Terrible Disaster on the Lake.

The telegraph on Saturday morning brought intelligence of one of the most shocking affiirs which has occurred on the lakes for many years. We condense the following account of it from the reports in the daily DADETS:

DETROIT, Friday, Aug. 11, 1865. A collision occurred between the steamboats Pewabic and Meteor, on Lake Huron, at 84 o'clock Wednesday evening, six miles from shore. The Pewabic was struck on her fort bow, just aft the pilot house and sunk i three or four minutes. The boats were running at full speed and struck with such ter rible force as to crush in the entire bow of the Pewabic At the time the accident occurred other six miles apart. When approaching they exchanged signals, and the Pewabic bore off to pass, but the Meteor, from some uner nassengers on board the Pewabic were killed recurs ture i to appear and defendant by the crushing of her timbers. A few jumped ing office is to be started or "set up" in whole portion of the stare was on fire. Several in provide the stare of civilian in the stare was on fire. Several in the stare of civilian in the stare speedily to Mr. L's assistance, and Meteor and picked up those who were not were on board of the Pewabic at the time of and twenty-three of the crew were drowned The Metcor remained near the scene of the disaster till morning in the hope of picking up any persons that might be still floating on and taken to Detroit. The Meteor was but
