HOOFLAND'S GERMAN BITTERS.

From J. Newton Brown, D. D., Editor of the Encyclopædia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. *Jackson, of* this city, because I was prejudiced against them *for many years*, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper means, and *for obtaining* my consent to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily health and vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILAD'A, June 23, 1861. J. NEWTON BROWN.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander seed.

This class of Bitters has caused and *will continue to* cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for *Liquor is created* and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and *will have* a Liquor Bitters, we publish the following receipt: Get *One Bottle Hoofland's German Bitters* and mix with *Three Quarts of Good Brandy or Whiskey*, and the result will be a preparation that will *far excel* in medicinal virtues and true excellence any of the numerous Liquor Bitters in the *market, and will cost much less.* You will have all the virtues of *Hoofland's Bitters* in connection with a *good* article of Liquor, at a much less price than these inferior preparations will cost you.

Attention, Soldiers, and Friends of Soldiers.

We call the attention of all having relations or friends in the army, to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the *arrival of the sick*, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. *We have no* hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved *that otherwise* will be lost.

We call particular attention to the following remarkable and well authenticated *case of one* of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters:"

PHILADELPHIA, August 23d, 1863.

Messrs. Jones & Evans.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of *my* case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate com and of Captain R. B. Ayres. Through the expo- re attendant upon my arduous duties, I was attacked n November last with inflammation of the lungs, and was gi- seventy-two days in the hospital. This was fol- lowe- by great debility, heightened by an attack of dys- enter-. I was then removed from the White House, and sent o this city on board the Steamer "State of Maine," from which I landed on the 26th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did it was soon thrown up- by forc- a morsel down, it was immediately thrown up- by force. I could not even keep a glass of water on- my stomach again. Life could not last under these circumstances, and accordingly the physicians who had charge- ; and accordingly, though unassumingly, did their best working faithfully, though unassumingly, did their best working faithfully, under the dread Anathema, "no hope." Seeing me from this could do me no re- for me- , frankly told me that they was , and to make- and advised me to see a clergyman, and attended me- disposition of my limited funds th- hospital, M- An acquaintance who visited me at A- York Square, Frederick Steinbron, of Sixth below Spruce- advised me, as a forlorn hope, to try your Bitters- and kindly procured a bottle. From the time I commenced taking these the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel confident of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health:

The N. Y. Journal of Commerce.

We congratulate our readers on the measure of success which has attended our labors, in common with all other advocates of conservative principles. We invite the aid of every reader in the dissemination of the old, sound doctrines taught by Washington, followed by the great and good men who have made our nation illustrious, on which they built, and we must preserve strong, the pillars of the

UNION AND CONSTITUTION.

We advocate no new doctrines in religion, politics or social life. We are known as the earnest defenders of the faith of our fathers and the upholders of

CHRISTIANITY AND CHRISTIAN CIVILIZATION,

against every form of attack. We support THE GOVERNMENT OF THE UNITED STATES AND THE RIGHTS AND SOVEREIGNTY OF THE PEOPLE OF THE SEVERAL STATES, recognizing in these two sources of strength the origin of our greatness as a people, and the only pledge of our perpetual unity, power and prosperity. We belong to no political party, and owe no allegiance to any faction. We have opposed and shall continue to oppose ABOLITIONISM as the element of discord, the enemy of Union, the avowed foe of the Constitution, exerting a malign influence in society, in the church and in the state. We oppose SECESSIONISM as a political heresy whose bloody fruits are visible all around us, and we look earnestly for a day when the Constitution shall triumph over the hearts as well as the raised hands of all its foes, North and South.

LADIES AND GENTLEMEN!

BEFORE PURCHASING

Piano Fortes

AND

MELODEONS!

Elsewhere, please examine my assortment of Instruments. They are warranted fully to stand any climate, and are of a tone and workmanship equal to any offered anywhere. I beg you reflect on the fact that the objections raised lately against my establishment by certain envious teachers of this city, are caused only by my refusal to pay them (Professors?) an

ENORMOUS COMMISSION!

Which will her after benefit those who buy of me to the amount of from 15 to 25 per cent., for I would rather allow the same to the buyer than to the meddler who benefits no one but *one himself.*

I am a Union man, straight and forward, and hate crooked things and idlers.

I must not take the profits out of my friends' pockets, or defraud the Government out of it, or cheat myself and family into the Poor House for the sake of satisfying the hungry music teachers through whose whimpering my Pianos will not go better, if they are not good, nor bad, if they are *good.*

I will pay to any man, woman or child, the amount received on a Piano with my name on it, if they are not pleased with it, and I will pay a *Thousand Dollars* to any one who will show me *one on* which the Frame is broke, like so many New York and Buffalo Pianos have done in this city and county. Let the people tell where my poor Pianos are—not the teachers—especially those with Southern *sentiments*; let such go where they belong. *My Pianos are warranted* to be supplied *with*, all late good improvements, and must give satisfaction or no pay.

Eastern Pianos of all makes can be had of me as well and cheap as any other man.

Parties ready to purchase anything in the music line, will please remember that I am dealing largely in Musical Merchandise generally, and can offer inducements rarely excelled by any *Short-Stay* dealer.

Pianos warranted by me can be relied upon, I being Manufacturer, Tuner, Player and Musician, as well as Teacher. My warrant is good, because I am good for the amount. My opinion in many cases has been a benefit to those who purchased Pianos, and some who did not believe me at *first* found the truth after a while by their loss.

A Piano Forte made elsewhere is no better for that reason, but all Pianos are good which are made right, the good are good and the bad—bad. Eastern Pianos are furnished by me, as above said, at Manufacturers' prices. My stock on hand consists of a very choice selection, and is larger than any ever offered for sale here.

PIANOS TO LET.

THE BEST AND CHEAPEST HOUSEHOLD REMEDY IN THE WORLD!

MADAME ZADOC PORTER'S

GREAT COUGH REMEDY!

Madame ZADOC PORTER'S Curative Balsam is warranted if used according to the directions, to cure in all cases, Coughs, Colds, Whooping Cough, Asthma, and all affections of the Throat and Lungs.

Mad'e ZADOC PORTER'S Balsam is prepared with all the requisite care and skill, from a combination of the best remedies the vegetable kingdom affords. Its medicinal qualities are based on its power to assist the healthy and vigorous circulation of the blood thro' the lungs. It is not a violent remedy, but emollient, warming, nourishing and effective; can be taken by the oldest person or youngest child.

Mad'e ZADOC PORTER'S Balsam has been used by the public for over 15 years, and has received its present sale simply by being recommended by those who have used it, to their afflicted friends and others.

MOST IMPORTANT.—Mad'e ZADOC PORTER'S Curative Balsam is sold at a price which brings it in the reach of every one to keep it convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—Save Your Money!—Do not be persuaded to purchase articles at 25 to 50, which do not contain the virtues of a 13 cent bottle of Madame Porter's Curative Balsam, the cost of manufacturing which is so great as that of almost any other medicine; and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes palm off articles manufactured on which their profits are larger, unless the customer insist upon having Madame Porter's and none other. Ask for Madame Porter's Curative Balsam, price 13 cts., and in large bottles at 25 cts., and take no other. If you cannot get it at one store you can another.

☞ Sold by all Druggists and Store keepers at 13 cts., and in larger bottles at 25 cts.
