they are not frequently followed by those "direful dis-

eases," INSANITY AND CONSUMPTION?

Many are aware of the cause of their cuffering, but none will confess. The records of the fasane saylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion. The Constitution, once affected by organic weakness, requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT OF BUCHU invariably does. HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA. For purifying the Blood, removing all chronic con-titutional diseases arising from an impure state of the Blood and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Theum, Pains and Swellings of the Bonce, Ulcerations of the Throat and otches, Pimples on the Face, Tetter, Erysipelas, and all scaly Eruptions of the Shin, AND BEAUTIFYING THE COMPLEXION.

NOT A FEW of the worst disorders that afflict mankind arise from the

corruption that accumulates in the Elood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMEOLD'S COMPOUND EXTRACT OF SAR-SAPARILLA. It cleanses and renovates the Dlood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its enects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added
to a pint of water is equal to the Lisbon-Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsa-parilla, or the decoction as usually made.

HELMBOLD'S ROSE WASH, An excellent Lotion for diseases arising from habits of dence of the most responsible and reliable character will secompany the medicines. Also explicit directions for use, with hundreds of thousands living witnesses, and upwards of 30,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.
