realy for pec. CRAWFORD COUNTY POLITICS. -A hot and uncertain conflict is going on in the Repubuncertain of Crawford county in respect to the Congressional nomination for that district. Messrs. D IA. Finney and S. Newton Pottis, Mestre Meadville, are the rival aspirants, and be friend of each, in their zeal for their refective favorites, have worked themselves up spirch of antagonism painful to behold. to a price topics of political debate are for the time being swallowed up in the all pervading time person who shall be the next Republican question who shall be the next Republican candidate for Congress. The opposition paesuant the county are just evenly divided-Per of Titusville Herald and Meadville Republithe mustaining Mr. Pinney, and the Meadville can successful and Conneautville Record advocating Jodge Pettis. It is said that the other counthe district concede the nominee to Charlord, and that whichever of the nomithere is successful will to the candidate. whether he will be elected is another questes about which we hear conflicting opin-The Democrats of the district have has been sing in strength greatly, and with the burnings that must prevail should ritis or Finney be the Republican they will; feel considerable confisam of success.

WORR CLAP-TRAP. - A few persons who parissed in the late war, mostly as Colonels Captains, held a meeting in the Court more headway in our city. gase last week, and appointed delegates to the so-called Soldiers' Convention, to be held 'inly proves that the scheme is one entirely see adopted, and a delegation selected to att an expression of the genuine feeling of the Eric county soldiers, this meeting can be the officers in a tendance two out of every three is either an dilice-holder or an aspirant Ergublic position. Several of them are men we are surprised to find mixed up in a icte of political imposture like this. We galerstand that a movement is on foot to secate a real expression of the political opinthe following list of the leading particinati in the above alluded to meeting, will be mil with curiosity : - Col. O. S. Woodward, colidate for the Legislature; Col. Chauncey f. Rogers, candidate for Prothonotary; Col. Chas. M. Lynch, candidate for District Attorney; Col. D. B. McCreary, candidate for the Legislature; Capt. W. W. Lyon, Deputy Provost Marshal; Capt/C. W. Lytle, assistant in the office of the Federal Collector .-Further comment is unnecessary.

The Miler, published at Smethport. McKean county, contains an article purporting a sirocate Mr. Scofield's election, but really, rethink, intended to hold him up to public ays the writer, in a spirit of inimitable mock them. athos, "we can never repay." This is cruelly hich is more than he could have made by e practice of law in Warren in three times enumber of years. Continuing in the same arcastic tenor the Miner adds! "He has battel nobly for the principles and unity of the great . Union organization, and to throw him If now would be almost infamous." This is stingly severe, but nothing to compare to that follows: "And then he is an honor to the District, and we ought to be proud of him. In point of influence he occupies no second he position, and as to ability, he has few quals, no superiors, in the House." Oh, dear, dear, to what fearful shifts some of these Republican editors are put to show their malice against party leaders whom they despise, and yet have not the courage to openly op ose. Everybody in the district, knows that Mr. Scofield is a very ordinary man-that he seldom heard of at Washington, and his name scarcely ever appears in the proceedings that he is one of the Saturday buncombe speakers, whose audience consists mainly of the pages and desks—and yet editors claiming support his revelection will write about im in the above ludicrously exaggerated tyle! (an it be doubted for a moment that such articles are designed to make him a aughing stock, and prevent his success? We test our Congressman has the shrewdness to ethrough these artful schemes to secure his etsu. There is evidently a well conceived in to stab him in the back among some prcessing to be his enthusiastic friends.

We notice that some of our Democratic coproraries are urging the nomination of Hon. B. Curtis, of Warren, as the Johnson Demtatic candidate for Congress from this Diset. We would advise those journals to be thain that they fully understand the posion of Mr. Curtis before they seek to put a upon the course .- Warren Mail.

