HELMBOLD'S
GENUINE
PREPARATIONS.

"HIGHLY CONCENTRATED" COMPOUND

FLUID EXTRACT BUCHU,

A positive and specific Remedy for diseases of the Bladder, Kidneys, Gravel and Dropsical Swellings.

This Medicine increases the powers of digestion, and excites the absorbents into healthy action, by which the poisonous depositions, and all unnatural enlargements are reduced, as well as pain and inflammation, and is good for men, women and children.

H

HELMBOLD'S EXTRACT BUCHU,

For weaknesses arising from Excesses, Habits of Dissipation, Early Indiscretion, attended with the following Symptoms:

Indisposition to Exertion,	Loss of Power,
Loss of Memory,	Difficulty of Breathing,
Weak Nerves,	Trembling,
Horror of Disease,	Wakefulness,
Dimness of Vision,	Pain in the Back,
Hot Hands,	Flushing of the Body,
Dryness of the Skin,	Eruptions of the Face,
Universal Lassitude,	Pallid Countenance,

Muscular System.

These symptoms, if allowed to go on (which this Medicine invariably removes), soon follow—

FATUITY, EPILEPTIC FITS, &c.,

in one of which the patient may expire. Who can say they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION?

Many are aware of the cause of their suffering, but none will confess. The records of the insane asylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once affected by organic weakness, requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

E

In many affections peculiar to Females, the EXTRACT BUCHU is unequaled by any other remedy, and for all complaints incident to the sex, or in the

DECLINE OR CHANGE OF LIFE,

☞ SEE SYMPTOMS ABOVE.

☞ No Family should be without it.

L

Take no Balsam, Mercury, or unpleasant medicine for unpleasant and dangerous diseases.

HELMBOLD'S EXTRACT BUCHU
AND
IMPROVED ROSE WASH
Cures Secret Diseases

In all their stages little expense, little or no change of diet, no inconvenience, and NO EXPOSURE.

M

USE HELMBOLD'S
EXTRACT BUCHU
For all affections and disorders of these organs, whether EXISTING IN MALE OR FEMALE,

From whatever cause originating, and no matter how long standing. Diseases of these organs require the aid of a diuretic.

HELMBOLD'S EXTRACT BUCHU
Is the Great Diuretic.

And it is certain to have the desired effect in all diseases for which it is recommended.

B

BLOOD! BLOOD! BLOOD!

Helmbold's
HIGHLY CONCENTRATED COMPOUND

FLUID EXTRACT SARSAPARILLA,

For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly Eruptions of the Skin,

AND BEAUTIFYING THE COMPLEXION.

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and removes the Blood, gives the vigor of health into the system, and purifies out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorder that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have the one on which they can rely. Several space here does not admit of certificates to show its effects, but the trial of a single bottle will show to those that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

O

HELMBOLD'S ROSE WASH,

An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with hundreds of thousands of living witnesses, and upwards of 50,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

The Science of Medicine, like the Doric Column, should stand simple, pure, majestic, having Fact for its basis, Induction for its pillar, and Truth alone for its Capital.

L

My Extract Sarsaparilla is a Blood Purifier; my Extract Buchu is a Diuretic, and will act as such in all cases.

Both are prepared on purely scientific principles—*ex vacuo*—and are the most active measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following works:

See Dispensatory of the United States.

See Professor DEWEES' valuable works on the Practice of Physic.

See remarks made by the celebrated Dr. PHYSIC, Phila.

See remarks made by Dr. THOMAS MCDOWELL, a celebrated Physician and Member of the Royal College of Surgeons, Ireland, and published in the Transactions of the King and Queen's Journal.

PIANO FORTE MANUFACTURERS!
499 BROADWAY, N. Y.

The attention of the public and the trade is invited to our new scale, seven octave, rosewood piano fortes, which for volume and purity of tone are unrivalled by any hitherto offered in the market. They contain all the modern improvements—French grand action, harp pedal, iron frame over-strung bass, &c., and each instrument being made under the personal supervision of Mr. J. H. Grovesteen, who has a practical experience of over thirty years in their manufacture, is fully warranted in every particular.

The Grovesteen Piano Forte received the highest award of merit at the celebrated World's Fair, where were exhibited instruments from the best makers of London, Paris, Germany, Philadelphia, Baltimore, Boston and New York; and also at the American Institute for five successive years, the gold and silver medals from both of which can be seen at our ware-rooms

By the introduction of improvements we make a stiff and *perfect piano forte*, and by manufacturing largely, with a strictly cash system, are enabled to offer these instruments at a price which will preclude all competition.

Our prices are from $100 to $200 cheaper than any first class Piano Forte.

