WATERFORD ACADEMY.—The closing exercises of Waterford Academy, C. R. Waters, principal, take place on Friday, the 9th of March. This institution has schieved an enviable reputation in times past, and though the term previous to this, owing to several causes, its prosperity was temporarily checked, it bids fair, under the direction of Mr. Waters, to resume its former character. During the past term the attendance has been quite large, and there is every prospect of its being still greater the coming season. The terms, both for tuition and board, are quite

low. - Dispatch. We are heartily glad to know that the school, under Prof. Waters' management, is securing its old time presperity. Previous to his advent, it had been managed for some years more like a Republican party machine, than an institution of learning, and to that fact may be due the temporary check to its prosperity. The deleterious influences which hung over it for a while, having now been removed, we trust it will become again what it was in the past, one of the most successful schools in the country.

A paragraph or two of a facetious nature last week, in respect to the Gasette's incen-Government" now, has provoked the ire of erexisting in male or famale, and no matter of how long its editor to such an extent that he begins to build a railroad from the town of Girard to calling discreditable epithetes. We have no the railroad depot. It may interest some disposition to imitate our cotemporary, and him to regret the folly of such a course much The young men connected with the Com- sooner than any harsh reply we might be mercial College have organized a debating tempted into making. The following advice can be best appreciated by editors : Don't write poetry. If you New York. cannot help it-if it sings in your head and following conundrum, the answer to which, will be heard-why then there is no other way than to put it on paper and send it to the printer. But try to help it if you can. There are only two or three poets alive at any, indicance on the parts, give immediate relief. For broad one time. A great poet makes and marks an age, and poor poets are those who think they are posts and are not, and are as plenty as blackberries. Every hamlet has its postaster. O, how much valuable white paper is spoiled by those who think they can write poetry! Speaking of their unenterprising spirit, it You may write a correct verse with faultless says: "There is not a place of the sixe of rhymes, and there be not a gleam of postry in Girard where there is less enterprise mani- it. Poetry requires a peculiar faculty-the fested than is shown by our citizens generally. Imagination. You may have genius, sense We have not heard of the contemplated erec- and learning, and the power of expression so to write prose as to rival Burke and Johnson, and after all make yourself ridiculous by trying your hand at poetry.

Our Republican exchanges in this part of the State, almost without exception, denounce Col. Dan slice in 1848. It does not sound the President for his late speech. They forwell for people who never did anything for get that only a few months ago, according to the slave in their lives, except talk about their stheir teachings, such conduct would have been treason to the Government.

> According to notice, the Democratic canons for the nomination of township officers will be held at the Town Hall, in Mill Creek, on Saturday next, March 10th, at two c'cleck in the afternoon.

Don't Gat Prightsund.—We are informed that a lady became so frightened at the socounts she had read in the papers of the fatality attending the use of perk, on account Parasites not only inhabit the bodies of all A gray mare was found on the premises of animals, used by us as food, but they are also be distinctly seen and examined by the use of J. D. Gill, Esq., chief of the Meadville fire the microscope. They burrow beneath our simils of the angle worm and the mastedon each living on the other. So don't throu

away the pork. Queen Passoniprion.-There are two doctors living not a remote distance from Eric, Pa.; they are the only doctors in the town, and, of course, the best relations exist between them. One is of the old school persussion, the other of no particular school but very learned in his way, as well as being an intense Republican in politics. It so hap emed, in the source of the practice of atter, that he was called to see a little boy who had swallowed a deat soin. Never having had a case of the kind he was put to his trumps what to do. Failing in every pre-scription he had administered, as a last and final resort, he made bold to call on the old school doctor for his advice in the matter.-The doctor, with much patience and attention listened to the details of the case, and with great gravity said: "I have had much experience in similar cases, and I'll tell you what to do." With eyes and care open sur Radical M. D. listened with profound attention—said the doctor: "I suppose you are aware that there has been a great scarcity of coin for a long time past; new, my theory is, that this coin has been driven out by the paper shin-plasters that have taken their place. My advice would be that you take about five five cent 'stamps,' make them into pills, one to a pill, and give one every twe hours; if that won't drive it out, I den't

know what will."-Buffalo Courier. Poen Scoring .- A dispetch from Washington to the papers, on the 6th inst., in speaking of the night sessions of the House says: "To night a member had the elim at-tendance entirely to Aimself." Who was this favored member, who thus addressed the negrees in the galleries, and the empty sents !

Hors.—There is yet nope for the dyspeptic! Do not despair if you have not yet found reany and every case of Dyspepsia. It will ourse every case of Liver Complaint. It will remove the yellow and sallow appearance entire health to the body. For sale by all druggists. They are not used as a beverage.

They say the President was drunk. If the sense and Constitutional dostrine, it would be wountraile patronage in that Mr. Scott will consent to the use of his name | well for these Northern distinctions on mu well consent to the use of his name | well for these Northern distinctions on mu well for these Northern distinctions on mu well for the kind of whiskey it is and take some or not, but he would certainly make a good out the kind of whiskey it is and take some or not, but he would give us rare pleasurs to the first in the first was drunk if it is the first was drunk in the reason of the first in the first was drunk informed, will not be a candidate for re-clear he frank, as he wished to feel it to his other takes. generals, Warm Loige.