We should be pleased to have the Mail give us the names of those of its "Democratic co-Umpuraries" who are "urging" the nominatog of Mr. Curtis "as the Johnson Democratcuadidate for Congress in this district."-We exchange with all the Democratic jour-Published in the district, and to the best our recollection and belief, not one of them

FERIARISM IN ERIR, The news of the Fe nian invasion of Canada has been the main topic of discussion in the city during the past week. Crowds of people have been gathered together during all hours of the day upon the eagerly catching up each item from the "seat of war," and discussing it pro and con, sotone of public sentiment has generally been . in favor of the Fenian cause, though amongst most persons of intelligence the movement into Canada was looked upon as foolish and certain of failure. In the crowd, however, ties. could now and then be met a sympathiser

war. These are mostly persons of English and passenger steamers between that city and that at the time the bill was before the Legisdescent, and the expression of their opinions | Erie in several cases led them into difficult positions. The friends of the Fenians became and in half a dozen cases threats were made by excited sons of Erin to demolish the beauty of some free-spoken Englishman's face. The crowd, though, soon separated the belligerents, and the dispute usually wound up with a hearty laugh at the expense of both parties

Not withstanding the sympathy felt for their countrymen in Canada, the cause of Fenianism has never met with much encouragement among the Irish in Erie. The society here numbered at the highest only about sixty members, and the contributions of money have been correspondingly small. 'Most of the wealthy-Irish have discountenanced the movement from the beginning, looking upon it as impracticable and sure to result in the loss of many lives, without any beneficial end. It is probably due to their influence, and that of the church, that the cause has gained no

On Saturday, during the height of the first excitement, a project was started to raise an putsburgh. The result of their efforts Irish company from our city to go to the aid of their brethren fighting in Canada. The (a political nature. Resolutions endorsing idea was well received, but the sad fate of al lauding Geary, the Radical candidate, O'Neil and his men put a damper on it. On Monday evening a meeting was held upon the subject, which did not result in an encouraging manner. Only ten volunteered, and of these we doubt if any would be willing to go, since the receipt of later intelligence .held upon simply as a farce. The privates Gen. Sweeney is regarded with some popunot represented in its proceedings, and larity by the Irish of Erie, but his programme is looked upon as a rash one, and while many wish him success, there are few who would be willing to/volunteer under his standard for immediate action is the field. If our Irish citizens could be convinced that a movement on Canada would meet with a reasonable chance of victory, they would be ready to turn out en masse. They have good judgment enough to see the folly of the plans thus far. brought forward, and, like sensible men, refuse to give their services and means for the advancement of schemes the failure of which are too palpable to admit of a doubt.

Several large parties of Fenians have passed through the city during the week from Pittsburgh and the West. A body of three releval Assessor: Cel. II. S. Campbell, ex- hundred escaped the Federal authorities very adroitly on Saturday night, by taking small boats at a point some distance below the harbor, and using them to get on board a vessal lying outside. Every day a car load or two passes by here on the Lake Shore Railroad .-Most of the Fenians profess to know nothing of their ultimate destination, but say they are idicule. "We owe him a dept of gratitude." ready to march wherever their officers order

The arms spoken of before remain under alicious, when it is known that Mr. Scofield | guard of United States troops in the barn of I have drawn by the close of his second the Park House. Since the late demonstram in Congress no less than \$12,000 from tions no person questions any longer that public treasury, without counting mileage, they were designed for Fenian purposes; A writ of replevin was served last week by the sheriff, in the interest of the parties claiming room Thurlow Weed occupied. Waiter, show them, to procure their recovery. Mr. John them, to procure their recovery. Mr. John Carse was offered as security to the amount of \$5,000, but the authorities, for reasons not announced, did not see proper to accept him. Rumors have on two or three occasions been started that the remains intended securing them, to procure their recovery, Mr. John started that the renians intended securing them by force, and extra vigilance was exercised in watching them, but the stories are now looke upon as without foundation.

