ADDRESS BY DR. WILSON.

Dear Ser :--- At a meeting of the Democratic Club of Edinhoro, on Saturday evening, June 27th, at Van Tassel's Hall, Nelson Clute was called to the chair and Wm P. Burchfield, was appointed Becreiary. Dr. J C. Wilson was then called upon to address the meeting, to which he made the following response, at the close of which, upon motion, it was unani mounly resolved that a copy of the address be requested for publication. Hy giving it a place in your columns you will oblige . MANY DEMOCRATS. The Doctor said : The present, fellow citi-

tude of every patriot who properly recognizes his duty to his country, its institutions, its a time-honored custom, co-existent with our bresent form of Government, upon approach. ing elections, for political organizations, pervaded with all that laudable, ephemeral excitament so healthy to the growth and perpetuity of our Republican Institutions, to array themselves on opposite sides, governed by certain policies, principles or platforms, each manfully and honorably vicing with the other, rallying to the apport of their favorite candidate; and until the present Administration came into power, the defeated party always

feat of the Crittenden compromise; and I the triumphant march of successful, would have saved the nation from

1862, or the Cincinnati Enquirer of Oct. 29. ] There, my triends, is a fearful record, and t should be pasted upon the ceiling, ever the couch of every voter in the land, that it might be the last thing his eye rested upon before he slumbers and the first to greet it when be awakes in the morning, and then let him ask himself if such men are worthy to sway the government of a free people.

But the fugitive moments warn me and I now pass on to the more immediate consideration of the dangers that surround and threaten us on every side. Rebellion lifts her hydra. head upon our Sofithern horizon, and the breezes that once came freighted with the busy hum of industry and lades with the perfume of perpetual "flowers, now bring to our surs the clash of resounding arms, the booming of cannon, the grouns of wounded and dying men; and our mind's eye is brought to-scan the desolation of fertile fields, of populous defeated that proud army. cities, of innecent women and children flying from defenceless and burning homes, made sacred by a thousand memories, to find a hid the mountains. The flowing streams are rad. ers, of their fathers and our fathers : once quiet and peaceful glens have now become a mighty semilchre of whitening bones. Here absorption stares us in the face across the ratio that has marked its progress thus far, scor be empired; both North and South, so as to make us an eday prey for a hungry lion. sovereigns, to look around him and ery out with Wasl's prison keeper, "What must we do to be saved." what step advise; what course nursue, what rievs adept ?

Are we to fall into the arms of this Admin istration as it runbes headleng blindly on in its med folly, drapping our lives and our substance benedit the slattering wheels of the angry Juggeranticof war, and continue the heal and cry of first to the knife and the policy pessig fairly? have we not given our wester men like the leaves of the forest and did there ever a nation give a more prempi Illing and enthusiastic responds to the call

zens, is a time that excites the deepest solici-Constitution, his posterity and his God. It is our land the effulgent rays of the moonday very capital beleaguered by a rebel army!

sacred that mission now."

cannot better pertray to you the wicked insti-gators and perpetrators of this oriminal act are supervision of the Commander-in-Chief, than by reading to you the following cor- was pressing Lee's forces to the wall, and who defeated that measure; which, had it been bellion was crushed and suppressed then and there, it sounded a death knell to all her hopes than to squander it upon those who would war, are to day endeavoring to cover their and sanguine aspirations. It would be as half ride to fame and power o'er seas of human vile shame by creating false issues and making as the Crittenden compromise; it would posfalse appeals to the sympathies of the people, sibly close the war without freeing the nigger [Here the speaker read a correspondence be. or dissolving the Union, and their darling our fellows who think differently from us tween Senator Bigler and James T. Leonard, schemes would be frustrated, besides making upon this great question, that an honorable and others. It may be seen by referring to George B. McClellan a popular candidate for the Harrisburg Patriot and Union of Oct. 6th, the next Presidency. Hence mutterings were sword, and that while we would still grasp heard in the distance. The President heard the latter with our right hand, with our left the thunder as it rolled up the sholition avenues to his mansion and peralyzed him, making him a fit tool of hungry parasites who devoured, masticated and digested him, and compromise, and will be joined to their idols, spewed him forth again, what? an abolition President !- What follower you all know. Our army was cut up into corps, each independent of the other, and all under the control and spee digit of an abolition fection. McClellan was deprived of his command, at least so far as conducting the campaign was concerned,

