The Campaign Observer.

We remind our friends that the period for the same active effort to corry the Guberna and contest this fall has arrived. In no way an -o much be done towards the promotic this prime be sold towards the promotion to Union principles as by the dissemination of that Democratic papers. The Campaign Unifier, Fublished at the low rate of one ital for siz months, or FIFTY CESTS for three in the North-West. We desire, if possible, tist it shall secure a circulation of two thouin l copies, and call upon all Democrats to sent us in autaining that object. Who will he the first to send us a club of five, ten or ineut; Each of our present subscribers has a number who, by simply speaking to him, ch. d he induced to subscribe, and with a litfr: our list can be doubled in every The first out has been be used by work, friends, without delay, and let it not be said that we 1.st our candidate for Governor by the want of activity in those who claim to be his supma31-(f

Potter's Cylinder Press.

The unusually neat appearance presented by the Observer this week is due to it's having tees printed upon one of C .- Potter Jr. & to's celebrated Cylinder Power Presses, one of which we have just introduced into our thes. A few months ago, finding that our old after giving each a thorough trial, came to the conclusion that the Potter press possessed merits for general office use ahead of all its. establishment, we are still more convinced of as superjority, and we take more than ordinary pleasure in recommending it to the attention of any of our neighboring colemporaries who may be intending to purchase a new press. We have not time at present to enter into a general description of its peculiarities, but will describe them more minutely-hereafter An excellent cut of the Press appears in our first page, and we invite all who take

and see it in operation.

PRICES IN ERIE AND ELSEWHERE .- A CATE. fal examination into the prices charged in

TAKE NOTICE .- As the season for fruit and berries approaches, our citizens are suffering from the depredations of petty thieves and pilferers, in many cases the children of re-

speciable people, whose parents do not dream of the occupation of their offspring. It may last Monday. the ground is a serious offence, and the rem edy is simple and prompt. By that law the wilful taking and carrying away of fruit, vegetables, plants, vince, shrubs or trees, is made a misdemeanor punishable in the Court of Quarter Sessions, and rendering the of-

fender liable to a fine of \$50 and imprisonment for sixty days. The course of proceedings under this act is plain and easy. A comremedy. For those who prefer it, there is a office. civil remedy. By another section, any one

who shall wilfully enter or break down, through or over any orchard, garden, yard or wrongfully club, stone, cut, break, bark or walk over, beat down or trample, or in any way injure any grain, grass, vines, vegetables or crops," shall, on conviction before any alderman or justice of the peace, or in any court have judgment against him in any sum

not less than \$5 or more than \$100 with costs-This fine is to go one-half to the informer and one-half to the occupant or owner of the land. In default of payment, the offender must go to jail. The law now provides a full and sim-

ple remedy against the plunder and damaging of gardens or varie, and it is the fault of the owners if they suffer. The Girard Spectator of last week responds mortifying to the Senator, whether true or torial duties. falso. The editor of the Spectator has undeubtedly determined that, let the libel case subscriber who has taken a copy of the paper turn out as it may, Lowry shall be none the for the last eighty years-and paid for it .-more comfortable far it. He is strongly backed up by some of the wealthiest and most influential men in the county, of both political parties, and, as he has shown himself a for it regularly, ever since the day it was man of grit the sympathies of the public started-more-than 36 years ago. -

are rapidly turning in his favor. We learn that the notoriety given to the Spectator by the suit which Lowry has instituted, has already had the result of adding largely to its der the federal government, signifying that list. New subscribers are pouring in upon the whole office holding class are expected to the editor by the dozen, and, what is most vote Democratic tickets next Fall .- Exchange. curious, two thirds of them are men of the same political creed as our Senator. It should have strong faith that in a very short time the road will be an accompliched fact. It should have strong faith that in a very short time the road will be an accompliched fact. It should have strong faith that in a very short time the road will be an accompliched fact. It should have strong faith that in a very short time the road will be an accompliched fact. It should have strong faith that in a very short time the road would play the strong faith that in a very short time the road would play the most of the an accompliched fact. It should have strong faith that in a very short time the road would play the strong faith that in a very short time the road would play the strong faith that in a very short time the road would play the strong faith that in a very short time the road would play the strong faith that in a very short time the road would play the strong faith that in a very short time the road would play the strong faith that in a very short time the road would play the strong faith that in a very short time the road would play the strong the strong The Union Mills Bulletin says "the election" not be forgotten, however, that upon the lib- where his wife accompanied and continues to erality of the people of Erie and elsewhere,

gressor is hard." the success or failure of the road depends." We understand that subscriptions to the \$50,-000 of stock necessary to complete the road have been taken quite freely in our city duwithin the present month.

