The Grie Weekly Observer.

BRIE, PA. APRIL 20th, 1865.

Secretary Stanton has issued orders to stop all drafting and recruiting in the Northern States: to curtail the purchases of arms and supplies, and reduce the expenses of the mill'-to reduce the number of general and staff and to remove all restrictions upon trade and Bam. is 675,000. at actual of gold tuterest from November, which commerce, so far as may be consistent with parts of Penusylvania, orders have been recaived from the War Department to release all under the late call.

Mosars. W. L. Ross and A. T. Loomis, both but this is the first arrival. well known young gentlemen of this city, have taken a lease of Brown Hotel much gratified to know that the house, has fullen into such good hands. Both of them are men of unusual public spirit, and indomitable energy, and we feel satisfied that under their management the hotel will soon acquire | week. We have not learned of the arrest of a better reputation. There has been a great deal of complaint of the accommodations in this city, by travelers, but we teel quite contident that with the change in the management of Brown's Hotel, and the improvements being made in our other public houses, the grounds for complaint will soon pass away.

The Mourning in the City.

On Saturday morning last the news of the assassination of President Lincoln was received in this city, and in accordance with the suggestion of the Mayor and the general feeling of grief among the people, the places of business were closed and emblems of mourning were suspended from both public and Arivate buildings. During the interval of three days before the funeral ceremonies this week, there were meetings of the Common which appropriate resolutions were passed. - ()n Wednesday, at an early hour in the and at eleven o'clock the streets were draped bells of all the churches were tolled and min- during the year. ute guns fired on the United States steamer Michigan, and on the public square. Services were held in all the churches, and discourses lieve all drafted men under the last call who delivered appropriate to the occasion.

A Good MEASURE.-The Legislature of New York has passed an act prohibiting the defacement of walls, bridges, fences, monuments, buildings and rocks with advertisements of patent nostrums. This is an excellent law. Latterly there is scarcely a place of any prominence or beauty which is not dishings are thrust upon the people in the most offensive manner, and no scene of beauty or place of popular resort is safe from the imof New York has done a good thing in taking nold of it .- Pittsburg Post

Our city has not felt the evil alluded to in the above paragraph, up to this time, owing law by the Legislature of our own State.

A Card.

EDITOR OBSERVER: I understand that Mr. of the news of the President's assassination I expressed gratification, and that I said I was glad he was killed. It is alleged that this remark was made by me to his servant girl when I was delivering mitk at his house. I trouble you to say that the charge is not true. On the contrary, when I was delivering milk to customers, I expressed my regret that the President was killed, to which I think all will testify that heard me say anything about it. Very truly yours, R N. Dunn.

NEW RULE IN PENSION CARES -In all appli eations for pensions, the witnesses should, if possible, he other than relatives of claimants; they must swear that they are disinterested Their credibility must be certified to If they sign by mark, their signatures must be witnessed, and the person administering the oath mu-t certify that he is disinterested, and that the contents of papers were carefully read and explained to applicants-if they sign by mark-before execution. If possible, get witnesses who can write their own names.

NNORO BANKING .- A dozen wealthy negroes from Boston, New York, Philadelphia, Washington and elsewhere, one of them having \$150,000 invested in Government stocks, have applied for authority to start a bank in Wash. ington, to be called the "Freedman's Nation al Bank," with a capital of \$800,000. If the State banks, which are changing to the astional system, and which have the preference, don't absorb the aggregate capital allowed by naw, their request will be granted.

ALABASTER FROM THE MANMOTE CAVE. The Louisville Journal says that latge quantiies of pure white alabaster, of the finest quali y, are being taken from the Mammeth Cave. and manufactured into ornaments of various kinds, such as necklaces, breast-pins. carrings, crosses, charms, &c. This substance is susceptible of the highest polish, and the ornaments into which it is converted are greatly admired for their brilliancy and beauty.

Another Railroad Accident .-- A brakeman, whose name we did not learn, was killed at Corry on Tuesday, while coupling care,... The accident was caused by the engineer back: ing his train too quickly, and thus outchise the unfortunate brakesman. The victim lived in Warren, our neighboring county. This is weak and feeble woman saved the third accident which has occurred in the which she is ill able to perform. same neighborhood within a short time, and all from the same cause - Disputely

ITEMS OF ALL SORTS.

There were 739,163 babies born in England last year.

We leave that the water will be let into the Canal on or about the first of May. Thayer & Noyes' United States Circus is at present performing in Baldmers, after a very

successful season in Washington. The entire population of all the States and officers to the sciunt necessities of the service; Territories on the Pacific, belonging to Uncle antest thing of the sort ever had in the city.

