THE GREAT FEMALE REMEDY FOR IRREGULARITIES.

These Drops are a scientifically compounded fluid preparation, and better than any pills, powders or nostrums. Being liquid, their action is direct and positive, rendering them a reliable, speedy and certain specific for the cure of all obstructions and suppressions of nature. Their popularity is indicated by the fact that over 100,000 bottles are annually sold and consumed by the ladies of America, every one of whom speak in the strongest terms of prises of their great merits.—They are rapidly taking the place of every other female remedy, and are considered by all who know aught of them, as the surest, safest and most infallible preparation in the world, for the cure of all female complaints, the removal of all obstructions of nature, and the promotion of health, regularity and strength. Explicit directions, stating when they may be used, and explaining when and why they should not, and could not be used without producing effects contrary to nature's chosen laws, will be found carefully folded around each bottle, with the written signature of John L. Lyon, without which none are genuine.

Prepared by Dr. JOHN L. LYON, 193 Chapel street, New Haven, Conn., who can be consulted either personally or by letter, (enclosing stamp) concerning all private diseases and female weaknesses.

REMEMBER, that this Bitters is not alcoholic, contains no rum or whiskey, and cannot make drunkards, but is the best tonic in the world.

READ WHO SAYS SO.

From Rev. W. D. Seigfried, Pastor of Twelfth Baptist Church, Philada.

Gentlemen—I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hoofland's German Bitters were recommended by persons who had used them, and whose favorable mention of these Bitters induced me to try them. I must confess that I did not put much faith in Medicines from the "thousand and one" quack "Bitters" whose only aim seems to be to palm off sweetened and drugged liquor upon the community in a sly way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that ours was really a medicinal preparation I took it with happy effect. Its action, potently upon the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully yours,

W. D. SEIGFRIED, No. 254 Thackamaxon St.

From the Rev. E. D. Fendall, Assistant Editor Christian Chronicle, Philada.

I have derived decided benefit from the use of Hoofland's German Bitters, and I feel it my privilege to recommend them as a most valuable tonic to all who are suffering from general debility or from diseases arising from the derangement of the liver.

Yours truly, E. D. FENDALL.

From Rev. D. Merrige, Pastor of the Passyunk Baptist Church, Philada.

From the many respectable recommendations given to Dr. Hoofland's German Bitters, I was induced to give them a trial. After using several bottles, I found them to be a good remedy for debility, and a most excellent tonic for the stomach. D. MERRIGE.

From Rev. Wm. Smith, formerly Pastor of the Vincentown and Millville (N. J.) Baptist Churches.

Having used in my family a number of bottles of your Hoofland's German Bitters, I have to say I regard them as an excellent medicine; specially adapted to remove the diseases they are recommended for. They strengthen and invigorate the system when debilitated, and are useful in disorders of the liver, loss of appetite, &c. I have also recommended them to several of my friends who have tried them, and found them greatly beneficial in the restoration of health. Yours truly,

WM. SMITH, 955 Hutchinson St., Philada.

WANTED.
An active, reliable man, to take the agency for the counties of Crawford and Warren, for the best Life Insurance Company in the State. Liberal commissions paid. Address LOCK BOX 81, Erie, Pa.

The Erie Weekly Observer.

ERIE, PA., APRIL 5, 1866.

In the Missouri Legislature, as we learn from the St. Louis *Republican*, on Monday last, Mr. Deal called attention to the fact that the officiating Chaplain, while praying for Congress, omitted any allusion to the President. Wishing to put an end to this invidious discrimination, he offered a resolution requesting the clergy of Jefferson City, who officiate as Chaplains for the Senate, to remember in their prayers the President of the United States; but it was at once laid upon the table by a vote of fourteen to six! How many Southern churches, during Lincoln's Administration, were closed because their pastors refused to pray for the President of the United States! And yet, here we find the Missouri Senate refusing to request the ministers of the State Capital to do the very same thing hundreds of other preachers were punished for not doing! Oh, consistency, in the Radical policy, thou art, indeed, a jewel!

There was almost a riot in Worcester, Mass., on Saturday last, a crowd of a hundred men attempting to rescue a drunken prisoner from the police, and making it necessary for the officers to fire upon them. Several of the rioters were wounded, and some of the officers received hard knocks.—*Exchange.*

This in Model Massachusetts, we presume, is but another indication of the "great moral ideas" which prevail there. Had it occurred in the South, what a wail of holy horror would be sent up by the people of that State over the shocking demoralization caused by slave institutions.

The Harrisburg *Telegraph*, the disunion central organ, computes the number of negroes who have perished as a consequence of the rebellion, at one million. Considering the period of war as full five years, (which it is not,) this would give the deaths as 200,000 a year, 16,600 a month, 553 every twenty-four hours, 23 every hour, and about one for every two minutes of time for the whole five years! Well may the Harrisburg *Patriot*, from which we copy these figures, suggest that "freedom has been a costly boon to the blacks under 'Republican' management."

Theodore Tilton, editor of the New York *Independent*, has a protracted fit of political insanity. His leader, last week, had the wonderful head line, "No More White States," and goes the whole figure for the exclusion from the Union of every State not now in full relations to the general Government that does not give the negroes the right of suffrage. As Tilton, Phillips and Garrison have always been the pioneers of every new Abolition dogma, we may expect soon to find this set up as one of the cardinal planks in the opposition platform.

The Huntingdon *Journal* says: "The course of Andrew Johnson affords us another fearful warning of the danger of trusting any man who has been rocked in the cradle of slavery or nursed in the lap of modern Democracy." How in the world a paper holding such sentiments can support Geary—whose name appears at the head of its columns as the editor's candidate for Governor—would puzzle a Philadelphia lawyer to explain.

"Not that Man, but another Man."—A good many papers are confusing Controller Clarke with S. N. Clark, printer to the Treasury. Controller Freeman Clarke is from New York; is an ex-Member of Congress, and for honesty and virtue has never had his character impeached.—*N. Y. Tribune.*

The inference is natural that Clark, the printer, has had his character for
