A Bittion .- What is a billion ?" The National debt, as given by the President, on the lat of July last amounted to one billion seven hundred and forty millions of dollars. We hear much dispute over this statement, some contending that it means one thing and some another. The difficulty probably arises from the different ways of computing a billion, there being two methods, the French and Engadditional higher grade. In this case, at lish. According to the latter, a billion is a million millions, and according toward reach tratan a thousand millions. The The New York Journal of Commerce "Beerts French method of computation is the one used

that more money has been made by the au- in this country, so that out public debt in thors of school books within the last twenty- July, as stated by Mr. Liacola, was in round other book-makers in addition. Poor child seen by putting the amount of debt in figures

TOUT class of the public not reached by any other Thu Longs .- The cold and changeable scather tells terribly on those who have weak and discased lungs. Many are suffering at this time with affections of the throat and svoid the night air. There are many preparations recommended for these dispases, bu 10- CORE WARRANTHD -GE -IF DIBECTIONS ARE FOLLOWED. here is not a doubt but that Dr. Strickland's 1 Call for a Circular Describing all Symp-Mellifluons Couch Balsam's the hest remedy We have known it to effect cures in the wors ms. . . . cases of Coughs, Colds, Bronchitis, Asthma and primary cases of Consumption. and consequently be the sixth city in point of politics." numbers in the State. ANNA E: DICKINSON .- The editor of the Meadville Republican does not possess as high an estimate of this loguncious young virago's abilities as some of her partisan friends hereabouts. She iscolded in that place last weak, and the Republican comments on her proceed. ings as follows :

"She is not, however, the wonderful ornion that the people are led to expect by many of

the landatory newspaper notices. Of course her carnestness and the justice of the cause for which she pleads are calculated to enlist the sympathics of her hearers, and impress hem seriously, but there are some glaring defects in both matter and style, which are very apparent to those who have not already made up their minds to applaud whatever may be enid. She is not happy, in her anecdotes or similes, nords she always clear in expression. Her arguments and appeals are all in behalf of justice and human equality, and their power

and eloquence are convincing and irresistible with all who believe in the fundamental prin ciples of liberty and humanity."

DR. HALL'S COUGH BENEDY .- The advertisement of this favorite medicine will be found in our columns to-day. It has now been before the public for twenty years, and the best avidence of fis merits is the fact that of the long list of persons who have certified

mending it to the use of the community. It does not pretend to be a "cure all," but is throughout the county. only put forward as a remoily for conchs and colds and the diseases arrising from the a, terms from \$2 a year to \$3.50. We shall deand in all such cases we believe it to it an perior.
