

attendant upon it-it saved Mrs. Grant the anxiety of watching her plate while the Imp was present, and the laber of counting her spoons after he had left !"

coach was amused by a constant fly of words between two ladies. One of them at last kindly inquired if their conversation did not make his head ache, when he answered with a great deal of naivete, "" I've been married twenty eight years."

'midst a profusion of blushes, ejaquiated, "I thank you, sir."

for one of the sterner sex. She appeared at the door of the Senate galiary the other day, and was about to enter, when the doorkeep en said, "Pass to the right; this is the ladies" gallery." "I'm a lady," indignantly replied the dootress. "What do you wear partaleous "So you have, but I have no manner of know

at Parkersburg, West Va. The ropes broke on the first attempt, and both men again mounted the scaffold and were hanged separately.

said the gentleman, as the sheriff was care-fully soljusting the rope, "really your atten-tions deserve my thanks. In fact, I do not know of one I sheuld rather have hang me." "Really," said the sheriff, "you are pleased to be complimentary. I do not know of another individual it would give me so much pleasure to hang."

ter to correct the impression that she is in destitute circumstances, and te put a stop to the charitable testimonials in her behalf. She says that while her hushand and harbelf in-vested nearly all their estate in Confederate

and labor, with ball and chain, at Macon, Ga. was recently allowed to ascend to the second story of the prison, from which he threw him-self down. He struck on the top of his head, and was, of course, nahurt. In consideration

and Melrose, Mass. This was considered necessary by manufacturers because of the duliness of the market. The hands, as a gon. eral thing, continue to work at the reduced .wages.

Davis since his capture was yesterday mustared out of service, Dr. Cooper, post surgeon at Fortress Monroe, assuming charge over the prisoners there. Dr. C. returns to New York to resume a practice left at the commence ment of the war. He represents the health and spirits of his late charge as excellent, and being furnished with the various papers and n. ...axines, he keeps well posted upon the current events of the day.