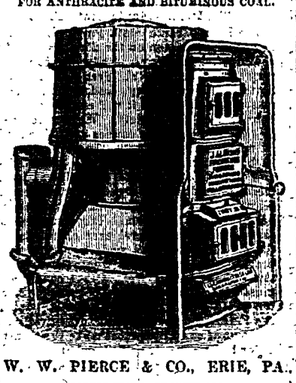
LAWSON'S HOT AIR FURNACE,
FOR ANTHRACITE AND BITUMINOUS COAL.



W. W. PIERCE & CO., ERIE, PA.,
CORNER STATE AND NINTH STS.,
SOLE AGENTS!

We recommend Lawson's Furnace as being altogether superior to any other article of the kind. It is easier managed, more powerful and less liable to get out of order than any other hot air furnace made. And as it will produce more heat with the same amount of fuel, it is also the most economical. All of these points we are ready to establish by satisfactory proof.

HOME TESTIMONY.

ERIE, PA., June 25th, 1866.

Messrs. W. W. Pierce & Co.,

Sirs—Having used during last winter, the 16'J A. Lawson Furnace which you put into my house last autumn, I am fully prepared to offer my testimony respecting its efficiency, and will add that I take pleasure in recommending the same to any one desiring a good heating apparatus. The air that we receive from it is pure and not over heated, but coming into the rooms as it does in large quantities, supplies the required amount of heat, thus obviating that dryness which is usually experienced from furnace heat. The simplicity of its construction and the easy mode of governing the consumption of coal, make it the most complete and economical heating apparatus I have ever seen. I shall take pleasure in recommending it to my friends.

M. D. LOWRY.

ERIE, PA., February 12, 1866.

Messrs. W. W. Pierce & Co.:

The J. A. Lawson Improved Hot Air Furnace, which you put in my house in Erie last fall, has been in use now nearly four months and gives entire satisfaction. By a proper adjustment of the draft damper and occasionally cleaning the fire pot from ashes and cinders, we can have a greater or less degree of heat and a greater or less consumption of coal, exactly suited to the changes of the weather. The air warmed by this Furnace is all that I can desire, being free from all noxious gases or smoke. I shall take pleasure in recommending it to my friends. Respectfully yours,

WILSON KING.

ERIE, Pa., March 30, 1866.

Messrs. W. W. Pierce & Co.:

Gentlemen—The Lawson Furnace that you put in the basement of the First Baptist Church in this city, has been in use almost every day and evening during the protracted meeting of fourteen weeks, and has given entire satisfaction and we would cheerfully recommend it to any one desiring a good heating Furnace.

W. F. P. LIDDELL, for Board of Trustees

Also, of a long list of well known citizens who are using Lawson's Furnace, we refer to the following gentlemen: Messrs. Childs, Boyd and Chapin, Commissioners of Erie county; Robert Gray, Esq., Ninth St.; Captain J. S. Richards, Trustee of 1st Baptist Church, and the Commissioners of House Estate, Warren county, Pa.

We regard the Lawson Furnace as not only the best in use, but approaching as near to perfection as a heating apparatus. None need delay securing a hot air Furnace in the expectation that any decided improvements are yet to be made in this line of articles. An examination of the Lawson Furnace is all we ask to decide this question.

It is designed to heat every kind of building and is made of different sizes, of capacity for a medium sized dwelling or the largest church or other public building. Seven different sizes are made.

The Lawson Furnace gives universal satisfaction and is rapidly superseding all old or worthless. Besides the remarkable economy in the use of coal, one of its chief points of superiority is in the purity of the air proceeding from the Furnace. It is so constructed that no soot, ashes or cinders can possibly escape into the heated air passages, and all unpleasant odors are also prevented. In fact it can be used equally well with hard or soft coal, and managed as easily as any ordinary stove.

We invite comparison with all other Furnaces.

Put up and set in good working order in all cases. We have the sole agency for this section of the country. All favors and orders addressed to us will receive prompt attention. One of the Furnaces is in operation at our establishment, corner of State and Ninth streets, to which we invite attention. We guarantee the Lawson Hot Air Furnace all that is claimed for it.

CATARRH CURED FOR ONE DOLLAR.

READ! For one dollar, per mail, I will send free to any address a recipe and medicine that I will guarantee to cure the worst case of Catarrh in the head or bronchial tubes in a few weeks. It has saved my life, and cured me of Catarrh and a severe bronchial trouble I had *suffered* with for years. I tried the best physicians and all the advertised medicines of the day, but found no relief till I obtained this. I would give one hundred dollars for this recipe and the medicine if I knew I could not obtain it less. I believe, if instructions are followed, it will cure any case whatever that has not already reached the lungs and became a settled consumption. Cure it while you can.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual *Alterative* that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but
