DR. WEBSTER,

OF BUFFALO, N. Y.,

HAS LOCATED IN ERIE, PA., IN Rosenzweig's Block, above Merrill's Store—entrance on South side next the Park—where he is prepared to treat successfully by

Inhalation of Oxygenized Air,

ALL DISEASES OF THE HUMAN SYSTEM.

The Oxygen is breathed directly into the Lungs, and through them carried into the blood, expelling all impurities from the system, and healing any and every disease with which it may come in contact. The cause of Coughs, Colds and Consumption, is a lack of oxygen in the air we breathe. By the inhalation of oxygenized air, the blood becomes oxygenized and purified, and disease disappears like dew before the sun.

A few administrations of the oxygen will cure any of the following diseases: Dyspepsia Neuralgia, Rheumatism, Palpitation, Paralysis, Epilepsy, Eruptions, Consumption, Asthma, Bronchitis, Scrofula, Liver Complaint, Nervousness, from whatever cause, Difficult Breathing, Cancers, Salt Rheum, Erysipelas, Mercurial Diseases, Kidney Complaints, Syphilis, Female Weaknesses of all kinds, and in fact, all diseases requiring a purification of the blood.

We trust we have said enough to convince the philosophical mind of the efficacy of the oxygenized air as a remedial agent, and to induce the afflicted to place themselves at once under its treatment.

CONSULTATION FREE.

Mercury VISIBLY drawn from the system.

Volunteer testimonials from prominent citizens of New York and Brooklyn, who have been cured by this treatment, can be seen at his rooms.

HOOFLAND'S GERMAN BITTERS.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILAD'A, JUNE 23, 1861. J. NEWTON BROWN.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the results all the horrors attendant upon drunkard's life and death.

For those who desire and *will have* a Liquor Bitters, we publish the following receipt: Get *One Bottle Hoofland's German Bitters* and mix with *Three Quarts of Good Brandy or Whiskey*, and the result will be a preparation that will *far excel* in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost *much less*. You will have all the virtues of *Hoofland's Bitters* in connection with a *good* article of Liquor, at a much less price than these inferior preparations will cost you.

Attention, Soldiers, and Friends of Soldiers.

We call the attention of all having relations or friends in the army, to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters:"

PHILADELPHIA, August 23d, 1863.

Messrs. Jones & Evans.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I *did* force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and accordingly the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me that they could do no more for me and advised me to see a clergyman, and to make such disposition of my limited funds as I desired. An acquaintance who visited me at the Hospital, Mr. Frederick Stedhron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health:

LADIES AND GENTLEMEN!

BEFORE PURCHASING

Piano Fortes

AND

MELODEONS!

Elsewhere, please examine my assortment of Instruments. They are warranted fully to stand any climate, and are of a tone and workmanship equal to any offered anywhere. I beg you reflect on the fact that the objections raised lately against my establishment by certain music teachers of this city, are caused only by my refusal to pay *them* (Professors!) an

ENORMOUS COMMISSION!

Which will hereafter benefit those who buy of me to the amount of from 15 to 25 per cent., for I would rather allow the same to the buyer than to the meddler who benefits no one but *his* himself.

I am a Union man, straight and forward, and hate crooked things and idlers.

I need not take the profits out of my friend's pockets, or defraud the Government out of it, or cheat myself and family into the Poor House for the sake of satisfying the hungry music teachers through whose whimpering my Pianos will not go better, if they are not good, nor bad, if they are good.

I will pay to any man, woman or child, the amount received for a Piano with my name on it, if they are not pleased with it, and I will pay a *Thousand Dollars* to any one who will show me one on which the Frame is broke, like so many New York and Buffalo Pianos have done in this city and county. Let the people tell where my poor Pianos are—not the teachers—especially those with Southern sentiments; let such go where they belong. My Pianos are warranted to be supplied with all late good improvements, and must give satisfaction or no pay.

Eastern Pianos of all makes can be had of me as well and cheap as any other man.

Parties ready to purchase anything in the music line, will please remember that I am dealing largely in Musical Merchandize generally, and can offer inducements rarely excelled by any *Short-Stop* dealer.

Pianos warranted by me can be relied upon. I being Manufacturer, Tuner, Player and Musician, as well as Teacher. My warrant is good, because I am good for the amount. My opinion in many cases has been a benefit to those who purchased Pianos, and some who did not be like me at first found the truth after a while by their loss.

A Piano Forte made elsewhere is no better for that reason, but all Pianos are good which are made right, the good are good and the bad—bad. Eastern Pianos are furnished by me, as above said, at Manufacturers' prices. My stock on hand consists of a very choice selection, and is larger than any ever offered for sale here.

THE BEST AND CHEAPEST HOUSEHOLD REMEDY IN THE WORLD!

MADAME ZADOC PORTER'S GREAT COUGH REMEDY!

Madame ZADOC PORTER'S Curative Balsam is warranted if used according to the directions, to cure in all cases, Coughs, Colds, Whooping Cough, Asthma, and all affections of the Throat and Lungs.

Mad'e ZADOC PORTER'S Balsam is prepared with all the requisite care and skill, and is a combination of the best remedies the vegetable kingdom affords. Its remedial qualities are based on a power to assist the healthy and vigorous circulation of the blood thro' the lungs. It is not a violent remedy, but emollient,—calming, searching and effective; can be taken by the oldest person or youngest child.

Mad'e ZADOC PORTER'S Balsam has been used by the public for over 18 years, and has acquired its present sale simply by being recommended by those who have used it, to their afflicted friends and others.

Mad'e ZADOC PORTER'S Curative Balsam is sold at a price which brings it in the reach of every one to keep it convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—Save Your Money!—Do not be persuaded to purchase articles at 25 cts. for $1, which do not contain the virtues of the genuine bottle of Madame Porter's Curative Balsam, by the use of manufacturing which is as great as the use of any other medicine; and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customers insist upon having Madame Porter's and none other. Ask for Madame Porter's Curative Balsam, price 13 cts., and in large bottles at 25 cts., and none other. If you cannot get it at one store you can another.

☞ Sold by all Druggists and Store keepers at 13 cts., and in larger bottles at 25 cts.
