

A Great Day in Erie

PRESIDENT JOHNSON, GEN. GRANT, ADMIRAL FARRAGUT, THE CABINET, and HON. HIESTER CLYMER

Positively to be Present.

By appointment of the State Central Committee, Hon. Hiester Clymer, Demoable to visit our city during the campaigh, and all who have a desire to see tive branch of the government against its and meet him, should embrace the opportunity to be in attendance. He bears the reputation of being one of the most eloquent speakers in the country, so that all who come to hear him will be richly repaid for their trouble.

Mr. Clymer will probably be accompanied by Hon. Wm. A. Wallace, Gen. McCandless, , Uen. W., W. H. Davis and other eminent Pennsylvanians.

On the same day, President Johnson, persons, will pass through Erie, on their way to Chicago. The party will leave Buffslo at 1 o'clock, on a special train, an hour, and it is confidently believed that the President or some of his Cabinet will address the people.

out en masse on the 3d of September, and give these eminent heroes and statesmen a cordial greeting.

Let there be such an outpouring of the conservative voters as has seldom been seen in this Abolition portion of Penn

Come with your fligs and emblems. Come in processions.

Come with your conveyances. Come, on horseback and on foot-any way to get in.

Let the local organizations everywhere

men" of every faith. Let no one be idle from now to the day of meating, and let us have a demons-

fate which awaits them in October.

upon the consent of the governed, can long occupy the equivocal position of a coercive, repressive power toward eight or ten millions of men. E:ther there must be ment is now in more peril than it was during the war. The despotisms of the Old World are beginning to confess that they cannot hold nationalities against their will and consent. Venetia is enfrancontinue to form a portion of the Austrian empire. The forcible retention of Ireland estrangement between the whole North is causing England untold trouble, and and the whole South. When each section steps to render justice to the Roman Catholic population of "the Sister Island," Force cannot much longer control in the affairs of the world. Might does not make right now. The good old axiom of the Rob Roys, whether big or little, is well nigh, exploded and fallen into disuse -Reason, free consent and anvenlightened public opinion are paramount everywhere. The military repression, which is to dear to our Butlers and Butwells, cannot exist permanently among us. If the people of the different sections cannot live peaco-

The enormity of the fraud which Congress perpetrated by increasing the pay of its members from \$3 000 a session to \$5 000 is awakening general attention and indignation. As a specimen of the man; ner in which it works, a cotemporary figures as follows: 'The next session of Congress will commence on the first Monday in December and end on the 4 h of March, 1867-making ninety days. For this length of service the Republican members have voted that they shall have \$5,000, which makes their compensation per day a little over fifty five dollars and a half." When the burdens of the people, and the difficulty which thousands experience in paying their taxes, is taken into consideration, this act of selfish extravage agance may well be classed as one of the basest and holdest frauds ever conceived.

If the people are not wholly lost to a sense If the people are not wholly lost to a sense of public interest and patriotism, they body can again be made to believe that right will see to it that not a man who voted he is supporting the President while vot for this scandalous robbery will have the ing for the candidates of Radicals. Hereopportunity to draw any of the money after, every man who is not with the Prefrom the National Treasury after his present term closes. 1 &

Tuz Sharon Herald informs us that its party "during the past session of Congress, adhered to the principles for which it fought during the war." Not a bit of doubt of it Its "principle" during the war was to steal all it could, and the members of Congress bravely proved their phia, last week, made the following curi-"adherence" to the "principle" by voting themselves \$2,800 extra pay at the close of

from the following considerations:

tive in shaping the policy of the country is attested by the vehement struggles which have always been made by our political parties to secure that great office. To elect a President has always been deemed the greatest victory which can be achieved in our politics The power of that officer, even if he were the first mechanic or day laborer that could be picked up in the street is equal, through the veto, to that of one third of both Houses of Congress. He is also Commander-in-Chief of the Army; he negotiates all treaties; he appoints all officers; and, through his subordinates, he has the collection and disbursement of the immense revenues of the government. In the hands of the commonest and least angacious man, this would be a great power; but in the hands of a statesman of sagacity, experience, and of a strong resolute character, like Mr. Johnson, it is gigantic. cratic candidate for Governor, will address. The very things cited by the Gazette to prejudice Mr. Woodruff's prospects, are the constitutions, and neither Congress of our republican institutions, and neither Congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a minority assume to the sphere and congress in a mino

