Is perfectly free from any mercurial matter or injurious particles, and in no case will its application interfere with the remedies that may be prescribed by a regular physician. The Medical Faculty, throughout the Union, are unanimous in its praise. The more its virtues become known the greater is the demand, and it is now considered an indispensable article of household necessity—being used alike by rich and poor.

REDDING'S RUSSIA SALVE!

Is prompt in action, removes pain at once, and reduces the most angry looking swellings and inflammations, as if by magic—thus affording relief and a complete cure. The length of time this salve has been before the public is conclusive proof that it is no "catch-penny" preparation, put forth to have a fictitious popularity, and then sink to rise no more.

FINKLE & LYON'S SEWING MACHINES

These Machines make the lock-stitch alike on both sides, and use less than half the thread and silk that the single or double thread loop-stitch Machines do; will Hem, Fell, Gather, Cord, Braid, Bind, &c., and are better adapted than any other Sewing Machine in use, to the frequent changes and great variety of sewing required in a family, for they will sew from one to twenty thicknesses of Marseilles without stopping, and making every stitch perfect, or from the finest gauze to the heaviest beaver cloth, or even the stoutest harness leather, without changing the feed, needle or tension, or making any adjustment of Machine whatever!

They are simple in construction and easily understood; and if any part is broken by accident, it is readily replaced.

These are PECULIAR FACTS, and will go far to determine the choice of any intelligent buyer.
