Rev. J. Newton, Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I know of sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for a thorough trial of their virtues, when suffering great and dangerous debility. The use of a few bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and continuance to a degree of health and strength that I scarcely dared to hope for after so long a period of debility. I am now in the habitual use of them.

PHILADA., June 23, 1851. J. NEWTON BROWN.

PARTICULAR NOTICE.

These well known preparations are under the personal supervision of DR. C. M. JACKSON, and the Bitters, and the Tonic Extract, are compounded in such a manner as to retain all the curative properties of the medicines employed, which has rendered them the most popular remedies of the day. Their sale throughout the United States, Canada, and the West Indies, is unprecedented in the history of medicine, and their reputation is still increasing. Physicians use them in their practice and in their families, in preference to any other medicines, and clergymen recommend them, because they know them to be safe and reliable in all cases of debility, arising from indiscretion or exposure, and that they are the best remedies that can be used in all cases where a tonic is required.

There is a large class of men who require a stimulant, at times, to brace up the nervous system, and there is no doubt that the desire for Liquor is created and kept up, and the result is all the horrors attendant upon drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt: Get *One Bottle Hoofland's German Bitters* and mix with *Three Quarts of Good, Pure Whiskey*, and it will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of *Hoofland's Bitters* in connection with a good article of Liquor, at a much less price than these intemperate preparations will cost you.

Attention, Soldiers, and Friends of Soldiers.

We call the attention of all having relatives or friends in the army, to the fact that HOOFLAND'S GERMAN BITTERS will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the Mails, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that if these Bitters were freely used amongst our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters."

PHILADELPHIA, August 23d, 1851.

Messrs. Jones & Evans—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. If it is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the *circumstances of my case*. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayres. Through the exposure attendant upon my address during the war, I was attacked in November with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been so low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I *did* force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life cold on what under these circumstances, and according to the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me that they could do no more for me and advised me to see a clergyman, and to make such disposition of my limited affairs as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbrom, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it, getting better. Though I have taken but two bottles, a bone gained ten pounds, and I feel sanguine of being permitted to rejoin my family and friends. I have spread the matter among the soldiers, for gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again *clasping to my bosom* those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health:

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 8th June, 1850.

J. C. AYER & Co: Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward, and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. C., 12th Sept., 1850, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration* of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous cancrine tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physicians thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1850.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1850:

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FRIEND.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agent below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow

IMPOTENCY, FATUITY, EPILEPTIC FITS,

In one of which the patient may expire. Who can say that they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION.

Many are aware of the cause of their suffering, but none will confess. The records of the Insane Asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

The Constitution Once Affected with Organic Weakness,

Requires the aid of medicine to strengthen and invigorate the system, *HELMBOLD'S EXTRACT BUCHU* invariably does. A trial will convince the most skeptical.

NO FAMILY SHOULD BE WITHOUT IT.

WHO HAVE BEEN THE VICTIMS OF

QUACKS!
