Abolitionist. At that time the Republican party was not an Abolition party, but simply opposed to the extension of slavery into free territory. He found when he entered the Senate, two sets of men in the Republican party who differed as widely as Democrats and Republicans.— Unto an extension of Abolitionists One set was composed of Abolitionists, who had no party among the people, but whose constant cry was that the people must be educated up to their radical views. The other was composed of mod-ure was that the people but is mind; possibly be considered would bave to take good care of himself. Judge Chase don't want the question of the attempt description of the sham generals who train with the Radicals, had Geary especially in his mind's eye, and the cheering and laughter of the audience grew uproarious as he opened his batteries of ridicule and denuncistion on the hero of Snicker was, the luttle knot of reckless agitators marged to push themselves to the pout and then we parted company. k ZEIGLER, t, Erie, Pennsylcania, them from the great end in view of re-them from the great end in view of re-storing the Union. The Democrats had to kelp fight and they would have to help man striags of the best qual-men & Bacon's Piano Forter: A Linkley Cabinet Organs and by bringing forward radical measures, to Abolitenests and doils at the server policy of the South among the majority of the South are good man-a wise and honest man. He shall we follow? Shall we follo by bringing forward radical measures, to North. The Radical demonstrated to the States Senate. But the attempt had been South that Jeff. Davis was correct in his statement of the abolition purposes of the people, precisely as this attempt will be Northern people. When negroes were frustrated. The Radicals hope, if the captured in the war, he was in favor of South is kept out, they will maintain their treating them as other people who might be captured; but Congress had passed laws effecting their status; laws intended Isws effecting their status; iswe supervised to go into operation where our armies, two hundred thousand strong, could not peneirste. Mr. Cowan then referred to the position Mr. Cowan then referred to the position of President Lincoln, and showed how he had resisted the Radica's from the be-

ginning, and that he had been as bitterly opposed by Stevens, Sumner, Wade, Win-ter Davis and others as Mr. Johnson now is. They managed to drive Mr. Lincoln is. They managed to units and if he had fur-from point to point, and if he had fur-ther resisted them the Radicals ware pre-marad to marrifice the government itself. pared to sacrifice the government itself. Only three days before he issued his

to strengthen Jeff. Davis—and he had no doubt the main strength of the rebellion lay in the effect of Radical policy at the South. Andrew Johnson said to him in the Senate, in referring to the Radicale. South, when they defended the people of South that Jeff. Davis was correct in his thewarted by the determination of the putition in control of the government, and that is the secret of their opposition same thing, and in that august tribunal the States lately in rebellion are regularly to representation. He was personally friendly to Messrs. Stevens and Sumner called, and cases arising in them heard the same as though arising in other States. But Congress refuses to recognize these states, and admit them to representation on the broad, flat ground that the states and the people of the states are not

THE FUTURE OF THE NEGRO.

entitled to representation. That doctrine is the doctring of dissolution-of disunion The speaker pext entere l into an ex--of anarchy. If we keep these people out amination of the condition of the negro race of the South. He believed the adof the Union we throw the country into a race of the South. He believed the ad-vocates of social and political equality for the negro were the worst enemies the negro had. They cannot compete with the white race. Since the war commenced, it was estimated that one million negroes that have a right to have -- it is your right. -- of the Union. During the first year of its progress they declared that they never should go out. Afterward they swore fer-vently they were not out. And they now AUM and BRIAR PIPES. T. CRIWA and LAVA PIPES. T. CRIWA AND ST. T. CRIWA A them. He then took up the reconstruc-tion policy initiated by Mr. Lincoln, and to 91 inches in the white race. His fate to 91 inches in the white race. His fate to 91 inches in the white race. His fate does justice to Mr. Cowan's eloquent effort. Johnson se President for a wise purpose." carried out by Andrew Johnson. He when brought into competition with the does justice to Mr. Cowan's eloquent effort. | clared that " Providence gave us Andrew Johnson as Fresident for a wise purpose." | statesmen was identical. He explained tive white man, will be the same as that at length the action of Presidents Lincoln of is weak plant alongside one of strong present the teading points of an argument in a speech of two from John Wilkes Booth."

great and characteristic earnestness of purpose. So was Ord, Sheridao, Hancock, and in fact every general who had acquit-ed himself as a thorough soldier. One of your own generals—one of the bravest of the brave—who had been shot through and through, and round acquind—Gen. Richard Culler atood firmly be the Deco tion as Vice President he said he had op-Richard Culter, stood firmly by the Pres-ident in his great work of reconciliation. posed from the start. Mr. Stevens thinks But what military men were with the nations are punished by Providence for Radicals? Why, every sham general that their crimes, and that Mr. Johnson is served in the army-every pole with a sent to us because the nation does not do cocked hat stuck on it-all the Butlers and Schurzs. Every fellow who blew his justice. A year ago the Republican leaders own trumpet, and carried a newspaper thought Providence gave us Mr. Johnson correspondent with him to write his bloodas President as a token of especial favor, less battles up-every general who made stump speeches-all these fellows, as a matter of course, are with the Radicals and very free in denouncing the Presi-dent. [It was generally understood by nized as authorized interpreters of the

JUDICIOUS DIVISION .- At an examination in one of our young ladies' seminaries the laughter of the audience grew uproarious other day, the question was put to a class as he opened his batteries of ridicule and denunciation on the hero of Snicker of "little ones," who makes the laws in our government ? Congress, was the ready Those who adhere to the President in reply. How is Congress divided ? was the bis pol.cy of peace and restoration, have with them the patriotism and intelligence of the whole country, North and South. We have appealed to the people and the little girl in the class raised up her hand, speaker believed the appeal would be tri- indicating that she could answer it. Well, umphantly sustained. But, if we cannot get the victory—if this Ratical rule is to you say the division is ? Instantly, with