The Democratic conventions of Venango and Clarion counties have instructed in favor of Gen. A. B. McCalmont, of Franklin, as the candidate of cur party in the district composed of Crawford, Mercer, Venango and Clarion. We do not think a stronger man can Kimball, P dennedy, B F Barnes, J E be found in the district. With the Radicals more ; Springfield-P Anderson ; Gir. divided and fighting like excited tom cath in

course in case he is nominated.

opened for retaliation and oppression; and siroulars pour in at police headquarters from unfortunately, in such instances, the epportu-nities are too frequent for such anythings of

perverted power. The men with whom he has warred are the active, energetic business men of the county. the experiment, and the result was that his trade almost doubled within ten days. He is friends in Crawford county to abolish their into business conflict and competition; out of trade simget doubled within ton days. He is now doing the largest business of the kind in the city, employing some eighty assistants.— This is an overwhelming proof that the royal road to wealth lies through the advertising cclumns of the newspapers. BEPUDLICAN CANDIDATES.—The following such canvass as the competition, ont of present system of nominating candidates for office, and return to the one in practise in the the out of the other acounties of the state. It contends that the system has already and good feeling of the party, and another such canvass as the competition, ont of which grow litigation, thus inevitably bring-ing them into the power of "the court," as the lawyers say. One quality, at least, a Judge should have—more important than all else-that cool, dispassionate habit of the and feeling that will insufe every man's case the one for an out of the system has already and feeling the will insufe every man's case the competition, out of which grow litigation, thus inevitably bring-ing good feeling of the party, and another the court of the tother another the lawyers say. One quality, at least, a Judge should have—more important than all else-that cool, dispassionate habit of the afair, candid, impartial treatment. No long the lawyer long allowed to state in the system has the part of the lawyer of the state of the system has already the partial treatment. So long the lawyer long allowed to state the the system has the lawyer of the system of the system has already the partial treatment. So long the lawyer is all the system has all the system has all the system has all the lawyer of the system has all the la REPUBLICAN CANDIDATES. -- The following such canvass as the one between Pettis and temper long allowed to school itself in uncon-is a list of the Republicans in our district and Finney-if this one dies not-will have the trolled denuncistion and hats. The true law affect of placing the county in the hands of the opposition." Should the latter result be affected, we say, keep the system a going. The Meadville Journal tells the following: "A young lady in Mead township lately be "A young lady in Mead township lately be-came attached to a youth residing in the same neighborhood, and being desirous that the affection should be mutual, she procured of law, and the man who habitually fails to make them compatible is not the man to fill some 'love powders,' and mixed them in her with safety or propriety the "Seat of Jue-

tice "

The War in Europe. Prussia formally declared war egainst Aus-tria on the 18th uit., and the movements of troops immediately commenced. The King of Pruscia inaugurated the campaign by an We not ce that the Republicans of Venango county have endorsed S. P. McCalmont as imperial proclamation, in which he announce the candidate of their party for Congress. Is ed the fullest reliance upon the filelity and this the same gass chan who was formerly in co-operation of the public. On the 17th ult, this the same gassy chap who was formerly in this the same gassy chap who was formerly in the Staté Legislature, and ent such an absurd figure while there as to become generally known as "the Venango County Wind Mill?" at the latest dates were advancing upon Cas. sel. An engagement took place between the Prussians and Hessians near Frankfort, which the latter were badly beaten. One movements, the Prussians have occupied morements; the Prussians havo occupied Seidenaburg, Dahlen, and Ricsa, and an ad-ber daak from the block of accw. A rewar reace of the forces was within two miles of Leipsio, and the railway communication be-tween Ecipsic and Ricsa had been destroyed. At the gatest dates they had not crossed the Anatrier frontier.

Hostilities were commoniced by the Austrians on the 18th. A small party of Aus-trian goldiers crossed the Silesian frontier on that day and dispersed the Prussian patrol. A large body of the former were marching to-wards the Silezian frontier with an intention of co-operating with the forces under arms in that quarter. It is supposed that the Saxon forces will retire before the Prussians ap by the Republicans. The Democratic combined will either be a gentleman from this county or Judge Brown, of Warren. On Saturday of last week C. V. Calver, the collansed financies and Republican member

read will be an accomplished fact. It should him, and was sent to prison accordingly, other great powers seem to be watching each not be forgetten, however, that more the line, where his wife accompanied and continues to other with sleepless vigilance. Russis has declared that her neutrality depends upon the share a cell with him. "The way of the transaction of France. So long as the latter pow-er maintains a strict neutrality she will do so; "Young man, have you a good library ?"___ but if France shows evidence of going into the contest, Russia will then take care of her "No." "Why not ?" "I can't afford it, be-own interests. France, England, and Russia, cause I'm too poor." "Do you smoke cigare have united in protesting against Turkish in. ting the last couple weeks, and that there is a or chew tobacco?" "Yes." "How much do tervention in the affairs of the Danubian fair prospect that the full amount will be they cost you per annum?" "A trific-amere Principalities. The war has now commenced, fair prospect that the full amount will be they cost you per annum?" "A triffe-amere and each arrival from Europe will be looked triffe-only a mere triffe." "How much do for with increasing interest. Will Prance and they cost you each day?" "Well, as I am Russia be able to keep out of the contest ?very temperate, only about twenty cents for That important question events, as they develcigars." "At the end of the year do you feel ope themselves, alone can answer.

any better than you would if you refrained Godey's Lady's Book is at hand with from the use of tobacco ?" "No, I can't say from the use of tobacco i." "No, I can't say that I do." "Well, they cost you each day twenty cents, or a little over seventy three dollars per annum." "Oh, not so much; but stop-let me see-yes, you're right-seventy-ladies rowing, with a young gentleman seated divided and fighting like excited tom cath in Crawford county, Gen. McCalmont, possessing as he does a splendid record as a soldier and man of talent, can hardly fail to sweep the hend the reason that you are too poor to have are quite valuable.