John G. Saxe, after a long and severe illthe public safety. In New Jersey, and some | nees, is so far convalencent as very nearly to have regained his customary good health.

The first arrival of the season in the peri draf ed men who had been held to service of Eric, is the Canadian schooner Bonnie Doon. Several clearances have been made Plabaugh, charged with setting fire to the

tavern recently burned on Walnut Creek, has and will conduct it hereafter. We are been bound over in \$1,000 bonds to appear at people at one time. - Girard Union. the May term of the Court. Mr. Greer, of North East, injured in an

affray noticed in our last issue, with Dr. Mott, died of his wounds during the past "It is not proper for you to play school,

my dear, to-day, for it is Sunday," "I know it, mamma," replied the little girl, "but it is Sunday-school that I am playing." It is found that women make the very beat clerks for the electric telegraph. The only

difficulty is to prevent each young lady at

the end of the line from having the last Word. A shrewd observer says, "I got friends and manage to keep them by not asking them for anything but advice. You can't ask anything of a man that he loves to give more, and that

costs him less than advice." A tall fellow, standing in the parquette of theatre, was repeatedly desired to sit down, but would not; when a voice from the second and Select Councils and of the citizens, at circle called out, "Let him signe, he's a tailor, and he's resting himself!"

The Navy Register, about to be issued, morning, the places of business began to close | shows a total of 583 vessels, of which sixtyfour are iron clads. Sixty vessels were added in black At afteen minutes to twelve the in 1864, and 14 were destroyed or captured

Capt. Derrickson, Provost Marshal of the Crawford district, h s been instructed to rehave not been forwarded to the general rendezvous; and that all drafting and recruiting will be discontinued until further orders .

A new counterfeit United States Tressury note of the denomination of five dollars is said to be in circulation. The engraving is coarse and poorly executed. The green on the back figured by placard or paint, announcing the in of a shade much paler shan that of the virtues of patent nostrums. Notices of these genuine.

How long Eve, the first woman, lived, we do not know It is a curious fact that in sacred udent intrusion of the paint pot of the patent | history the age death and burial of only one medicine vender. Nothing but legislative woman, Sarah, the wife of Abraham, is disaction can cure this evil, and the Legislature tinetly noted. Woman's age ever since appears not to have been a subject for his-

tory or discussion. In his first annual address, Jefferson, the to that blessing unenjoyed by other places, a father of the Damocratic party, said: "Let park sence which could not fail to be improved us reflect, that having banished from our land by anything which would cover it from the that religious intolerance under which maneye. When the new one is erected, we will kind so long bled and suffered, we have yet cordially recommend the passage of a similar | gained little if wo countenance a political intolerance as despotic, as wicked, and capable of as bitter and bloody persecutions."

These noble words are Grack to the present emeration of furious famatics.

The colored voters of Rhode Island are orranizing a movement to defeat all candidates for the Legislature of that State who oppose the sending of their children to public schools with white children. This is a little more than Bhode Island Abolitionitis bargained for, but

is in the natural result of their teachings. Pedant:-- "What does cohen i-r spell ?"

Green Girl -" Bon't know " "What do you sometimes sit on ?"

"Don't want to tell." "But von must."

"I set on Henry's knee once, but, I'll never do it again." The Philadelphia Bulletin estimates the present strength of the Federal armics at C. E. W. GUNNISON, 75,000, Grant's army 250,000. The Confederate force it estimates at only 100,000 of these force is estimated at only 100,000 of these force is estimated at only 100,000 of the estimates at only 100, these figures are approximately correct it is

evident that further conscription is usoless The Caughey well, we understand, continues to blow gis so strong that it is impossible to work the pamp. It is to be hoped that she will soon get her blow out so that operations can be again resumed. The parties engaged at this well are confident of getting oil in paying quantities as soon as they can exhaust the gas and water .- Girard Union. We understand that the Unian and Titusville Railroad Company will prosecute their

work with energy until its completion. It is expected that the preliminary surveys will soon be commenced. The advantages of this road to the traveling public and to the city of Brie cannot be over estimated.

"Doctor, I want you to prescribe for me. The doctor feels her pulse. "There is nothing the matter, madam; you only need rest." " New, doctor, just look at my tongue! Ring's Vegetable Ambrosia just look at it : look at it! now say, what does that need ?" "I think that needs rest, 300," Exit madam in a state of great excite ment.

The Catteraugus Freeman says " some ten ar fifteen boys in that village have formed an organization for the purpose of sawing and splitting the wood of women whose husbands are in the army, and have already split fifteen cords for one lady, and about twenty for another." A good ides, and one which we would like to see carried out in Erie. Much unffering would be alleviated, and many a weak and feeble woman saved from labor
