BLOOD! BLOOD! BLOOD! Helmbold's

FLUID EXTRACT SARSAPARILL**A.** For purifying the Blood, removing all chronic constitu-tional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofuls, Scala Head, Calt Theam, Pains and Swellings of the Bones, Therations of the Threat and Legs, Blothes, Pimples on the Pecc, Tetter, Erysipelas, and all scaly Eruptions of the Skin. AND BEAUTIFIING THE CUMPLEMION

NOT A FEW of the worst disorders that afflict mankind arise from the uption that accumulates in the Eloud. Of all the dis coveries that have been made to purge it out, none can equal in effect Helmhold's Compound Extract of San-saparilla. It cleanes and renovates the Flood, instills the vigor of health into the erstem, and purges out the ore which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our spacehere does not admit of certificates to show its effects, but the trial of a single bottle will show to the sich that it has its wirtness surpassing anything they have ever taken.

Two tablespoonedul of the Extract of Exraparilla added to a pint of water is equal to the Lisbon Diet Drink, and

one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

HELMBOLD'S ROSE WASH, HELMBOLD'S ROSE WASH, accellent Lotion for diseases arising from bablis of dissipation, used in connection with the Extracts Buchn and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with hundreds of thousands living witnesses, and upwards of 5000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never respried to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need articles rank as Standard Preparations, and do-not neeto be propped up by certificates.
The Science of Medicine, like the Doric Column, should stand simple, pure, majestic, having Fact for its bast Induction for its pillar, and Truth alone for its Capital.

My Extract Sarsaparills is a Flood Purifier; my Extract mehn is a Diuretic, and will act as such in all cases. Both are prepared on purely scientific principlesracuo-and are the most active measures of either that can be made. contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds, upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this, compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obliquy which rests upon it. And we think we have ground for believing it has yirtues which are irresistible by the ordinary sun of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on
