passages depend upon irritation or inflammation in the lining mucous membrane and requires the prompt use of thorough medicine to effect their removal. Hall's Cough Remedy is safe, speedy an effectual in its operation—is adapted to both young to all ages and constitutions. Every person afflicted with either of the following diseases should use this pleasant medy and their voices will soon mingle with others in commending its merits to afflicted neighbors and riends:

## AYER'S
# Sarsaparilla
FOR PURIFYING THE BLOOD.

*And for the speedy cure of the following complaints:* Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it settled in my eyes, and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was advised to try the Compound Extract you had prepared as an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy, &c.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common Eruptions by it constantly.

Scrofula, Goitre or Swelled Neck.

Ezekiel Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a big[illegible] swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. R. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many incredible cases of Leucorrhœa by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the children in my family, which had defied all the remedies we could employ, was entirely removed by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remained."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and *Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, combined with iodide of potash, cured him in five weeks. Another was troubled by secondary symptoms in his throat, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was shocking from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy, and from its effects, some truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LAKEMER, M. D.

Rheumatism, Gout, Kiver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

Dr. J. C. AYER: Sir, I have been afflicted with a painful rheumatic affection, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *effusion of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from an *effusion* under that derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us in the course of time, remarkable cures of tumors resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the physicians of the people, and we can confidently assure them that this will do for them all that medicine can do.

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary diseases, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

Sold in Erie by John S. Carter, A. A. Sanborn, Doctor L. Strong W. Hall and Doctor P. Hall; and by dealers everywhere jan27'60-1y.