Capt Ottinger, of the revenue outter Perry having received orders to that effect, on Monday left with his vestel for Buffalo. Our harbor is left without an armed vessel of any should desire to cross the lake from this point It is not probable, though, that an attempt of scription. the kind will be made.

ment of our friend DeCamp in his aspirations for a seat in Congress. Notwithstanding his but snubs on all sides. The organs in this George's disposition, is worse than abuse, while in other counties the party papers freat him with open disdsin. The Crawford Jour-A German citizen named John Krollman. | nal, not satisfied with ridiculing him, a week to has for some weeks been acting as street or two ago, marches up to the attack again in

Announced .- As we expected, George W. DeCamp, Esq., has announced that he will be a candidate for Congress in the Eric district, and says that, whether nominated or not, he shall continue to give the best of his "poor thim to bent her, when officer Schneider abilities to sustain and uphold the great principles of civil and political liberty upon which the Union Republican party was built and now stands." George doesn't really think he is

ta on the day of his death, has been handed "We know but little of the political proclivities for publication: ities of Mr. DeCamp, excepting that he was very recently a Democrat, too recent, we think, to trust in that place just now. There are other men in Erie county that we would

prefer. This is the appreciation Republican editors show for patriotism and eloquence. Was ever base ingratitude more boldly displayed? To think of the services our friend has rendered his party and the country, and that he should be rewarded thus! Really, if this treatment is to continue, we shall have to volunteer to defend him against the malice of his political allies. We will just say for the objection the Miner can raise to his nomination, it need give itself no further trouble .-There are hundreds of reliable citizens here who will vouch for the fact that he was never enough of a Democrat to affect him seriously, and who stand ready to enter into bonds that whatever party will give him the highest offer

can depend upon his faithful allegiance. Do not forget that the renowned Oculiat and Aurist, Dr. Liston, from the Albany General Infirmary, whose fame as a successful Physician and Surgeon for the Eye, Ear, Throat, Catarrh and Chronic diseases generally precedes his coming, will be at Brown's Hotel, in this city, on Monday and Tuesday next, for the purpose of treating all diseases which may be presented to him. We advise all in any way amicica to consultation free. ju? all in any way afflicted to call on him, if they

## Local Paragraphs.

Governor Curtin has appointed Jacob Fleury Notary Public at Harbor Creek. The urgent necessity of such an officer in Harbor Creek street corners and around the builetins, is too well known to require explanation? The First Baptist Sabbath School anniver-

sary will take place on Saturday evening, the cording to the state of their sympathics. The 16th inst. A pleasant time is auticipated. At the election last week, in the new town of Renova, on the line of the Philadelphia & Erie railroad, the Democratic tick et, with one

exception, was elected by handsome majori-The statement is made by a Detroit paper with the British government, but they were that parties there have under consideration as rare as "rebel sympathizers" in the late the project of establishing a line of freight lected. Our readers will probably remember

The papers say that a lady in Franklin, and predicted that it would be repealed at an wife of a dentist, lately presented her husemboldened by the tone of public opinion, band with four bouncing children at one birth. We have not heard up to date whether the man has committed spicide yet or not.

The canal boat men are demanding higher freights and a reduction in the rates of toll They claim that at present figures they cannot make enough to keep body and soul together. The canal company is said to have agreed to the reduction asked for, and the mine owners have promised to fall on the price of coal.

Henry Souther, Esq., of Bidgway, is talked of as a candidate for Congress. Should he conclude to enter the contest for the Republi can nomination, Scoffeld will find it hard work to keep, the back woods gounties in his breeches-pocket, as he has done heretofore.

We call the attention of our farmer readers to the agricultural implements advertised by V. R. Gillett, of Le Boeuf. They are pronounced by competent judges to be among the best for their purpose that are manufactured.

The new office of the First National Bank, in the Reed House, is the finest in the city, and is surpassed by few in the Union. Everything; about it has been fitted up with reculiar regards to its adaptability for banking purposes. The officers of the bank and our citizens generally have reason to be proud of such a tasty and convenient establishment.

Two drunken roughs got into a quarrel on the 10 o'clock train from Cleveland to Erie, on Wednesday evening of last week, and in the rumpus one stabbed the other. "Frightened at what he had done, he jumped from the cars while under full headway, and cacaped. The wounded man was attended to by surgeon on board the train, who stated that his recovery was doubtful."

Persons who fail to make returns of their incomes for last year, previous to Friday, the 15th of June, are notified that an assessment of 25 per cent. additional will be made to the tax, as required by law.

