THE REAL VELPAU FEMALE PILL

[WARRANTED FRENCH.]

THESE PILLS, so celebrated many

L years ago in Paris for the relief of femulo irregularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first

time in America. They have been kept in comparative obscurity from the fact that the

eriginator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious prin-

flood-gates from whatever cause may have stopped them; but they are offered to the pub-

lic only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies

should never take them when there is any reason to believe themselves pregnant, for

These pills are entirely safe under all cir-

From Mrs. Jane E. Rice, a well-known and much esteemed lady of Dennisville, Cape May Co., N. J.
"My daughter has suffered for a year past with a scrobhous cruption, which was very troublesome. Nothing afforded any relief until we tried your Sarsaparilla, which soon completely cured her."

From Charles P. Gage, Eag., of the weldely-known Gage, Murray of Co., manufacturers of enamelled papers in Nashua, N. H.
"I had for several years a very troublesome humor in my face, which grew constantly worse ustil it disfigured my features and became an intol-scable affliction. I tried simost every thing a man sould of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I know of. I enjoy perfect health, and without a dente over it to your Barsaparilla."

From Dr. Robt. Sawin, Houston St., New York, "Dr. ATER. I seldom fail to remove Eruptions and Scropklous Sores by the persevering use of your BARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the SarsaParilla you have supplied to the profession as well as to the people." Piled to the profession as well as to the people."

From J. E. Johnston, Eag., Wakeman, Ohio.

For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the elebrated physicians I could reach, and sook hun dreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSPARILLA. Took two bottles, and some of your FILLS. Together they have cured me. I am now as well and sound as any body. Being is a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Neucastle, C. W., a leading member of the Canadian Partia-

Beald Head, Sore Eyes.

From Harrey Sickier, Esq., the able editor of the Tunithannock Democraf, Pennsylvania.

"Our only child, about time years of age, was attacked by pimples on his forehead. They rapidl, spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skildin physician applied airrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sansarahilla, and applying the iodide of potash lotion, as you direct. The saw began to heal when we had finished the second. The child's cyslashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Symilia and Mercurial Disease. Bygidilis and Maccurial Disease.

From Dr. Herm Stort, of St. Louis, Missouri.

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Leplature of Massachagits.

"The Atke. My user birt a nave found your Earsarakilla an excellent remedy for Syphilis, both of the primary and secondary type, and effected in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a power-hit alterative is required."

In alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial discuse, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AFEE'S SARSAPABILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Lencorrhoes, Whites, Female Weakness. are generally produced by internal Scrophious Ul-cersion, and are very often cared by the alterative affect of this Samaramula. Some cases require, however, in aid of the Samaramula, the skilful application of local remedies.

HELMBOLD'S EXTRACT BUCHU, For weakness arising from Excesses, Habits of Dissips

tion, Early Indiscretion, attended with the following Difficulty of Breathing, Loss of Memory, . Weak Nerves, Horror of Disease, Trembling, Wakefumess Pain in the Back Dimness of Vision, Fig. Ling of the Body Hot Hands, Dryness of the Skin, Eruptions of the Pace, Pallid Countenance, Universal Lassitude,

Muscular System. These symptoms, if allowed to go on (which this Modi-cine invariably removes), com follow— FATUITY, EPILEPTIC FITS, &c., in one of which the poticat may expire. Who can say they are not frequently followed by those "directal dis-cases," ENSAMITY AND CONSUMPTION?

Many are aware of the cause of their suffering, but non will confess. The records of the income asylums and the melancholy deaths by consumption bear ample witness to the truth of the escertion. The Constitution, once affected by organic weakness requires theald of medicine to strengthen and invigorate the system, which HELMEOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

In many affections peculiar to Pemales, the Extract Bucure is unequaled by any other remedy, and for all complaints incident to the sex, or in the DECLINE OR CHANGE OF LIFE,

No Family should be without it.

Take no Balsam, Mercury, or unpleasant medicine for unpleasant and dangerous diseases. HELIBOLD'S EXTRACT BUGIN IMPROVED ROSE WASH To all their stages little expense, fittle or no change of diet, no inconvenience, and NO EXPOSURE.

IGHLY CONCENTRATED COMPOSED FLUID EXTRACT SARSAPARILLA, For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and effectual known rame ly for the cure of Scrofula, Scald Head, Suit Ithenar, Parts and Swellings of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Pace, Tetter, Prysipelas, and all scaly Eruptions of the Skin,

AND BRAUTIPYING THE COMPLEXION. NOT A FEW of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the dis-coveries that have been made to purge it out, none can

equal in effect Helmhold's Compound Extract of Sal-SAPAMILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorder, that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects. but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsa-

narilla, or the decoction as nanally made.

HELMBOLD'S ROSE WASH, An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with hundreds of those ards living witnesses, and upwards of 30,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates. The Science of Medicine, like the Doric Column, should

stand simple, pure, majestic, having Fact for its basis, Induction for its pillar, and Truth clone for its Capital.

My Extract Sarsaparilla is a Blood Purifier; my Extract Buchn is a Diuretic, and will act as such in all cases. Both are prepared on purely scientific principles-in can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the fol
