CARRIED TO STATE THE STATE OF STATE OF

The Editor's Woolng.

There's Cupid's arrow in thy giance, bat, by thy love's secreton,

And asked for one insertion. With joy we feel the blis ful smart, And, ere our puston ranges,

There's music in thy lowest true. And silver in thy lengther ;

Particulars heresiter. Oh! we would tell thee of our plan All obstacles to scatter;

Then let us marry, Queen of Smith Without more besitation; The very thought doth give our blood A larger circulation.

Vicksburg a most deplorable account of the sufferings of the negroes who have

says: they could obtain in campa by working for the soldiers or in other ways gratifying them. After the departure of Pemberton's army on the 15th of July, thousands of these miserable creatures filled the vacant houses, churches, sheds and execs. Here they crowded together,

The first object that attracted my attention in the rear of the church was the the ground, with his back to a post, and his head hanging down upon his breast, and his arms resung almost powerless at his side. He evidently was very side. I value are you?" "Certainly," was the raised his head a little and asked what raised his head a little and asked what reply; "we know that the northern peons in the President, and the the people have no rights save such as he is willing to ailed him. Oh, sir," he feebly exclaimed, ple are opposed to an Abolition war, and bestow upon them. I have the di-r you no friends? I asked. 'Yes; my mo. face of the infernal Copperheads. Why, ther and sieter live in that house, there,' sit, such a narrative as I have just read pointing to a little frame building con-taining about a dozen or more inmater. d d Copperhead than the best speech taining about a dozen or more inmater. did d Copperhead than the best speech and I have come out here to be cool. I that ever Wendell Phillips made, or all passed to the front, and on the stone door-sill I found another lying with a gourd filled with water at his side. As I looked at his dirty and wasted form, I people mad and silence the Copperheads, thought his sufferings would be but short. I trust I have done something in that way He had a burning lever, and some kind myself, and I mean to do more. Tell the roused him up a little, and he told me subdue the South." The foregoing, our that he had no medicine, no bread, no. friend says, is the Philadelphian's exact arm. I asked one for the negro, which be readily gave. I had no medicine. I was apparently of a mild disposition, comturned to enter the basement, and was panionable and obliging, but on the sub-SEWING MACHINES
turned to enter the basement, and was panionable and obliging, but on the submet by a third negro, with swollen feet,
These Mashines make the lock-stitch alike on both sides, and use less than half the thread and slik that the single or double thread loop stitch Machines do; will Etian, Pell, Gather, Cord, Braid, Bind, ac., and are better and past of the sick man was served, and his fevered lips cooled. Such was my morning visit before six o'clock. All these men told me fore six o'clock. All these men told me fore six o'clock. All these men told me say and obliging, but on the sublect of the war was a perfect monomaniac. Our correspondent expresses his belief
that if the great body of the people of the free States for a moment understood all the instrumentalities that have been at work to madden them, there would be such a storm of indignation set in motion fore six o'clock. All these men told me that they had been servants of officers in as would astonish all demagogues at the the Union army, and when taken sick next appeal to the ballot-box, when those were driven away. After breakfast I set bits of paper out with another delegate to visit one of the post hospitals. As we passed along the streets we encountered on every hand negro men, women and children, gathered in little groups on the pavement TAL UNDER RADICAL RULE. in yacant lots, and in the yards that sur-round; houses already filled to overflowing with others of the same color. The tunates stared us fully in the face. I bey were mostly from beyond Jackson. many of them were longing to be back hospital. While the surgeon in charge this light: was pointing out to us the grounds and the Chronicle pays a high compliment stating his plans, we saw a poor negro to the general good conduct of the soldiers in who had crawled half way up one of the and ground the copital, evidencing at once dicine, and that they were frequently found dead in the shrubbery and fence

corners.

"About the first of August the military authorities became starmed lest a pestile lence should break out, among them and exiged to the sarmy. Percempiory orders were issued to at once remove across the siver all ingroves, of every say and sex whicher sick or well, who were not in some employment. One morning I went out, to inform a certain Living. Living the order, that one of Lbam in the Baptat chart was dead, and that and they are made to the starmy. The continuous in the same, was dead, and that and dependently in the continuous to positive present of the site, are not to be start to be start of the say, and the large proportion wholly for the purpose of removing I went to positive them across to a positive prosession of continuous to be start, when the had detailed then, really them across to a positive prosession of continuous to be positive prosession of the propose of promoting the parties of positive prosession of positive say went to be proved to positive prosession of the propose of promoting the propose of promoting the parties of positive prosession to positive prosession of positive prosession of positive prosession of positive prosession of the propose of promoting the parties of positive prosession of positive provided prosession of positive prosession of positive provided prosession of positive provided prose

