THE RICH MAN'S COUNTRY.—The Dubuque *Herald* has well said that this has got to be the rich man's country, where legislation is wholly in his favor and against the poor man. Never was a greater piece of rascality committed than has been done in the case of the bonds which are now in the market. They are exempt from taxation, and pay a good interest every six months; consequently we see a great demand for them by all who are able to invest all their funds in them. Men are in some cases even selling their real estate to put their money in them, and thus secure not only a good revenue but avoid all taxation.

The poor man is therefore taxed double. He has not only to pay his own taxes, but those which the rich man should pay. He has not only to support himself, but the Government and the rich man as well.

When the tax gatherer comes round, as he does often now and stays long—one of the bitter fruits of Republican administration—the rich man returns his property as so much in bonds, the tax gatherer writes down "exempt," and passes on to the poor man, who has no bonds and so must pay enough for both.

We do not believe this will last long. It is too manifestly outrageously unjust to be continued. The rich man is continually crying for protection and the Abolition Government is continually giving it to him, while more sweat is extorted from the poor man. It will be the first business of the Democratic party to set these things right. That party has always been pre-eminently the poor man's party, and to that party must he look for the redress of his wrongs.

DR. SEELYE'S
LIQUID

CATARRH
REMEDY.

CURE WARRANTED

IF DIRECTIONS ARE FOLLOWED.

Call for a Circular Describing all Symptoms.

Symptoms;

The symptoms of Catarrh in a very generally apparent at first very slight. Persons had they have a cold that they have frequently, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid afterwards becoming thick and adhesive. As the disease becomes chronic, the discharges are increased in quantity and hanged in quality; they are now thick and heavy, and are hawked or scratched up. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; the mouth or throat is often the seat of a disagreeable cough, which is frequently mistaken for Consumption. Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucus, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs and should lose no time in arresting it.

The above are but a few of the many Catarrh symptoms.

A single Bottle will last a Month—to be used three times a day.

Testimonials:

From Hon. Thomas J. Turner, Ex-Member of Congress from Illinois, late Speaker of Illinois House of Representatives and Grand Master of A. F. and A. M., of the State of Illinois.

FREEPORT, Oct 21, 1863.

DR. D. H. SEELYE:

DEAR SIR:—In reply to your notice of the 18th inst., I would say that I was severely afflicted with Catarrh for years, when I became acquainted with you, and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle, I was sensibly improved, and before the second bottle was finished, was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully yours,

DR. VELPAU'S FRENCH PILLS.

Ladies, take Particular Notice
THE REAL VELPAU FEMALE PILL.
[WARRANTED FRENCH.]

THESE PILLS, so celebrated many years ago in Paris for the relief of female irregularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming Female Obstructions, Falling of the Womb, Whites, Green Sickness, Suppression, Retention, or Immoderate Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting open the flood-gates from whatever cause may have stopped them; but they are offered to the public only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them when there is any reason to believe themselves pregnant, for they will be sure to produce miscarriage.

These pills are entirely safe under all circumstances, being composed entirely of substances from the vegetable kingdom.

Each box has the coat of arms for the City of Paris stamped on the box, with the words "Trade Mark" in French, to counterfeit which is a misdemeanor, and all persons will be dealt with according to law.

☞ Full directions accompany every box.

Ladies can obtain a box sealed from the eyes of the curious, by inclosing one dollar and six post-office stamps to any respectable druggists, or to O. G. STARLES, General Agent for the United States, Watertown, N. Y.