by the Constitution of our fathers. [Loud The President here approached the spo

where Senator Johnson was standing, and I consider the proceedings of this convention, sir, as more important than those of any convention that ever assembled in the United men who are trying to destroy the country, I regard it as more important than any convention that has sat at least since 1778 cheers.) I think I may say, also, that the de-larations that were there made are equal with the Declaration of Independence itself, (cries of, "glorious," and most enthusiastic and prolonged applause), and here, to-day I pro nounce it a second Declaration of Indepen nothing more or less than a re-affirmation of the Constitution of the United States. (Crie ted in your address, are a second proclama tion of emancipation to the people of the United States—for in proclaiming and reproclaiming these great truths you have laid down a constitutional platform upon which all can make common cause, and stand together for the restoration of the States and reference to party. (Cheers.) The question country rises above all party considerations Mr. Chairman and gentlemen-Let me, it

require to be free?—that have the shackles upon their limbs; and are bound as rigidly as fare? I am as much opposed to the indu! conversational manner, while formally re priations at my disposal, with the machinery to be worked by my own hands, with my satraps and dependents in every town and village, and then with their "Civil Rights Bill" press can drive me from my purpose. I ac-

The motion was carried unanimously, and of the States inevitable. Instead of promoting spontaneously from the great mass of the state of the state of proposed in the state of the New York than arose and proposed, in behalf of the New York than arose and proposed, in behalf of the New York than arose and proposed, in behalf of the New York than arose and proposed, in behalf of the New York than arose and proposed, in behalf of the New York than a partaken of the state of proposed, in behalf of the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in behalf of the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of proposed, in the New York than a partaken of the state of the proposed, in the New York than a partaken of the state of the state of the proposed, in the New York than a partaken of the state of the state of the state of the state of the partaken of the state of t

having practiced upon it during the whole of for General Brant. The President and Gen. my public career. I shall ever continue to Grant hen retired arm-in-arm, and the committee and the audience gradually dispersed.

A. County Convention. The voters of Erie county, without distinction of party, who desire the proceruation ask this another me to day to point to a vote I of the Union under the policy of President Johnson's Administration—who sustain the single act of my whole public life, that has not been against tyranny and despotism—
What position have I ever occupied, what recommend have Lever assumed, where it can be in favor of a return to an economical manage-ment of the Government, and opposed to negro suffrage and social equality, - are requested to meet in their respective election precincts, at the usual places, on Saturday September 8th, 1866, (in the wards and boroughs at 8 o'clock, p. m., and in the townships between the hours of 1 and 8 o'clock, p. m.,) for the purpose of choosing delegates to at-tend a County Congention to be held in the Court House, in the city of Erie, on Monday, September 10th, 1866, at 2 o'clock p. m., nominate candidates for the various district and county offices.

The following table exhibits the number of delegates to which each election district is

Union, when its every step and act tended to perpetuate disunion, and make a disruption of the States inevitable. Instead of promoting reconciliation and harmony, its legislation has pariaken of the Abarasaw of pountico, retaliation and revenge. This has been the course and policy of one department of your government. The humble individual who is now addressing you stands the representative of another department of the government. The manner in which he was called upon to occupy that position I shall not allude to not this occasion: suffice it to say that he is lifere under the Constitution of the country, and being here by virtue of its provisions, he takes his stand upon the charter of jour liberties as the great rampart of civil and realighting have expressed on the provisions of the conclusion of the conclusion of the conclusion of the conclusion of the provisions, the takes his stand upon the charter of jour liberties as the great rampart of civil and realighting practiced oppon it during the whole of my public career. I shall ever continue to

tions given of it for the cure of Catarrh Affections, and that it is decidedly the best articles we have ever known for all common diseases of the Head.
