From Rev. W. D. Seighied, Tastor of Twelfth Baptist Church, Philas.

Gentlemen - I have recently been laboring under the distresting effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedles were recommended by friends, and some of them tested, but without relief. Your Hoofland's Gerwan Bilters were recommended by persons who had like them, and whose favorable med.on of these Bitters induced me to try them. I must confess that I had an aversion to Fatent Medicines from the "thousand and one" quest "Bitters" whose only aim seems to be to palm off sweetened and drugged lique upon the commonly in a siy way, and the tradency of which, I fess, is to make many a conduring drunkard. Upon learning that yours was really a medicinal preparation I teok it with happy effect. I has action, not only upon the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully yours.
