Ladies, take Particular Notice

THE REAL VELPAU FEMALE PILL.

[WARRANTED FRENCH.]

THESE PILLS, so celebrated many

L years ago in Paris for the relief of female irregularities, and afterward so notorious for

their criminal employment in the practice of abortion, are not offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris

of great wealth and strict conscientious prin-ciples, and has withheld them from general

cipies, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming Female Obstructions, falling of the Womb, Whites, Green Sickness, Suppression, Retention, or Immoderate Flow of the Monthly Discharges, they seem to be truly omnipitent, bursting open the flood-gates from whatever cause may have steamed thom; but they are charal to the public of the public of the public of the control of the control of the public of the control of the c

stopped them; but they are offered to the public only for legitimate use, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies

should never take them when there is any reason to believe themselves pregnant, for they will be sure to produce a mis arriage.

These pills are eath by safe under all cir-

cumstances, being composed entirely of substances from the vegetable kingdom.

Each box has the coat of arms for the City of Paris stamped on the box, with the words "Trade Mark" in French, to counterfeit which

is a misdemeanor, and all persons will be dealt with according to la v.
