☞ P. S.—Every Instrument warranted for five years. may7'63-1y.

LADIES AND GENTLEMEN!

BEFORE PURCHASING

AND

MELODEONS!

Elsewhere, please examine my assortment of Instruments. They are warranted fully to stand any climate, and are of a tone and workmanship equal to any offered anywhere. I beg you reflect on the fact that the objections raised lately against my establishment by certain music teachers of this city, are caused only by my refusal to pay them (Professors?) an

ENORMOUS COMMISSION!

Which will hereafter benefit those who buy of me to the amount of from 15 to 25 per cent., *for* I would rather allow the same to the buyer than to the meddler who benefits no one besides himself.

I am a Union man straight and forward, and hate crooked things and Idlers.

I must not take the profits out of my friends pockets, or defraud the Government out of it, or cheat myself and family into the Poor House for the sake of satisfying the hungry music teachers through whose whimpering my Pianos will not go better, if they are not good, nor bad, if they are good.

I will pay any man, woman or child, the amount received for a Piano with *my name on it, if they* are not pleased with it, and I will pay a *Thousand Dollars* to any one who will show me one on which the Frame is broke, like so many New York and Buffalo Pianos have done in this city and county. Let the people tell where my poor Pianos are—not the teachers—especially those with Southern sentiments; let such go where they belong. My Pianos are warranted to be supplied with all late good improvements, and must give satisfaction or no pay.

Eastern Pianos of all makes can be had of me as well and cheap as any other man.

Parties ready to purchase anything in the music line, will please remember that I am dealing largely in Musical Merchandize generally, and can offer inducements rarely excelled by any *Short-Stay* dealer.

Pianos warranted by me can be relied upon, I being Manufacturer, Tuner, Player and Musician, as well as Teacher. My warrant is good, because I am good for the amount. My opinion in many cases has been a benefit to those who purchased Pianos, and some who did not believe me at first found the truth after a while by their loss.

A Piano Forte made elsewhere is no better for that reason, but all Pianos are good which are made right, the good are good and the bad—bad. Eastern Pianos are furnished by me, as above said, at Manufacturers' prices. My stock on hand consists of a very choice selection, and is larger than any ever offered for sale here.
