MATARRII CURED FOR ONE DOLLAR. READ! For one dollar, per mail, I will send free to any address a recipe and medicine that I will guarantee to cure the worst cases of Catarrh in the head or bron that tweets in a few weeks. It has saved my life, and cured me of Catarrh and a severe bronchial trouble I had suffered, with for years. I tried the 'est physicians and all the advertised medicines of the day, but found no relist till I obtained this. I would give one hundred dollars for this recipe and the medicine if I now had the Catarrh and could not obtain it less. I believe, if natractions are followed, it will cure any case whatever that has not already reached the lungs and became a settled occamiplion. Cure it while you can.

Ayer's Sarsaparilla

A compound remedy, designed to be the most A compound renery, that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowcitizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCHOFULA AND. SCHOFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUNORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-PECTIONS, MERCURIAL DISEASE, DROPST, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ENTSIPELAS, ROSE on St. Anthony's Fine, and indeed the whole class of complaints arising from Impurity of This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-

broother than season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery o

life is disordered or overthrown. Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment bas followed the use of the various extracts of has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rects upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to give. In order to secure their complete has followed the use of the various extracts of d to cure. In order to secure their complete endication from the system, the remedy should be judiciously taken according to directions or

Ayer's Cherry Pectoral has won for itself such a tenown for the cure of every variety of Throat and Lang Complaint, that it is entirely unnecessary for us to recount the evidence of its virtue, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be rehed on to do for their rehef all it has ever been found to do.