might as well have cried to the clods and stones to come to his aid as to have sent a plea or request to those who were plotting his ruin-It was our own Cabinet and hot the rebels who I will not dwell upon the bloody scenes of Malvern or Gaines Mill, they are painfully ing place amid the caves and jutting crage of familiar to you all. The result, though an undying monument to the bravery of our dened with the blood of their husbands and soldiers, is a disgrace to the annals of our our husbands, of their brothers and our broth. country; and since those events, fate and ilisaster has marked the course of the Army of at the North opposing factions are arising his successors are on the same road. But why whose acts already blanch the cheek and make. go on with this painful rehersal? Suffice it t the heart stand will. Recognition, nye, worse say, abolitionism since that time has had than recognition, absorption or rather re- all pretty much in her own way-runs rampant and rules supreme. Our army has moved water; for if this devastation of blood and at its mandate and our treasury has answered treasure continues at the same increase of her call. Proclamation after proclamation has been issued from the Executive Chamber, entogether with sub-divided dissentions, we will tirely inconsistent with the genius of our Covernment, and in direct and acknowledged violation and usurpation of the great magua-In view of all these glattug lights, it behaves | charte; of our liberties, thus subverting our every according of the land; for we are all dearest rights and shedding our richest blood to accomplish partisan ends. Citizens of the North have been illegally arrested and incarpersted or exiled, denied that judiciary proaltion afforded them by the Constitution, for daring to differ with the Administration, or calling into question its absurd policy of conducting the war, all under that foul cloak. military necessity.

seeing the advantage, came up with her over-

And now, my friends, in the name of Constitutional liberty I sak you if these things be done in the green tree what will be done in the dry? and what good has been done by all these anti-slavery proclamations? all these continueure like the water of the ocean I did arbitrary arrests? And what protective remuneration had an interview with the President on Thursday, and were requested to make their domand in writing to which we in our daily papers and thronging pur bulle. The content of the boards, to be concentrated into one pierc. only pledged but delivered to him, for the reply.

Gen. Butler is reported to have fought. in our daily papers and thronging our bulle. the two hundred thousand men she has not were all the habiliments of mourning that now while our disciplined soldiers are protecting greet our eye in nearly every some joined in the abolition dynasty at Washington, our one overspreading canvass, it would blot from borders are infested by rebel bordes, and our Burely republics are ungrateful. Are we to In view of all this, is it any worder that a close our eyes to these facts, and blindly hug bany, assisting the Governor of New York fresh and heavenly hale should gather around the delusive phantom of hope, that this adin organizing the militia to repel the inthat beautiful word peace? is it surprising ministration is doing all things well, that we waders, and General Butler at Concord that such a thing as a peace party should arise are approaching a correct elucidation of the making a political speech before radical to sheathe the bloody sword and make the great problem that so deeply concerns us, Republicans. friends of blood to tremble? If it be true that when we are unmintakably drifting toward "blessed are the peace makers," how holy, how the rocks of anarchy, confusion, discord and ruin . Does it become any of us to slumber of certain political prisoners then confined But our Administration friends cry out, and sleep now, when the sound of many in Fort Lafayette. The writ was disregaraway with peace, there is no peace, there can waters dashing over the breakers falls upon it was impossible to enforce it. A writ of attachment is now asked for to compel quietly and tamely submitted to the role of Let the bloody tide of sarroll on give us five question, how are these dangers to be averted? the majority, nachtsmissely retiring to their hundred thousand more the beacon of peace and this is a question that every man must several occupations, reposing with confidence must loom up in the distance upon a sea of answer practically for himself. That they their interests, their honor and their lives, as blood or we will never welcome per. Away can be averted at all, is a matter exciting well as that of the nation, into the hands of with compromise, it is the offspring of hell and gloomy doubts and apprehensions in wiser their political opponents, trusting and believe the child of the devil, and that nother is a heads than yours or mine. For my own part that the Kathairon is not only the most delightful hair dressing to the world, but that it cleaness the sealp of scarf and dandruff, gives the hair alively, rich, taxuriant growth, and prevents it from tursing gray. These are complicated machinery of government growth, and prevents it from tursing gray. These are considerations world knowing. The Kathairon has been tested for over twelve years, and is warranted as descrieur persons, the freedom of our press, the vocates of the present war policy. I once confidence in the popular enlighted voice of —A clergyman once took for his text freedom of our speech safely guaranteed, and advocated a war policy and wonky yet, were it that the great superstructure of smplire was conducted in accordance with the spirit and that there are thousands of hearts all right yet in this manner. "I shall pass over the moving on in its untrammelled and grand ca. genius of our Constitutional Government, se in the disgraced and deluded South, especially reer. But, my fellow citizens, those golden that the end to be obtained were not swallowed if they could be assured that the great condays of our nation's prosperity, once embla up and sacrificed by the means of reaching it. stitutional base of our liberties was yet sound spued on the unfurling scroll of time, dasking to world with their aplendor, are now wrapt in the furled scroll of eternity, and the renotive design that the furled scroll of trial and serrow is the unswerving in its adherence to the great upon us that is to test the purity of our metal, separate the dross, and God grant, bring us out of the furnace of afficition freed and purity of our constitution, to be firm in the support of State rights, and to conduct the out of the furnace of afficition freed and purity of our mothers. The number of persons employed by it is 370. The editor, Mr. Delane, receives give them that assurance in a manner they principles of our Constitution, to be firm in the mistake. New York has already given them her assurance; Ohio and the great them her assurance; Ohio and the great on the paper.

