The air warmed by this Furnace is all that I can desire, being free from all noslous rases or smoke. I shall take pleasure in recommending it to my friends.

From Rey. W. D. Seigrited, Partor of Twelfth Baptist Church, Philads.

Gentlemen—I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the nerrous system. Numerous remedles were recommended by friends, and some of them tested, bu without relief. Your Hoofland's German Bitters were recommended by persons who had tried them, and whose favorable meation of these Bitters induced me to try trem. I must confess that I had an aversion to Fatent Medicines from the "thousand and one" quack "Bitters" whose only aim seems to be to palm off sweetened and drugged liquor upon the community in a sly way, and the tasdency of which, I feas, it to make many a confirmed drunkard. Upon learning that yours was really a redictinal preparation I taok it with happy effect. Its action, notonly upon the stothach, but upon the nervous system, was prompt and gratifying. derangement of the liver.

From Rev. D. Merrige, Fastor of the Passayunk Laptist Church, Philada.
From the many respectable recommendations given to Dr. Hoodand's German Bitters, I was induced to give them a trial. After using several bottles, i found them to be a good remedy for decility, and a most excellent tonic for the stomach. D. MERRIGE.