We have received from Messrs. Beadle & Co., publishers, New York city, two of their dime publications—the one a treatise on Base Ball, embracing full instructions in that amusement; the other a selection of comical extracts, entitled "The Humorous Speaker." Both are fully worth the price, and "more

The Titusville Herald, besides being a good paper in most respects, is an honest one. Unike most of its cotemporaries of the same political creed, it does not seek to disguise its doctrines under the plausible name of "Union," but boldly announces itself as "Republican," and in favor of the measures of the Republican party. The following is old but good, and will bear

telling at least once a year: "A gentleman visiting Oil City, went to a thousand strong, commanded by General hotel to stop over night. Said he: 'Give me the best room you have in the house.' 'Ger. from Buffalo, at 2:80 A. M., and captured

The Union League advertises for all soldiers out of employment to engage in peddling pictures of General Geary! This is not quite what they were promised while the war was going on. Then they were told that when they returned from the fields of bloody strife. they would be rewarded by a grateful people. kind, and if an enterprising band of Fenians They are now at home, and their reward isthe privilege of peddling pictures of Geary ! they would meet with little or no difficulty .- The gratitude of Republicans exceedeth de-

Grant, to the cause in future, he receives nothing Esq., and he will undoubtedly be presented as the Erie candidate before the district confercounty have all received his announcement ence, with, we hope and believe, a favorable with silent contempt, which, to a man of prospect of being the nominee of our party.

The channel of our harbor, after the effective dredgings which have been applied to it, is in better condition than it has ever been before. Vessels of the largest size can enter without fear of getting fast upon the bar, as in past years. It only needs a little dredging alongside some of the docks to make our harbor the most convenient, as it is universally admitted the safest, upon the lake.

The Mercer Press, published at the former home of our candidate for Congress, is disposed to be sarcastic at his expense. We warn the Press that unless it desists from publishing any more such paragraphs as the following, an awful fate awaits it:

"George W. DeCamp is a candidate for the Congressional nomination in the Eric district. The Erie county people have a weakness for clown candidates, it would seem."

"Wouldn't Western | Pennsylvania cut pretty figure in the Congress of the nation with Achre and DeCamp as its representatives? Contemplate such a possibility for s moment, and see whether you feel more like laughing outright or covering your face from

- The Observer office is now turning out some of the tastiest job work ever done in this section. Mr. J. P. Foulke, who has special charge of that branch of our business, is admitted by command. The tug waited not for friend or all acquainted with his merits as a workman, to be one of the most skillful job printers in the country. We are weekly making additions to our establishment, and have no hesitation present that if his past Democracy is the sole in claiming that we can do work of any kind and in any style at as low prices and in as neat a manner as the offices either in Buffalo

> or Cleveland. A meeting of citizens of 12th street, including almost every resident of that focality, was held on Thursday evening last, P. P. Liebel presiding. After some deliberation, it was information that British forces were at Chipunanimously resolved that they would contest the occupation of the street by a railroad until the Supreme Court has decided whether the company possesses the right of way or not. There is no mistaking the fact that these people are very much in earnest. They are emphatic in their resolution not to allow an inch of track to be laid until the matter has been judicially tested. The decision of the Courts der command of an officer of the steamer Michigan, ordered them to round to aid hand they say they will respect, whether it goes for alongside. Col. O'Neil then surrendered his command to the United States authorities. or against them.

That portion of our citizens who have been The Michigan was signalled, and having steam up and anchor tripped was soon alongaide, and taking the transports in tow dropped deluded by the representations of Radical papers into the belief that they would heredown to the lower Black Rock. After the Feafter be relieved from State taxation on real nians had left Fort Erie it was occupied by a targe force of Brillet, who keep ap estate, will be somewhat aslouished to learn guard. Very few incidents of interest have that the County Commissioners have received occurred in the locality since. The Fenish orders to assess the 24 mill tax this year the officers were kept as prisoners on the Michigan, but most of the men were allowed to escame as before. The act of the last Legislaure, taking off this species of taxation provicape. A writ of habens corpus was sued out for the release of the former, and Judge Clinded that in case the tax had already been ton, of Buffalo, has directed them to be set provided for by the State Commissioners it free, holding them subject to the civil laws—should be levied this year as usual. It would A considerable force of Federal soldiers has

ed during the forenoon of the advance of

Canadian troops. Breastworks were hastily constructed, and skirmishers thrown to the

front. The Fenians were armed with rifles.

bowie knives and pistols, but had no artillery

and were ununiformed. Their appearance on

British soil created intense excitement in Can-

ada, and rapid preparations were made to re-

pel the invaders.

