## SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sausapa milla, but never yet one bottle which falled of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there habeen no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ul-

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her earseyes, and hair for years, which we were unable acre until we tried your SARSAPARILLA. She heen well for some months."

BARSAFARILLA, which soon completely cured her."

From Charles P. Gage, Eaq., of the widely-known Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.

I had for several years a very troublesome humor in my face, which grew constantly worse until it disficured my fentures and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPAHILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPAHILLA."

From Dr. Robt. Savin, Houston St., New York.

"Dr. Ayer. I seldom fall to remove Eruptions and Scrofulous Sores by the persevering use of your Sarsay-Arrilla, you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq.; Walenan, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hun dreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sansaparilla. Took two bottles, and some of your Fills. Together they have cared me. I am now as well and sound as any body, Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parlia-"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Rarrey Stekler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapid spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied attrate of silver and other remedies, without my apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Salesparkell. A, and applying the loadide of potash lotion, as you direct. The sore began to heal when we had finished the second. The child's eyelashes, which had come out, grow segais, and he is now as healthy, and fair as any other. Spinitis and Mercurial Disease.

From Dr. Herm Sloat, of St. Louis, Missouri.

"I find your Harmanilla a more effectual remedy for the scoredary symptoms of Syphilic and for syphilize disease han any other we possens. The profession are indictate to you for some of the best medicious we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DR. ATER. My day Sir: I have found your Sarsaparanilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can emiploy with more certainty of success, where a powerful alterative is required."

Mr. Cas. S. Fan Liev, of New Brunneick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of ATER'S SASSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhose, Whites, Female Weakness,

spplication of local remedies.

From the well-known and widely-celebrated Dr.

Jacob Morrill, of Cincinnati.

"I have found your Sarsapanilla an excellent alterative in diseases of females. Many cases of fregularity, Leucorrhoa, Internal Ulceration, and local debility, arising from the scrofulous disthesis have yielded to it, and there are few that do not, when its effect is properly sided by local treatment."

A lady, unwilling to allow the publication of her name, writes.

"My daughter and myself have been cured of a very debilitating Leucorrhea of long standing, by two bottles of your Sarsapanilla."

Rheumatism, Gout. Liver Computation.

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

FATUITY, EFILIPTIC TITS, &c.,
in one of which the potient may expire. Who can say they are not frequently followed by those "direful diseases," INSAMITY AND CONSUMPTION?

Many are aware of the cause of their cuffering, but none will confess. The records of the france crylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion. The Constitution, once affected by organic weakness, requires the aid of incdicine to strengthen and invigorate the system, which HILLMHOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

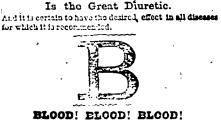

In many affections peculiar to Females, the Extract Bucher is unequaled by any other remedy, and for all complaints incident to the sex, or in the DECLINE OR CHANGE OF LIFE, ET SEE SYMPTOMS ABOVE.

Helmbold's MIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA, For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofala, Scald Head, Salt Rheum, Pairs and Swellings of the Bones, Ulcerations of the Throat and Lega, Blotches, Pimples on the l'ace, Tetter, Erysipelas, and all scaly Eruptions of the Skin,

AND BEAUTIPYING THE COMPLEXION. NOT A YEW of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of all the dis-coveries that have been made to purge it out, none can equal in effect HELMIOLD'S COMPOUND EXTRACT OF SAP-BAPABILLA. It cleanses and renovates the Plood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sich that it has its virtues surpassing anything the have ever taken.
Two tablespoonsful of the Extract of Sarsaparilla added

to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decection as usually made.

HELMBOLD'S ROSE WASH, An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Fuchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with hundreds of thou ands living witnesses, and upwards of 30,000 unsolicited certificates and recommenda-. tory letters, many of which are from the highest courses, including eminent Physicians, Clerrymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that this articles rank as Standard Preparations, and do not need to be propped up by certificates.

The Science of Medicine, like the Doric Column, should

stand simple, pure, majestic, having Fact for its hasis Induction for its pillar, and Truth alone for its Capital.

My Extract Sarsaparilla is a Cloud Purider; my Extract Buchu is a Diuretie, and will not as such in all cases.

Both are prepared on purely scientific principles—in each and are the most active means of sither that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following incoher. Paragon Building, West Park Row lowing works:
