PURE WINES AND LIQUORS.

To Medical Men and the Public.—I have a stock of choice Wines and Liquors, both foreign and native, embracing all the varieties usually prescribed or called for. Such as Ports, Madeira, Sherry, Malaga, Claret Hock, Claret and native Wines. Brandies, Jamaica and St. Croix Rum; Holland, Schnidam and Fine Apple Gin; Old Rye and Monongahela Whiskey, &c.—Among these are some fine Old Brands of the vintages of 1804 and '50. Very superior.

Many of these are comparatively high in price, yet in this respect they are cheapest in the end to the purchaser, and afford less profit to the dealer, than those lower priced or inferior kinds, which are but imitations.

To secure the purity and obtain the finest qualities of these articles every caution that prudence and experience could suggest have been employed, and so far as it is possible this end has been secured. The value of purity in this class of articles is so important both to Physicians and invalids, that assurance is only necessary to secure their attention. aprl'63tf JNO. S. CARTER.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

GARLAND, Ind., 6th June, 1859.

J. C. AYER & Co. *Gents:* I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. Now and healthy skin soon began to form under the scab, which after a while fell off. *My skin is now clear*, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases of the Leucorrhœal character.* I have cured many leucorrhœas in the numerous cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration of the uterus.* The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER: *Sir*, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease.* One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: *Sir*, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and struck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am better than before I was attacked. I think it a wonderful medicine. J. PELHAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver.* My beloved pastor, the Rev. Mr. Rapp, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in Advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

MADAME ZADOC PORTER'S

GREAT COUGH REMEDY!

Madame ZADOC PORTER'S Curative Balsam is warranted if used according to the directions, to cure in all cases, Coughs, Colds, Whooping Cough, Asthma, and all affections of the Throat and Lungs.

Mad'e ZADOC PORTER'S Balsam is prepared with all the requisite care and skill, from a combination of the best remedies the vegetable kingdom affords. Its remedial qualities are based on its power to assist the healthy and vigorous circulation of the blood thro' the lungs. It is not a violent remedy, but emollient, warming, searching and effective; can be taken by the oldest person or youngest child.

Mad'e ZADOC PORTER'S Balsam has been used by the public for over 15 years, and has acquired a national sale simply by being recommended by those who have used it, to their afflicted friends and others.

MOST EXCELLENT.—Mad'e ZADOC PORTER'S Curative Balsam is sold at a price which brings it in the reach of every one to keep it convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—Save Your Money!—Do not be persuaded to purchase articles at 25 to 75, which do not contain the virtues of a 12 cent bottle of Madame Porter's Curative Balsam, the cost of manufacturing which is as great as that of almost any other medicine; and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the consumers insist upon having Madame Porter's and none other. Ask for Madame Porter's Curative Balsam, price 12 cts., and in large bottles at 25 cts. and take no other. If you cannot get it at one store you can another.

☞ Sold by all Druggists and Store keepers at 12 cts., and in larger bottles at 25 cts.

A POSITIVE AND SPECIFIC REMEDY

FOR DISEASES OF THE

BLADDER, KIDNEYS, GRAVEL AND DROPSICAL SWELLINGS.

in one of which the patient may expire. Who can say that they are not frequently followed by these "direful diseases."

INSANITY AND CONSUMPTION.

Many are aware of the cause of their suffering, but none will confess. The records of the Insane Asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

The Constitution Once Affected with Organic Weakness,
