HEAD WHO SAYS SO.
From Rev. W. D. Seigfried, Pastor of Twelfth Baptist Church, Philada.
Gentlemen—I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hoofland's German Bitters were recommended by persons who had tried them, and whose favorable mention of these Bitters induced me to try them. I must confess that I had an aversion to Patent Medicines from the "thousand and one" quack "Bitters" whose only aim seems to be to palm off sweetened and drugged liquor upon the community in a sly way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that ours was really a medicinal preparation I took it with happy effect. Its action, not only upon the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully yours,
W. D. SEIGFRIED, No. 234 Thackamaxon St.

From the Rev. E. D Fendall, Assistant Editor Christian Chronicle, Philada.
I have derived decided benefit from the use of Hoofland's German Bitters, and I feel it my privilege to recommend them as a most valuable tonic to all who are suffering from general debility or from diseases arising from the derangement of the liver.
Yours truly, E. D. FENDALL.

From Rev. D. Merrige, Pastor of the Pennypunk Baptist Church, Philada.
From the many respectable recommendations given to Dr. Hoofland's German Bitters, I was induced to give them a trial. After using several bottles, I found them to be a good remedy for debility, and a most excellent tonic for the stomach. D. MERRIGE.

From Rev. Wm. Smith, formerly Pastor of the Vincentown and Millville (N. J.) Baptist Churches.
Having used in my family a number of bottles of your Hoofland's German Bitters, I have to say I regard them as an excellent medicine, specially adapted to remove the diseases they are recommended for. They strengthen and invigorate the system when debilitated, and are useful in disorders of the liver, loss of appetite, &c. I have also recommended them to several of my friends who have tried them, and found them greatly beneficial in the restoration of health. Yours truly,
WM. SMITH, 964 Hutchinson St., Philada.

"Jos so?"—"Exactly!" Solon Shingle said; "they were there, every time" If he felt "owly" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or generally oppressed, he took Plantation Bitters, and they never failed to set him on his pins square and firm.
If persons want any better authority, but as some may, just read the following:
"I owe much to you, for I verily believe Plantation Bitters saved my life."
REV. W. H. WAGONER, Madrid, N. Y.
"I have been a great sufferer from Dyspepsia, and had to abandon preaching. The Plantation Bitters have cured me."
REV. C. A. MILLWOOD, New York City.
"I had lost all appetite—was so weak and emaciated I could hardly walk, and had a perfect dread of society. The Plantation Bitters have set me all right"

"The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs that distressed me for years. They act like a charm.
C. C. MOORE, 256 Broadway, N. Y."
Mrs. C. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she has given it to "the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred reasons of such certificates, but no advertisement is so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as possible, and because a good article cannot be sold as cheap as a poor one, they find some support from parties who do not care what they sell.
