The Elk Advocate, published in this ressional district, gives: the following culars of a sad affair, which has caused

lerable comment in our community : WOMAN SHOT .- Mrs. Smith of Portland, county, was shot through the breast by aly Provost Marshal, Andrew M'Clane, Murday night, the 5th inst., about half So'clock, when standing on the steps in of her own door. The facts in the case tar as we have been able to gather them, as follows. Her husband, Daniel Smith, supposed to be a deserter from the 142d at, and consequently the marshal ard him on Saturday afternoon. Mr. Smith he would go along with him, but wanted have and put on a clean shirt before he id go. The marshal told him that it was ight, and while he would be doing so, he ild get his horse hitched to the buggy.-er getting the horse ready, he called for the and found him missing. He then sum-hed some two or three persons to his assistand after night went to the house to ar-Smith. The men that he called to his tance were stationed at the back part of house, as a guard, and he went to the at part, when he saw Smith and his wife ding on the steps talking. The arrange-at was made, when he left the party, that a needed assistance he would firs a pistol tignal, which he did, and the consequence that Mrs. Smith was instantly killed.

Attention, Soldiers, and Friends of Soldiers

Nitching, benefities, and privates of possifit. We call the attention of all having relations or friends is the army, to the inot that "HOUPLAND'S German Bitters" will cure sine-tenths of the dismass induced by appoares and privations incident to camp like. In the ista, published allowed faily in the newspapers, out the arrival of the side, it will be noticed that a very large proportion are suffering from debility. Furry case of isnikind can be readily cured by Hoodand's werman Bitters. Disease resulting from disorders of the dise-tive organ are speedily removed. We have no height-tion in stating that, if these Bitters were freify used among our soldiers, hundreds of lives might be mixed that otherwise will be lost. We call particular attention to the following remark-able and well autanticated cure of one of the harin's beroes, whose life, to use his own language, "has been mixed by the Bitters." Princaper.put of the fillers. Particular Attention Given to Castom Work This branch of business being under the superintend-ence of Mr OBADIAH MILLER, the public need no Arther existence that their orders will be promptly and skillfully attended to.
