IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the vital Principle or Life Element of the Blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of Iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupify the brain, will obstruct the liver, and will send its diseased depraving elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of IRON AS A MEDICINE is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will excite the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

THE PERUVIAN SYRUP is a PROTECTED solution of the PROTOXIDE OF IRON. A NEW DISCOVERY IN MEDICINE that strikes at the Root of *Disease* by supplying the blood with its vital Principle or Life Element—Iron.

THE PERUVIAN SYRUP Cures Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.

THE PERUVIAN SYRUP Infuses strength, vigor and new life into the system, and builds up an "Iron Constitution."

THE PERUVIAN SYRUP Cures Nervous Affections, Female Complaints, and diseases of the Kidneys and Bladder.

THE PERUVIAN SYRUP Is a SPECIFIC for all diseases originating in a BAD STATE OF THE BLOOD, accompanied by Debility or a low State of the System.

Being free from Alcohol in any form, *its energizing effects are not followed by corresponding reaction*, but are permanent, infusing STRENGTH, VIGOR and NEW LIFE into all parts of the system, and building up an IRON CONSTITUTION!

It is an excellent substitute for Wine or Brandy where a stimulant is needed.

One trial of the restorative power of Iron as a medicine in its *magnetic action and the electricity developed thereby*.

To take medicines to cure diseases occasioned by a deficiency of IRON IN THE BLOOD, without restoring it to the system, is like trying to repair a building when the foundation is gone.

Pamphlets containing certificates of cures and recommendations from some of the most eminent Physicians, Clergymen and others, will be sent FREE to any address.

We select a few of the names to show the character of the testimony:

JOHN E. WILLIAMS, Esq., President of the Metropolitan Bank, N. Y., Rev. ADEL SEEVENS, late editor *Christian Advocate & Journal*, Rev. P. CHURCH, *editor* New York *Chronicle*, Rev. John Pierpont, Rev. Warren Burton, Rev. Arthur B. Fuller, Rev. Carlton Robbins, Rev. Sylvanus Cobb, Rev. Peter King, Rev. Ephraim Nute, Jr., Rev. Joseph H. Clinch, Rev. Henry Adams, Rev. P. C. Headley, Rev. John W. Olmsted, Lewis Johnson, M. D., Roswell Kinney M. D., S. C. Kendall, M. D., W. R. Chilcott, M. D. Francis Dana, M. D., Jeremiah Rhone, M. D. José Antonio Sanchez, M. D., A. A. Hayes, M. D., Abraham Wendell, M. D., J. R. Clinton, M. D., H. E. Lindsey, M. D.

There may be but one stronger proof than the testimony of such men as these and that is a PERSONAL TRIAL. It has cured thousands where other remedies have failed to give relief, and incredible cannot reasonably be said to grow it a trial.

FOR ST. PATRICK, DEBILITY and FEMALE WEAKNESSES it is a specific.

CONFIDENTIAL MEDICAL ADVICE.

Syphilis, Seminal Weakness and the Secret Infirmities of Youth and Maturity.

DRS. W. & H. LAMERT,

Office on the first floor in the Atwater Building, foot of Superior Street, Cleveland, Ohio.

THE SECRET FRIEND.

A Report on the Nature, Treatment and Cure of Nervous and Physical Debility, Exhaustion, Spermatorrhœa and all Urinary and Diseases of the Nervous system, and other diseases incidental to both sexes, producing degeneracy of both mental and physical strength terminating in total debility and incapacity; showing why these diseases have appeared incurable, when in reality they can be effectually removed by the most simple means.

A NOT SCIENTIFIC INVENTION.

An instrument for the cure of *General Debility or Nocturnal Emissions*, more properly known as *Seminal Weakness*, &c. Can be permanently cured in from 15 days to *two months* by the use of this instrument when used according with medicines.

YOUNG MEN TAKE PARTICULAR NOTICE.

Drs. W. & H. Lamert take pleasure in announcing that they have invented a most important instrument for the cure of the above diseases. It has been subjected to a test by the most eminent physicians in London, Paris, Philadelphia and New York. It has been declared the only useful instrument ever invented for the cure of Seminal Weakness, or any disease of the genital organs, caused by the secret habits of youth.

Drs. W. & H. Lamert, in order to satisfy the most sceptical as to the merits of their instrument, pledge themselves to test it in any instance where it may prove unsatisfactory, after a fair trial, the money will be refunded by returning the instrument in good order. Price of Instrument and medicines $20.

NEW REMEDIES AND QUICK CURES.

For the Venereal Diseases and all Private Complaints—gleets strictures, seminal weakness, pains in the joints, affections of the kidneys, diseases of the head, throat, nose and skin, and all those dreadful affections arising from a secret habit of youth, which produces constitutional debility, renders marriage impossible, and in the end destroys both body and mind. The treatment they adopt is the result of upwards of thirty years extensive and successful practice in Europe and America.

COUNTRY INVALIDS.

Persons in any part of the world may be successfully treated by forwarding a correct detail of their case, with a remittance for medicines, &c.

LADIES AND GENTLEMEN!

BEFORE PURCHASING

Piano Fortes

AND

MELODEONS!

Elsewhere, please examine my assortment of Instruments. They are warranted fully to stand any climate, and are of a low-and workmanship equal to any offered anywhere. I beg you reflect on the fact that the objections raised lately against my establishment by certain music teachers of this city, are caused only by my refusal to pay them (Professors?) an

ENORMOUS COMMISSION!

Which will bear other benefit-those who buy of me to the amount of from 15 to 25 per cent., for I would rather allow the same to the buyer than to the meddler who should in some how, be interested.

I am a Union man, straight and forward, and hate crooked things and liars.

I must not take the profits out of my friends' pockets, or defraud the Government out of it, or cheat myself and family into the Poor House for the sake of satisfying the hungry Music teachers through whose whispering my Pianos will not go better, if they are not good, nor bad, if they are good.

I will pay to any man, woman or child, the amount received, or a Piano with my name on it, if they are not pleased with it, and I will pay a *Thousand Dollars* to any one who will show me one on which the Frame is broken, like so many Mason & Hamlin Pianos have done in this city and county. Let the people tell where my poor Pianos are—not the teachers—especially those with Southern sentiments; let such go where they belong. My Pianos are warranted to be supplied with all late good improvements, and must give satisfaction or no pay.

Eastern Pianos of all makes can be had of me as well and cheaper than any other man.

Parties ready to purchase anything in the music line, will please remember that I am dealing largely in Musical Merchandize generally, and can offer inducements merely excelled by any Music Store dealer.

Pianos warranted by me can be relied upon. I being Manufacturer, Tuner, Player and Musician, as well as Teacher. My success is great because I am good for the amount. My opinion in many cases has been a benefit to those who purchased Pianos, and some who did not believe me at first found the truth after a while by their loss.

A Piano Forte made elsewhere is no better for that reason, but all those are made right, the good are good and the bad—bad. Eastern Pianos are furnished by me, as above said, at Manufacturers' prices. My stock on hand consists of a very choice selection, and is larger than pay ever offered for sale here.

PIANOS TO LET.