Toward the close of the day advices from

Washington, and the growing boldness of the Fenian preparations in Buffalo to reinforce the invadors in Canada, induced the steamer

Michigan and the military authorities to

check communication between the two shores

of the Nizgara. Orders were issued ferbid-

which were only partially effective owing to

lack of means to enforce them. Rumors pre-

on other points, and telegrams announcing bodies of Fenians moving in all directions towards the border were sent over the council

try during the night. Our Government sent

troops to Buffalo and various points along the

line to prevent any more Fenians from cross-

ing. In Canada the volunteers and regulars

on Saturday morning, merching towards

Ridgway in good order. At Limestone Ridge they heard that a considerable force of Cana-

dian volunteers was in their front, and formed

into line of battle. The first shot was fired by the Fenian skirmishers, and a musketry

hre was kept up for some twenty minutes.-

The British made a general advance, the Fe-

nians falling back about 40 rods to a piece of

woods, wading through a swamp for the pur

pose, forming a new line in a horse shoe shape.

Sole agent for Eric County.

Also, agent for the best Horse Hay Fork. jurief

FRIDAY AND SATURDAY. June 15th and 16th, 1866.

THE GREAT MASTODON OF 1866, Embodying the enormous cava cade of 100 men and 160 horres, together with a grand-and comprehensive troups of Performing Monkeys, Aper, Baboons, Animals Dogs, Ponies, &c , collected from four quarters of the

THE GRAND ALLIANCE OF TALENT Organized on a scale of unprecedented magnific-nee and the extraordinary and varied performances of for eign and native artists, and the troupe of performing

MONKEYS, DOGS, ANIMALS AND PONIES Will inaugurate a new era in amusements. The enter-tainments will be produced with a degree of originality and spiender never before attempted in this country.

GRAND. ENTREE CAVALCADE

Of this gigantic combination will afford the public a gratuitous virw of its prol fic resource and unparalleled rich-ress The magnificent churiots, cares and carriages, exquisite in des gn, superbly carved and decorated with costly ornaments and appropriate allegoried had historical paintings will be drawn by spirited steeds richly and gaily decorated. Thiesa, with other attractions, will form prominent fathers in this great management.

THE SUPERBY EQUESTRIAN TROUPE Attached to this great Circus comprises the most talented American and European

MALE AND FEMALE ARTISTS.

Known in the profession, it being the aim of the Pro-pristors, regardless of sost to present in every depart-ment of equestrian and athletic skill, the most skillfull and artistic performances over witnessed in this coun ry.
The greatest female rider, the greatest male rider, the greatest leapers of England and America, and the greatest clowns are attached to this company, viz.:

M'lle Carlotta DeBerg, The most beautiful, daring and artistic equestrienne in Mr. Robert Stickney,

Is unapproachably the greatest sommersault rider that has ever appeared in America. Charles W. Noyes, And his celebrated trick horse, "Gray Eagle, Jr." Mr. James Cook,

The English Champion, and Mr. G. M. Kelley, The American Champion Are incomparably the greatest Leapers that ever sp-peared in America. Mr. and Mrs. Tom King,

The unequalled Dual Equestrians The Mines Brothers, Professor De Louis. Three original Clowns,

Dr. James L. Thayer, James C. Reynolds, and Tom Poland and 20 other artists, male and female.

The elite of three different Circuses, who have been fixed stars in other equestrian establishments, have no rivals but themselves in their several departments.

Dogs. Monkeys, Mules and horses contending with seh other for superiority in cultivation of ins incts. The world has never before or will probably never again witness so many first class Performers concentrated in one circle

Admission,.... Children under 12 years, .....25 cts.

SEATS FOR EVERYBODY. NO STANDING ROOM N. B. Remember the greatest show of the season is coming. Observe the day and date.

ESPECIAL NOTICE Family parties of ladies and children visiting the circus will have prompt attention shown them by politically assigned to promote the comfort of families who are number to attend the exhibition with an
