PARTICULAR NOTICE.

There are many preparations sold under the name of illiters, put up in quark bottles, compounded of the heatpest whisky or common run, coating from 20 to 40 mass per gallen, the taste diagnised by Anise or Coranler Seed.

This class of Bitters has caused and will continue to:

This class of Bitters has caused and will continue to cause, so long as they can be sold, hundreds to die the bath of the drunkard. By their use the system is kept continually under the inducence of Alcoholic Stimulants of the worst kind, the desire for Liquer is created and sept up, and the result is all the horrors attendant upon drunkard's life and death.

For those who desire and will have a biquer Bitters, we publish the following receipt: 'tet One Bettle Hoofield Brandy or Waiskey, and the result wit be a properation that will far excel in medicinal ricture and the masket, and will cost much less. You, will have all the masket, and will cost much less. You, will have all the masket, and will cost much less. You will have all the witness of Heesfand's Bitters in connection with a good article of liquer, at a much less price than these interior preparations will cost you.

They are peculiarly adapted, as they tring on the monthly period with such perfect regularity.

Attention, Soldiers, and Friends of Soldiers.

We call the attention of all having relations or friends in the army, to the fact that "HO FLAND'S German "litters" will cure nine-tenths of the diseases induced by "mosaires and privations incident to camp sile. In the first, published almost daily in the neargapers, on the crival of the sick, it will be noticed that a very large resportion are suffering from deblity. Every case of the kind can be readily cured by Hoofland's terman fibrers. Diseases resulting from shorders of the digentiate of the side of the stating that, if these Bitters were freely used unong our soldiers, hundreds of lives might be savid as teherwise will be lost.

We shall particular attention to the following remarks whose life, to use his own language, "has be ensayed by the Bitters:"