From developments made by the Congressional Committee, appointed to enquire into matters connected with the growth, prevente its falling off, eradientes dasdruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original filler Coloring, and if friends became our enemies at any time to become our friends in a stood the test of time, being the original filler Coloring, agitators at the North, letting the great consent to the head. It has a situation our enemies at any time to become our friends into matters connected with the revenue service. Of the port of the sons of the original for the sons of the sons of the sons of the original for the sons of the commingling in one mighty bulwark the country was everywhere anguine of such that the country was everywhere angular that the country was the country was the country was the country was everywhere angular that the country was the countr habk, commingling in one mighty bulwark the country was everywhere anguine of suctions, traitors or tyrants.

Here, would it not draw too much upon full a General, probably, as the world can boast. His soldiers loved adored and wortime and patience, as well as upon the limited abilities of your humble speaker, we might profitably dwall upon the causes that have ledite this fraticidal and sanguinary war. I will, however, only detain you here briefly to refer to the one great, immediate cause that country was everywhere singuine of suctions of the country was everywhere singuine of suctions of the mean time what is our duty in relation to the war? It is plain. Give the administration a cordial unwavering support in maintaining the supremacy of the government of the supremacy of the government of the country. The hast legitimate means; warn it to desist from undifferent parts of the country. The hast that we should falter in our duty to scheerfully respond to all conscriptions and that they have been deceived and would not blash to see the that the supremacy of the mean time what is our duty of in relation to the war? It is plain. Give the administration a cordial unwavering support in maintaining the supremacy of the government of the supremacy of the supremac upon us to replenish our army, and pro calmly hide our time until we can wield that

> whelming numbers. The youthful General saw the danger and applied for succor, but he THE COMMANDER OF WESTERN PERSYLVA-MIA. Major General Brooks, who has been assigned to the command of the Department of Western Pennsylvania, recently commanded He for some time commanded the Vermont Brigade, and was highly spoken of for his well as in every subsequent engagement in which he took part. He was wounded while heading a charge of the Vermonters during the seven days' fighting, but refused to leave son's Landing. He is emphatically a fighting man, and in any position in which he may be

of Western Pennsylvania, recently commanded ancredities of unfettered lips? Who can a division in General Sedgwick's corps, and fitty describe the enormity of the crime of was regarded as an exceedingly brave and its violation? Free speech, the very instru-able officer. The General was a Brevet Major ment, the bulwark, the bright communate in the Third U. S. Infantry when the war flower of all liberty! The time to assert rights broke out, and in command of a body of troops is when they are denied! Those who should in New Mexico. He was highly complimented assert them are those to whom they are for his success in rescuing his small force from the rebels, and was appointed a Brigadier General of Volunteers in September, 1864.

He for some time commanded the Volunteers in the force from the for opinions, however false, or however hurtful, is a gang of slaves." NEWSPAPER: NOT TO BE DENIED THE MAILS.

-Mr. Posimaster General Blair in a late conservation with an Abolition ex-Member of Congress, was importuned by the latter to deny the privileges of the United States mails to certain journals that moorded not with the gentleman's political creed. The Postmaster General promptly and emphatically replied; "No, sir; that was tried once, at the urgent solicitations of some of our injudicious friends; the result has been the re-establishment of the treasonable sheets with increased no toriety. So long as I am at the head of Department, no newspaper will be excluded from the mails."-N. T. Daily

A SINGULAR SPECTACLE IN BATTLE AL the battle of Stone River, while the men were lying behind a crest waiting a brace

flocks of little birds fluttered and circled above the field in a state of utter bewilderment, and scores of rabbits fied for prothe left, neating under their costs and creening under their legs in a state of utter distraction. They hopped over the leid like tooks, and as perfectly taked by fright as householdepets. Many officers witnessed it, remarking it as one of the most curious speciacles ever seen upon a battle-field.
