Ayer's
SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR

Scrofula and Scrofulous Diseases.

From Every Side, a well-known merchant of Oxford, Maine.

I have sold large quantities of your SARSAPARILLA, but never, of one bottle which failed of the desired effect, or full satisfaction to those who took it. As far as our people try it they acknowledge there has been no medicine like it before in our community.

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, for aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months.

Syphilis and Mercurial Disease.

From Dr. Elson Slote, of St. Louis, Missouri.

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis, and for syphilis disease in any other of its forms. The profession are indebted to you for some of the best medicines we have."

From A. J. Prince, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

Dr. AYER: My Adam's Ale I have found your SARSAPARILLA an excellent remedy for Syphilis, both in its primary and secondary types, and effectual in many cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

From Chas. N. Van Lieu, of New Brunswick, N. J.

I had dreadful ulcers on my legs, caused by the abuse of Mercury, or *mercurial disease*, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved me. The cure was complete and more inveterate and dangerous case, I think, but it took several dozen bottles to cure him.

Leprosy and Salt Rheum, Pustular Weakness, are typically produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effects of AYER'S SARSAPARILLA. In some cases requiring, however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrell, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of the Skin, many cases of Syphilis, Scrofulous Ulcerations, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when it is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a painful disease of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Tumors, Dyspepsia, Heart Disease, Neuralgia, and Debility, which follow in the train of *Scrofula* in the system, are rapidly cured by this EXT. SARSAPARILLA.

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Stickler, Esq., the able editor of the Tuscarawas Democrat, Pennsylvania.

Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which literally hid his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent benefit. For fifteen days we guarded his hands, lest with them he should tear open the festering and spreading wound which covered his whole face. Nothing else was had any effect, and we were beginning your SARSAPARILLA, as a last resort, when the use of potash lotion, as you directed, commenced to heal when we had given up hope. The sore soon was well when we had finished the second bottle of your SARSAPARILLA, which had come off, grew again, and he is now as healthy and fair as any child of his age. We feel confident that but for your SARSAPARILLA, he would have been disfigured for life, if not killed.

Erysipelas—General Debility—Purify the Blood!

From Dr. Robt. Swain, Houston St., New York.

I seldom fail to remove *Eruptions and Scrofulous Sores* by the use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Tuskeman, Ohio.

For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians in reach, and took hundreds of dollars worth of medicine. The sufferings were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Four bottles effected a perfect cure. Together they have restored me to perfect health. I am now as well and sound as any body. Being a public man, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monroe, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

Ladies, take Particular Notice

THE REAL VELPAU FEMALE PILL.

[WARRANTED FRENCH.]

THESE PILLS, so celebrated many years ago in Paris for the relief of female irregularities, and afterward so MYSTERIOUS for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris of the highest and strict conscientious principles, and has withheld them from general use, lest they should be employed for criminal purposes. In overcoming Female Obstructions, Failing of the Womb, Whites, Green-Sickness, Suppression, Retention, or Immoderate Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting, open the flood-gates from whatever cause may have stopped them; but they are offered to the public only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them, neither where there is any reason to believe themselves pregnant, for they will be sure to produce a miscarriage.

These pills are entirely vegetable in their composition, being composed entirely of substances from the vegetable kingdom.

Each box has the coat of arms for the City of Paris stamped on the box, with the words "Trade Mark" in French, to counterfeit which is a misdemeanor, and all persons will be dealt with according to law.

Full direction accompany every box.

Ladies can obtain a remedy free from the eyes of the curious, by inclosing One Dollar and six post-office stamps to any respectable druggist.

Symptoms:

The symptoms of Catarrh in their generality appear, at first very slight, and the patient, even for a cold in the head, does not think of consulting a physician. If the changes of temperature to which this condition is subject may be dry, or a slight discharge, thin and acrid at first, afterwards becoming thick and adhesive. As the disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick, tenacious, and are hawked or coughed up. The secretions are offensive, causing a bad breath; the hearing is dull, and the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently follows. Another common and important symptom of Catarrh is, that the patient is obliged to clear his throat in the morning of a thick or slimy mucus, while at times a watery fluid runs from the head during the night, which, when taken into the stomach, produces nausea. In many cases, however, but few of the above symptoms are developed, the disease fastening itself upon the system in a manner not to be mistaken. In its more severe forms, Catarrh is the cause of much suffering, and is often the means of shortening life by its insidious approach to the delicate structures of the throat and lungs. Many who have died of Consumption, could trace the origin of their disease to Catarrh. In the early stages of Catarrh, this fearful disease may be checked, and in many cases entirely cured, by the use of a proper remedy. Such a remedy is now offered to the public, and the proprietors have the most abundant evidence of its value. Thousands who have used it, and who were considered by their friends as past cure, have been restored to perfect health. Its mild and healing properties are such that it may be used with perfect safety by children of the most tender age.

A single Bottle will last a Month—to be used three times a day.

DR. D. H. SEELYE:

DEAR SIR:—In reply to your notice of the 18th inst. I would say that I was seriously afflicted with Catarrh for years, when I became acquainted with you, and bought two bottles of your Liquid Catarrh Remedy. Before I had used the bottle, I was sensibly improved, and before the second bottle was finished, I was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully yours,

THOS. J. TURNER.
