to any establishment outside of the largest cities.

PARTY. -By request of his patrons and friends, Prof. Delano will give a party at Farrar Hall, on Friday evening the 11th inst. attendance. Prof. Delano's entertainments are always so successful that it is useless to secure a large attendance.

A SIMPLE RULE .- To ascertain the length of the day or night at any time of the year, says a cotemporary, double the time of the sun's rising, which gives the length of the night in hours and minutes. In like manner, by will have the length of the day. This is a few people are aware

the aggregate the county will rather have an will suffer greatly. We have not learned overplus than a deficiency. Col. Campbell whether there was any insurance on the buildhas received the following instructions on the ings. subject of crediting "veterans;"

that the numbers of credits for Veteran Volunteers re-enlisted in the field and men enlisted in he regular army, have not been annced from the War Department at Washington, and at the same time instructed that they are not authorized to establish credits for shy other men than those they mustered into the service themselves; nor to deduct any credits from the quotes of any localities without having received the numbers to be deducted from or through this office."

Beave Men. - The great curse of the day is the obsequiousness—the disposition to toady class of men who lived in the past-men who on this subject? maintained their principles though all the devotion to cause or country. In the words [possible. of the poet-

-A time like this demands | [hands : Strong minds, great heart, true faith and ready den whom the lust of office does-not kill; then whom the spoils of office cannot buy; ru who possess opinion and a will Men who have honor and who will not lie;

Men who can stand before a demagogue And damp his treach'rous flatteries withou Tall men, sun-crowned, who live above the fog In public duty and in private thinking: For while the rabble, with their thumb

Their large professions and their little deeds.

PREPARATIONS FOR THE DRAFT .- The following order from the Provost Marshal Gen. eral has been received by the Boards of En-

WAR DEPARTMENT, PROVOST MARSHAL GEN. MAL'S OFFICE, WASHINGTON, Feb. 25, 1864.-Circular No. 7-" I. Boards of Enrollment will at once commence to prepare dards for drafted men enrolled, including the second class. The cards will be uniform in shape, eize and color, with those of the first class, the lists, either of class 1 or 2, under the prothose who were drafted and held to service orcommutation, or furnished a substitute under the preliminary part of the draft in broken broad guage route. - Journal.

"The names of those known to be actually in service at the date of the receipt of the order for the draft will also be left out of the box or wheel. The names of all other persons enrolled will be put in the draft box. "JAMES B. FRY, Provost Marshal Gen."

leader of the Rock Island clique, says affairs are rapidly approaching the condition that following anecdote:

"In that year, during the real estate mania, a member of the Legislature from Buffalo was at Congress Hall, in Albany, and inquired of Crittenden, the proprietor, respecting a gen-tleman with whom he had been conversing. Crittenden replied : . Why, that is one of our rich men; he is worth \$100,000. The mem. ber smiled and said: 'A rich man, and worth only \$100,000! why, we send them to the almahouse in Buffalo We have been told an incident of the great

speculative fever in this city about the same period. -A Philadelphian was explaining to a resident of Eric on a visit to that city, about some lots that he had purchased in this place, expecting to make a "big thing" out of them. "Here they are," said he, taking out a plan of Eric city, "here they are; J only paid a thousand dollars a piece for them, and they are but a mile north of the public square." "A mile north of the public square," respondeil the Erian-" mile North of the public square, did you say ? "Yes, a mile-only a mile, isu't it a splendid speck; in two or three years, the city will be built up clear beyond them, and then I can treble my money. Nice affair, aiu't it?" "Well, I should think it were "nice affair," was the reply ;-"why, man, those lote are half way in the Bay, and buried under twenty feet of water. You've been sold; most magnificently sold!" "The duece-you say !" was the autonished up his cont collar, and was out in the street. The next day no advertisement appeared in the daily papers announcing "a rate chaque for a speculation"---valuable lots in the promising city for Erie," indestined to be the most important place in the Lakes," cre; etc.,

A colemporary says that corn starch to an excellent aubstitute for eggs for culinary purposes, one spoonful of corn starch being reckoned equal to a single egg.

### TERRIBLY DESTRUCTIVE FIRET

Aftre broke out about 4 o'elock this (Frilay) morning, in the rear portion of the the whole structure would be destroyed. Ac.

erally with success. The liesd flouse was occupied by Griswold, who is one of the heaviest losers. \$10,000. The lat story was rented by bani. pharehithren times a day. ness men, most of whom were insured, in A special election has been ordered in whole or part. Their goods, &c., were nearly Mili Creek, to decide upon the question of a cupants of the lat story: Wm. P. Hayes & Co., First National Bank, Dr. L. Strong, Joseph Justice, Booth & Co., A. M. | Guild, McCon ? key & Shannon, M. W. Mehl. Most of these parties were prominent business firms, and the best locations in the State for a practical that line that may be entrusted to us, in equal style the loss to the trade and prosperity of the printer. city, over and above immediate losses, will be

In the confusion attendant upon affairs at the period of our writing, (Friday morning) it is difficult to ascertain the precise loss. We The Buffalo Union Quadrille Band will be in do not think that it will be below \$75.000. During the progress of the fire at the Reed-House, the wind blew quite strong, and drove do anything more than announce one, to the sparks in heavy clouds in a North-Easter-French street caught on the roof, and was draft. soon destroyed. Another large brick building at the corner of French and Fourth streets, occupied by Dennis Fogarty and M. McMahon caught in the same way, and burned to the doubling the time of the sun's setting, you ground. It was feared for a while that the fire would sweep a broad streak direct through simple method, but one, perhaps, of which the city from the Reed House to the Lake, but the vigorous exertions of the people in that locality saved us from that calamity. The OUR QUOTA. -In a letter to the editor of the magnificent block known as Wayne Hall, was Gazette, dated February 29th, Provost Mar- in great danger for a while, together with the shal Campbell announces that Erie county only | buildings adjoining. The house at the corner lacked at that time fifty men of filling the of French and Fourth streets belonged to the quota. He says the "veterans" of the 83d Hamot estate; the other, we believe to the and 111th regiments will be promptly credi- Colt estate. The people living in these houses ted before a draft takes place, and thinks in were all poor, and we fear that some of them

A portion of the wall of the Reed House fell at Provost Marshals are hereby informed half past seven o'clock with a loud crash. The East wall filled French street with brick and rubbish, and striking the front of Jas. S., Sterrett's store, smashed it in, and knocked the contents of the store into an indescribable narrowly escaped damage. A large crowd of people were present at the time, but none were injured.

The old story has to be repeated again. Had we possessed an efficient fire department. the fire could have been extinguished almost everywhere in the country How soldom at the start, and the city been saved this to power and popularity -- which prevails frightful blow to its prosperity. When will
