It was moved reluctantly, and the soldier sank [numbers of substitute brokers from Buffalo wearily into the vasated seat. Who would not and elsewhere are in this city, who pick up all be proud to hight and die for a community like the men who can be obtained, and have them credited to other localities. The result of

their operations has been to largely increase the prizes asked by substitutes, and they have now gone up tons rate that makes it utterly impossible for any but the wealthiest to prooure one. The law of Pennsylvauia is very severe in its penalties against reorniting men in this Common wealth for other States, and it is no loss the interest than the duty of our thaving remained in close continement one day, citizens to see that it is rigidly enforced .--Every person taken from our community to apply on the quotas of other places, will serve

to make the draft still more severe on our neopie. The following statement, which we cut from an exchange, shows one of the difficulties speculators labor under who undertake to

make a fortune out of the Virginia oil lands. We trust none of our friends who are investing in "Big Sandy," "Kanawha," and other West Virginia enterprises, may meet with s like experience ;

"One day last week, as we are informed, man by the name of Swell started to the oil regions of Virginia, prospecting for the most profitable place to locate a well. While so engaged, he was caught by guarrillas, and abbed of two hundred dollars in greenbacks. Finding that Mr. Swell was lame, the guerril las returned him his horse, and told him to go home and send some of his friends up, as | lars, cards, etc.

there was an abundance of oil in that country. "To be or not to be -that's the question." but if they came, to bring plenty of money Whether to suffer with mental anguish, with them.