FRIGHTFUL CONDITION OF THE Abolition Phi'anthropy—Sad Picture of De th and Horror.

and they came trooping to it as pigeons to their roost at night. When General care of the sick. I saw nothing but one an informate Johnston, crowds of them followed his army across the Big Black, and spread HOW ABOLITION SENTIMENT IS themselves over the country between it MANUFACTURED. The Boston Post has received a communication from a New England gentleman, indignant, pocket their contributions and who declares that he writes from a sense of duty, giving an account of the manner in which Abolition sentiment is manufacbrush, pieces of old tents, quilts and tured, that, to say the least, is curious, if whatever else would afford them any proa few miles from Nashville, Tenn. At the hotel there was a smart Yankee cor-

per with whom he became intimate-so the vacant houses, churches, sheds and eaves. Here they crowded together, sometimes: twenty or more in a single fore sending them away, and request his room, weary, weak, and sick from their judgment upon them. The writer says long march and abstinence, spiritless and he was perfectly dumbfounded by one, in which was recited a secesh outrage localised and many of them longing to be once more on old masse's plantation. On the morning of July 30, having slept the statutery date. Shooting help-less and many many in the Practice and less aid man and woman and violating the practice in the Practice and less aid man and woman and violating the practice in the Practice and less aid man and woman and violating the practice in the Practice and less aid man and woman and violating the practice. tall skeleton of a negro man sitting on sed up with devilish ingenuity to "curdle of France. the ground, with his back to a post, and the blood" of the reader. Our corres-

fathers in sight of their children, &c., formed the various topics, and were dres face of the infernal Copperheads. Why,

" Execute the freeman's ned. As lightning does the will of God."

There is probably not on the face of the earth a city of civilized people-Salt want and wretchedness of these unfor- Lake City not excepted where such an enormous amount of debauchery and rot went into a Baptist church, where a large tenness in every thread of the social fanumber nad taken quarters. I shall not brin can be found as in Washington, the attempt to describe the scene. I had be espital of the United States, at the pre-fore me as filthy and pitiable a group of sent time. It is rendered this sink of fore me as filthy and pitiable a group of sent time. It is rendered this sink of suffering humanity as was ever gathered corruption by the hordes of political pautogether. I learned from themselves that pen and pampered favorites of the radi cal school who are continually swarming They were mostly plantation negroes, and there, and not by the soldiers, as is some times stated. The correspondent of the to their old homes. We passed on to the New York Independent pictures affairs in

and around the capital, evidencing at once terraces which surround the building, the existence of wholesome discipline and was apparently dying. The doctor in the army, and of wholesome character remarks that he would die there; that in the general mass of the soldiery. It in the general mass of the soldiery. It he had crawled up there to get some meeful credit is not due to the civilians of the National metropolis. The Republican presents ent of Police in Washington for the quar

PERSECUTION OF THE PERSECUTION O Some time ago a movement was set on foot, without the knowledge of the McClellan or any one ontside of the field.

to raise in the army of the Posts which still idelizes its old Wommande fund with which to procure some festi hial of the soldiers' esteem, for presenta-tion to him. It was sauctioned and the subscription headed by Gen, Meade, and the whole army, except a few malignants, were joining in the work of love, when. an informer reported to Stanton, Hallock & Co. what was going on and forthwith an order was issued putting a stop to the proceeding. A special to the Herald throws a little further light on the subject: prostrated, but was at work again when I left Vickburg, Aug. 21. Capt. appointed a chaplain to take charge of

THE PRIPOSED TESTINONIAL TO GENERAL M'CLELLAN.

those who had been removed from the city, in place of the man who was first Considerable amusement, not unmingappointed. He entered upon his labors. led with contempt, has been excited in but was soon prostrated with disease, and was conveyed across the river in a skill, the army by the efforts on the part of cer-tain officers, unknown outside of their own brigades, to thrust themselves before whence he made his way to a house adjoining that of the United States Christian Commission. Here he was found ing their connection with the attempt to alone and very sick. He was invited to raise funds for a testimonial to Gen. Moour house, where he was still remaining Clellan. Had their flimsy ruse for gaining when I left the city. The chaplain told an ephemeral notoriety been less presump me that these negroes had suffered and tuous, it would have excited very little were still suffering untold want and attention; but, affecting to represent the wretchedness; that nearly four hundred sentiments of a majority of the troops. bad died since he had taken charge of the individuals have not only rendered them; that from fitteen to twenty die themselves ridiculous, but have entirely da ly. Sometimes they would crawl off misrepresented the spirit of the army. into the weeds and die, where their The first proposal to present a testimoni-bodies would be found only by the stench al to Gen. Mc Hellan met with unexpected which arose from their decay. That there approbation, and corps and division communders, without exception, favored the was no white man with them but a nephew of his; that rations were furni h d project, many of them heading the lists them by the Government, but sometimes with munificent sums. All contributions he had difficulty in getting them over the were to be voluntary, and it was found necessary to limit the amount given by privates, lest more money should be raused river; that once they were five days without receiving any food, and the negroes in their despair threatened to kill him, their despair threatened to kill him, thinking the fault was his. He also stated that they had no tents or shelter except brush, to shield them from the sun, or storm, or dews of night. Capt.

