None. Then the war me, but upon my predecessor tried to do my daty. I know is at last turned "Copperhead?" erious and jealous, and speak donce as having attractions for Let me my to you, the charms ouse have as little influence a 22y individual in this coun less upon me than upon those s about it. The little that I s not amount to much, and to many folks by consenguin.

In conclusion, let me ask this vast con course here to-day-this set of upturned faces-to come with me, or I will go with you and stand around the Constitution of on of Participate to affect you through all country. It is again unfelded. The people is this just? Is it fair? Not are invited to read and on Terstand, to sustain proper lethis just 7 19 it iair? No I are invited to read and on ferstand, to sustain to come. I am for the Union; I am for and maintain its provisions. Let us stand by Irepeat the States. I am for admitting the Constitution I repeat, a not on the states. I am for admitting the Constitution of our fathers, though the chosen of the nationali their repretion should rage, though taunts and jears may come, though abuse and vituperation may be poured out in the most virulent form. I mean relete allegiance be willing to support me while submitting to you extemporaneously sited states, and be willing to support me while submitting to you extemporaneously sited and, perhaps, incoherently the remarks which I have now made. Let us graway forgetting the pest and loosing to the fature, resulved to endeaver to restore our Government to its pristine purity, trusting in Him who is on ists, "made under the employe of Hen, C. Y. ere long our Union will be restored, and that we shall have peace, not only with all the nations of the earth, but peace and good will the McHenry House to Rene, to furnish forth Athen, it is good now. If it was among all parts of the people of the United States. I thank you for the respect you have manifested to me on this occasion, and if the time shall come during the period of my existence when this country is to be destroyed me that the Constitution had and this Government overturned, if you will as a piece of parchment and look out you will find this humble individua who stands before you there with you endeavoring to avert its final destruction. The President retired amidst a storm of

ftems of Local Interest.

The railroads of this ecunity are seeing hard times. A few are doing well enough but the great majority are not.

At the fair of the young people of the M B. Church, held at Assembly Hall, Edinboro the 10th inst., \$136 were raised.

A man in Pithole got drunk the other night and reaffered \$4,000 in greenbacks amongst the crowd. One chap got \$400.

The last thing out in bonnets is said to b the control of a "brawn velvet dice box, with a little dead that while absent he made an extensive tour woodcook perched over the forehead of the through California, Utah and Idaho, but is wearer, trying to peck out her right eye."

> vanis, and the other Middle States. The interesting events of the past couple

crowded out. It is computed that the commerce of the Lakes amounts, at present, to at least twelve hundred million of dollars annually, and that two thousand vessels are employed in it. It sends to the seaboard one hundred million bushels of grain, two million hogs, and half Cleveland," says an exchange, "it is dull ht

a million of cattle, annually. The Horticulturist says Mr. Dunham, hear Cleveland, Ohio, pays taxes on \$3,286 received last season for grapes sold at fifteen cents per pound, raised on one and a half acres of land. The cultivation of the grape has become one of the most profitable soonpations on the Lake shore.

The great controversy between the Penn sylvania Railroad Company and the Atlantic & Great Western Bailroad, and the Catawises & Resding Railroad was decided this week by Justice Mead, of the Supreme Court, in favor of the Pennsylvania Railroad, the injunction prayed for to restrain the A. & G. W. B. E. from lessing the Catawissa road being granted.

The "ghost" which made its appearance sorts of antice, has been discovered to be a girl aged about fourteen years. She was the cause of the furniture being knocked down. glasses broken and all the other things that un in all their relations to the Fede. took place. She confessed the deeds and has been sent to the House of Refuge.

There is a class of men in this world who always "ge off at balf-ceck," and are consequently as dangerous as a gun with that \$415. The total receipts were \$1,954 and peculiar excellence. Such men are safe enemies and unsafe friends. Just in proportion rhole American people cou'd be as- as you respect their honesty you contemn their judgment. If they act with you they injure the common cause by indiscretion and violence, and, before they repent of their indiscretion and violence, probably accuse you of luke-warmness, indeed insincerity.

We would suggest to our friends in the country the propriety of having all their tickets printed for the ensuing township and borough elections. When tickets are printed, there is no danger of running short of a supply, as in the case of their being written, have farms in this section, and are doing while the "looks of the thing" are incompar- fairly on them, It advises them not to sell for will that might be made you would ably better. We have known of several closely the purpose of making a Western adventure. the memics of the country would be contested elections where the parties defeated We have been induced to say this much to wi the people would sustain its owed their failure to the neglect of not se- our friends in this and Eric counties for the curing a sufficient number of tickets.

A man, whose name has not been ascerwoman in a remote part of the town of Pa- section, and are now in the West, and they are troleum Centre, last week, and subjected her | nearly all heartily sorry they left their pleas to the worst imaginable outrage. As soon as ant homes here, and not a few of them will be the fact became publicly known, a crowd as sembled in the streets, and justly incensed at the scoundrel, determined to hang him up.-As we have not heard that they did so, tho'. it is to be presumed that the idea was abandoned.

We have had two fires in the city during the present week, one on Tuesday afternoon, and the other on Wednesday morning. The first resulted in the destruction of the Brie & Pittsburgh Railroad Company's dry house. worth about \$600, and the loss of about \$900 worth of lumber, belonging to Mr. J. Carter, stored therein. The second occurred in & shed attached to the house of Mr. Hiram Waters, (colored,) on Third street. The dumages were slight.

Fire Co. No. 2 to state that the report of strong, if they enjoy the society of friends their engine having been broken badly by and neighbors of long standing; we say, let running against a post is not cerrect. They say that in going over a crossing they broke off the old associations to form new ones in the king-bolt, which is the whole extent of the damage done. Company 2 is one of our best fire organizations, and we are assured that any accident which may occur to the engine is not owing to any intention or carelessness on the part of its members.

And neighbors will be fire was any selection are the weight to matter well before hereafting from the Graduator, Rationary English work of their road; which is exticuted as into the West."