Every member of Gen. Meade's staff, except one, contributed, the General him-

- stated to me that there were in self setting the example, and when the The Rev. Wm. D. Butler, an agent of this camp 2,000; at Young's Point, 8.551; order was received from Washington to the Christian Commission, sends from on Papaw Island, where he purposed discontinue the collection, and refund the Vicksburg a most deplorable account of gathering most of them. 2800; and on money, the astonishment of the officers the sufferings of the negroes who have black's plantation, on the Yazoo, 2400—and men was only equaled by their characteristics. been induced to abandon the plantations in all over 16,000. One morning I went grin, nearly every officer of note in the army among the wretched masses where they having been permitted to receive terminals—were harded to the bank of the river pre- The roops were at a loss to account for paratory to being sent across. I tried in this unexpected proceeding, until the mavain to find some women who were able lignity which prompted the measure was to work, as we wished their labor at our betrayed in the treatment of officers who house. All were either sick or taking interested themselves in the movement. Col Davis. Assistant Inspector General on the staff of Gen Meade, a classimate and intimate frond of Gen. McClellan, who wook the subscription list around among the officers at headquarters, has been reduced to the rank of Major, and ordoed to Santa Fo. Other officers are under the ban, while the troops, mortified and

wait for a more convenient season. who declares that he writes from a sense of duty, giving an account of the manner in which Abolition sentiment is manufactured, that, to say the least, is curious, if true, and we see no reason to doubt its John Porter was sacrificed by a packed verscity. The writer says, in substance, court of officers most of whom had disthat in June last he was in a small village graced themselves in the field. Franklin was deprived of his command and finally the hotel there was a smart Yankee core sent off to Texas. And so on we might respondent of a radical Philadelphia par continue the list of McClellan's friends who have suffered and are suffering permuch so, that the correspondent used to secution because they would not turn

> REPUBLICANS ARE MONARCHISTS:-As an evidence that the Republicans are in favor of a monarchy, it is only necessary to re-

1. They strike at the very root of huthe morning of July 50, nawing slept the less old men and women, and violating man liberty by denying the citizen the less old men and women, and violating man liberty by denying the citizen the less of union men, hanging the privilege of the writ of habeas corpus. 2. They introduced the conscription act, the offspring of the bloody Jacobins

3. They have inaugurated a censorship

J. They pardon mobs, and justify in tearing down papers and riding men

on rails for their opinions. 6. They are proscriptive in religion, as in the case of Know Nothingism.

-Mr. M., of a certain town in Vermont, is not distinguished for liberality. either of purse or opinion. His ruling passion is a negro had brought him the water. I truth, sir! Why we must do anything to fear or being cheated. The loss, whether real of fancied, of a few cents, would give him more pain than the destruction of thing to eat. A soldier happened to pass language, and he reports it to show what an entire navy. He once bought a large just then with some biscuit under his an infernal spirit actuates the radical cake of tallow at a country store, at tencents a pound. On breaking it to pieces, at home it was found to contain a large cavity. This he considered a terrible disclosure of cupidity and fraud. He drove furiously back to the store, entering in great excitement, bearing the tallow. and exclaiming, 'Here you rascal, you have cheated me! Do you call that an honest cake of tallow? It is hollow, and there ain't near so much as there appeared to be. I want you to make it right.' 'Certainly, certainly,' replied the merchant, 'I'il make it right. I didn't know the cake was hollow. Let me see, you paid to cents per pound. Now Mr. M.,

> weigh?" THE RESULTS OF ABOLITION PATRIOTISM. -The V.cksburg correspondent of the Chicago Times writes:

> how much do you suppose the hole will

"Among the negroes mortality is on, the increase. Whole regiments and camps are being decimated. They die by dozens, cores and hundreds. They literally perish as beasts of the field, with little more attention or sympathy bestowed upon them before or after death. The deaths in Colonel Gilchrist's regiment veraged twenty-lour per day for some is will not number over three hundred to-may, and still disease and death hold high carnival in its repulsive products. Other colored regiments and amp- are in equally oad condition. Wherever the negroes assemble in comp, pestileton marks them for her own. Their destiny is being farfully accomplished." That is the product, the net result, of Abolimonista Thermulosophy and kin lness of the Abolitionists is the Breatest crucity the world ever saw.
